

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

The present edition of the Ohio School Laws is issued in accordance with Section 360 of the Revised Statutes of Ohio.

This section authorizes the state commissioner of common schools to have printed as many copies of the laws as are necessary, with an appendix of appropriate forms and instructions for carrying into execution all such laws, and to have the same distributed to each county, for the use of the school officers therein, as often as any change in the laws is made of sufficient importance, in the opinion of the commissioner, to require a republication and distribution thereof.

What is known as the "new code" was adopted April 25, 1904. This made a radical change in the school laws of the state. As soon as possible thereafter my predecessor in the department caused an edition of twenty thousand copies to be printed without note or comment for immediate distribution throughout the state.

Under the new code new boards of education were elected in November, 1904, and the old boards were continued until the following January. As members of both boards and many others desired copies of the new laws the supply was soon exhausted. For many months we have been obliged to refuse all requests in this direction.

In the present issue a revision of the court decisions, citations, and notes contained in previous editions has been made and such as are applicable at the present time have been retained. Such other notes and suggestions have been added as it was thought would render the volume more serviceable.

It is sent forth with the hope that it will be found helpful to school officers, teachers and all others whose duty it is to become familiar with the school laws of our state.

EDMUND A. JONES,

State Commissioner of Common Schools.

July 12, 1906.

CONSTITUTION OF OHIO

RELATING TO PUBLIC SCHOOLS.

ARTICLE I.

Sec. 7. [Of the rights of conscience; necessity of religion and knowledge.] * * * Religion, morality and knowledge, however, being essential to good government, it shall be the duty of the general assembly to pass suitable laws to protect every religious denomination in the peaceable enjoyment of its own mode of public worship, and to encourage schools and the means of instruction.

"The system of public education in Ohio is the creature of the Constitution and statutory laws of the state. It is left to the discretion of the general assembly, in the exercise of the general legislative power conferred upon it (Art. II, § 1), to determine what laws are 'suitable' to secure the organization and management of the contemplated system of common schools, without express restriction, except that 'no religious or other sect or sects shall ever have any exclusive right to, or control of, any part of the school funds of this state.'" 21 O. S., 198-205; Day, J.

The compulsory education law comes within this section. 5 C. C., 645.

ARTICLE II.

Sec. 26. [What laws to have uniform operation.] All laws of a general nature, shall have a uniform operation throughout the state; nor, shall any act, except such as relates to public schools, be passed, to take effect upon the approval of any other authority than the general assembly, except, as otherwise provided in this Constitution.

ARTICLE VI.

Sec. 1. [Funds for educational and religious purposes.] The principal of all funds, arising from the sale, or other disposition of lands, or other property, granted or intrusted to this state for educational and religious purposes, shall forever be preserved inviolate and undiminished; and, the income arising therefrom, shall be faithfully applied to the specific objects of the original grant, or appropriations.

Sec. 2. [School funds.] The general assembly shall make such provisions, by taxation, or otherwise, as, with the income arising from the school trust fund, will secure a thorough and efficient system of

common schools throughout the state; but no religious or other sect, or sects, shall ever have any exclusive right to, or control of, any part of the school funds of this state.

Religious instruction, or the reading of the Bible in the public schools, is not required by the Constitution. The board of education have the sole management of the schools, and the courts cannot direct what instruction shall be given or what books read. 23 O. S., 211.

A requirement of a board of education that the Bible be read in the schools as an opening exercise cannot be interfered with by the courts, and is not in violation of any constitutional rights. 1 N. P., 140.

It is an unlawful diversion of the school funds of the state of Ohio for a board of education to authorize the teaching of religion as a regular branch of study. Attorney General.

ARTICLE XII.

Sec. 2. [Taxation by uniform rule.] Laws shall be passed, by taxing by a uniform rule, all moneys, credits, investments in bonds, stocks, joint stock companies, or otherwise; and also all real and personal property, according to its true value in money; but burying grounds, public school houses, houses used exclusively for public worship, institutions of purely public charity, public property used exclusively for any public purpose, and personal property, to an amount not exceeding in value two hundred dollars, for each individual, may, by general laws, be exempted from taxation; but all such laws shall be subject to alteration or repeal; and the value of all property, so exempted, shall, from time to time, be ascertained and published, as may be directed by law.

School property is not liable to assessment for street improvement; nor can a judgment be rendered against the board of education for the payment of the assessment out of its contingent fund. 48 O. S., 83.

Sidewalk—School property not assessable for. 48 O. S., 87.

INTERPRETATION OF STATUTES.

Sec. 23. R. S. [Interpretation of certain words.] In the interpretation of Parts First and Second, unless the context shows that another sense was intended, the word "bond" includes an "undertaking," and the word "undertaking" includes a "bond"; "and" may be read "or," and "or" read "and," if the sense requires it; words of the present include a future tense, in the masculine, include the feminine and neuter genders, and in the plural include the singular and in the singular include the plural number; but this enumeration shall not be construed to require a strict construction of other words in said Parts, or in this Code.

A construction which gives effect to every section and clause must be favored. 1 O., 381, 385; 2 O., 395, 398; 17 O. S., 52, 68; 3 O., 187, 193; 5 O., 48, 51; 2 O. S., 147, 151.

"A statute should be so construed, that the several parts will not only accord with the general intent of the legislature, but also harmonize with each other; and a construction of a particular clause, that will destroy or render useless any other provision of the same statute, can not be correct." 3 O., 187, 193; 2 O., 395, 398; 5 O., 48, 51.

What is plainly implied in a statute is as much a part of it as what is expressed. 50 O. S., 330.

The ordinary and natural import of words consistent with the common sense of the community is to be adopted in arriving at legislative intent. 5 O., 65, 71; 25 O. S., 26, 28.

In considering questions arising under the school legislation of the state, such construction should be placed upon its various enactments, and the several provisions thereof, as will give harmony to our educational system, and secure, as far as practicable, its equal benefits, and the reasonable facilities for their enjoyment to every locality. 21 O. S., 339.

Penal statutes must be construed strictly, and cannot be extended by implication to cases not strictly within their terms. 20 O., 7; 18 O., 11; 38 O. S., 659; 44 O. S., 347.

While the opinion of the state commissioner of common schools cannot have the force of a judicial interpretation, it is of great force as the opinion of an eminent educator, who was at the head of the school system of the state, and presumably familiar with the necessities of the schools. 2 C. C., 366; Stewart, J.

 3889. Change of classification in certain cases; terms of members of boards of education when classification is changed; village districts abolished by surrender of corporate power of municipality.
 3890. Township school districts.

SECTION.

3891. Special school districts.
 3892. Territory must be contiguous.
 3893. Annexation of territory to cities and villages.
 3894. Transfer of territory by agreement between boards of education.
 3895. Transfer of territory by proceedings in probate court.
 3896. Division of funds and indebtedness when territory is transferred or annexed.

Classification of cities. See 96 v. 20.

Sec. 3885. [Classification of school districts.] The state is hereby divided into school districts to be styled respectively, city school districts; village school districts; township school districts; and special school districts. (97 v. 335; 93 v. 165; 84 v. 184; Rev. Stat. 1880; 70 v. 195, § 1.)

Common school districts and boards of education are not corporations within the meaning of § 1, Art. XIII, of the Constitution. 38 O. S., 64.

Special districts; see 46 O. S., 275, under Sec. 3891.

Sec. 3886. [City school districts.] Each incorporated city, now existing or hereafter created, together with the territory attached to it for school purposes, and excluding the territory within its corporate limits detached for school purposes, shall constitute a city school district. (97 v. 335; 94 v. 125; 93 v. 165, 39; 85 v. 91; 84 v. 184; 81 v. 71; Rev. Stat. 1880; 70 v. 195, § 2.)

Sec. 3887. Repealed. (97 v. 379.)

Sec. 3888. [Village school districts.] Each incorporated village now existing or hereafter created, together with the territory attached to it for school purposes, and excluding the territory within its corporate limits detached for school purposes, and having in the district thus formed a total tax valuation of not less than one hundred thousand dollars shall constitute a village school district, provided that each incorporated village now existing or hereafter created, together with the territory attached to it for school purposes and excluding the territory within its corporate limits detached for school purposes, with a tax valuation of less than one hundred thousand dollars, shall not constitute a village school district; provided at any general election the proposition to dissolve or organize such village school district be submitted by the board of education to the electors of such village and be so determined by a majority vote of such electors. (98 v. 217; 97 v. 335; 74 v. 140, § 4)

Ch. 1.

Classification and Change of Districts.

The board of education of a township established a central or high school and located it in a sub-district. The territory comprised in the sub-district after the establishment of the central high school, and before the act of May 1, 1873, was formed into an incorporated village; held, that the property of the central or high school and the management of the school did not, by virtue of said last mentioned act, pass to the board of education of the village. 41 O. S., 680.

Sec. 3889. [Change of classification in certain cases; terms of members of boards of education when classification is changed; village districts abolished by surrender of corporate power of municipality.] When a village is advanced to a city, the village school district shall thereby become a city school district; when a city is reduced to a village, the city school district shall thereby become a village school district. The members of the board of education in village school districts that are advanced to city school districts, and in city school districts that are reduced to village school districts, shall continue in office until succeeded by the members of the board of education of the new district, who shall be elected at the next succeeding annual election for school board members. Upon the creation and incorporation of a village the same shall thereby become a village school district as provided by section 3888 of the Revised Statutes of Ohio, and if such village was, previous to its creation and incorporation, included within the boundaries of a special school district, but said special district included more territory than is included within the village limits, said territory shall be, and thereby is, attached to said village school district for school purposes; when a village surrenders its corporate powers or dissolves a village school district, as provided by section 3888 of the Revised Statutes of Ohio, the village school district shall be thereby abolished and the territory formerly constituting said village school district shall become a part of the township school district or districts of the civil township or townships in which it is situated, and all school property shall pass to and become vested in the township board of education of the civil township in which it is situated; the provisions of section 1536-4 of the Revised Statutes of Ohio in regard to the settlement of the affairs of a village that has surrendered its corporate powers shall also apply to the village school district and the board of education of the same, and in case the village school district is situated in two or more townships any distribution of funds shall be made in proportion to the total tax valuation of the property situated in the several townships. (98 v. 217; 97 v. 336; 70 v. 195, § 5.)

Sec. 3890. [Township school districts.] Each civil township together with the territory attached to it for school purposes, and excluding the territory within its established limits detached for school purposes, shall constitute a township school district. (97 v. 336; 70 v. 195, § 7; S. & C., 1346.)

Classification and Change of Districts.

Ch. 1.

Sec. 3891. [Special school districts.] Any school district, now existing, other than a city, village or township school district, and any school district organized under the provisions of chapter 5 of this title, shall constitute a special school district. (97 v. 336; 70 v. 195, § 6.)

The formation of a special school district from territory within the limits of a township, by special act, is in conflict with Sec. 28, Art. II, of the Constitution. 73 O. S., 54; 46 O. S., 275; 38 O. S., 54.

Sec. 3892. [Territory must be contiguous.] The territory included within the boundaries of any city, village or special school district shall be contiguous. (97 v. 336; 70 v. 195, § 8.)

In regard to change in sub-districts; see Sec. 3921.

A sub-district is not a school district within the meaning of the law.

CHANGE OF DISTRICTS.

Abandonment of special or village district; Secs. 3888 and 3935.

Sec. 3893. [Annexation of territory to cities and villages.] Whenever territory is annexed to a city or village, such territory thereby becomes a part of the city or village school district and the legal title to all school property in said territory shall be thereby vested in the board of education of such city or village school district. (97 v. 336; 91 v. 307; 90 v. 126; 89 v. 68; 70 v. 195, § 40.)

When territory which is a part of a special school district is annexed to a village which constituted another school district, such territory did not thereby become a part of the village school district—the directors of the special school district not having consented to such transfer under section 3893, or otherwise. 4 C. C., 72.

Section 3893 cited in 10 C. C., 480.

When territory is transferred from one district to another, the district to which the territory is attached is not entitled to a proportionate share of the school funds in the hands of the board of education or the county treasurer for the district from which it was detached, but is entitled to a share of the taxes levied but not collected. Attorney General.

The territory included within a school district must be contiguous.

Sec. 3894. [Transfer of territory by agreement between boards of education.] A part or the whole of any school district may be transferred to an adjoining school district by the mutual consent of the boards of education having control of such district; to secure such consent it shall be necessary for each of said boards to pass a resolution indicating the action taken and definitely describing the territory to be transferred, and the passage of said resolution shall require a majority vote of the full membership of each board, to be taken by a yea and nay vote and the vote of each member to be entered on the records of such boards; but such transfer shall not take effect until a map showing the boundaries of the territory transferred is placed upon the records of such boards, and copies of the resolution certified to the president and clerk of each board, together with a copy of said map, is filed with the

In case the finding is against the transfer, judgment shall be rendered against the petitioners for the costs of the proceedings, and if the finding is for the transfer, judgment shall be rendered against each of the boards of education interested for one-half of the costs, or if more than two boards are interested judgment shall be rendered against each for its equal proportionate share of the costs. Sec. 3897. [Boards of education in city districts; number of members.] In city school districts the board of education shall consist of not less than two members nor more than seven members elected at large, by the qualified electors of the school district, and of not less than two members nor more than thirty members elected from sub-districts by the qualified electors of their respective sub-districts; provided that in city school districts which at the last preceding federal census contained a population of less than fifty thousand persons, the board of education shall consist of not less than three members nor more than seven members elected at large, by the qualified electors of such city school districts.

[Existing boards to fix number of members and divide city into sub-districts.] Not later than the first day of July next, after the passage of this act, the present city school board, board of education, school council or other city school legislative body, shall pass a resolution fixing, within the limits prescribed by this act, the number of members of said board of education to be elected at large, and in city school districts where there are members of the board of education to be elected from sub-districts, they shall also, at the same time, fix the number of members of the board of education to be elected by such city sub-districts. The said city school board, board of education, school council or other city school legislative body, in city school districts where there are members of the board of education to be elected from sub-districts, shall, at the same time, to-wit: Before the first day of

July next, after the passage of this act, subdivide said city school district into sub-districts equal in number to the number of members of the board of education in said city school district who are to be elected from sub-districts therein established. Said sub-districts shall be bounded as far as is practicable by corporation lines, streets, alleys, avenues, public grounds, canals, water courses, ward boundaries, voting precinct boundaries or present school district boundaries, and shall be as nearly equal in population as possible, and shall be composed of adjacent and as compact territory as possible. The lines of sub-districts so fixed shall not be changed until after each succeeding federal census.

[Redistricting.] Within three months after the official announcement of the result of each succeeding federal census the board of education of each city school district shall redistrict the said city school district into sub-districts in accordance with the provisions of this act.

[When board fails to divide into districts.] If the city school board of education, school council, or other city school legislative body shall fail to district or redistrict said city school district as herein required, at the time or times herein specified, then and in that event, upon the application of the president of the board of education the state commissioner of common schools shall, subject to the requirements of this act, forthwith district, or re-district said city school districts.

[Elections held thereafter; change in membership of board.] At the expiration of their respective terms their successors shall be elected for four years. Members elected at large must be electors of

the city school district, and members elected from sub-districts must be electors of the city sub-districts from which they are chosen, or of the territory attached to the sub-district for school purposes; a removal from said sub-district, territory or city school district shall vacate said office. The number of members of the board of education shall not be changed, except at the time of the redistricting herein provided for, within three months after the official announcement of the result of the federal census. All members of boards of education of city school districts, herein provided for shall be elected at the same time and in the same manner as municipal officers are elected. (97 v. 338; 92 v. 149; 91 v. 289; 84 v. 184; 82 v. 7; 77 v. 80; Rev. Stat. 1880; 70 v. 195, §§ 9, 10.)

[Organization; meetings; president; clerk; nomination by petition.] Boards of education in city school districts shall organize on the first Monday in January after the election held for members of the board of education by the election of one of their members as president and the election of a clerk, who may or may not be a member of the board, the president to be elected for one year and the clerk to be elected for a term not to exceed two years; they shall fix the time of holding regular meetings. Upon the organization of the first boards of education elected under this act, the previously existing boards of education are thereby abolished and said newly elected boards shall be their successors in all respects. (97 v. 340; 94 v. 305; 92 v. 149.)

Sec. 3897b. [Trustees of school-teachers' pension fund; number, election and term.] Whenever the board of education of any school district shall declare by resolution, adopted by a majority vote of the members of said board, that it is advisable to create a school-teachers'

pension fund for such school district, said school-teachers' pension fund shall be under the charge, management and control of a board to be known as the board of trustees of the school-teachers' [pension fund for such school] district, which board shall be composed of not less than three, nor more than seven, members, as said board of education shall by resolution declare; if composed of less than five members, one of the members of said board of trustees of the school-teachers' pension fund of such school district shall be elected by the board of education of such school district, and the remaining members by the teachers of the public schools, including the teachers of any high schools of such district, who have accepted the provisions of this act, as hereinafter provided; if such board is to be composed of five or more members, two of the members of said board of trustees of said school district shall be elected by the board of education of such school district, and the remaining members by the teachers of the public schools, including the teachers of any high schools of such school district, who have accepted the provisions of this act, as herein provided; such election of the members of said board by the teachers to be at a meeting called by the superintendent of schools of such school district, the first election to be at a meeting to be called by such superintendent when one-third of the teachers of the public schools of such school district shall have accepted the provisions of this act; the members of said board of trustees of the school-teachers' pension fund shall be elected for such length of time as the board of education of such school district shall by resolution declare, to serve not less than one, nor more than three, years, and shall serve until their successors are elected and qualified, such service to be without compensation. deduct said sum during the remainder of the term of service of said teacher. All teachers hereafter appointed in said public schools or high schools, if any, in said school district, shall be notified within thirty days after their appointment by the clerk of said board of education of the election of said board of trustees of said school-teachers' pension fund, and they shall be required to notify said board of education within six months thereafter whether they consent or decline to accept the provisions of this act. All moneys received from donations, legacies, gifts, bequests or from any other source shall also be paid into said fund, or into a permanent fund, and if paid into a permanent fund, the interest only of said fund shall be applied to the payment of pensions. Said board of trustees shall have power to invest said pension fund in the name of said board in bonds of the United States, or the state of Ohio, or of any county in this state, or of any municipal corporation in this state, or of any school district in this state; and said board shall have power to make payments from said pension fund for pensions granted in pursuance of this act. Said board of trustees shall also have power from time to time to make and establish such rules and regulations for the administration of said pension fund as they shall deem best. (92 v. 152; 95 v. 610.)

Sec. 389d. [Retirement and pension of teachers; meaning of term "teacher"; amount of pension; who not entitled to pension; how, when fund insufficient to pay pensions.] Said board of education of said school district, and any union board, or other separate board, if any, having the control and management of the high schools of said school district, shall each of them have power by a majority vote of all the members composing said board to retire on account of physical or mental disability, any male or female teacher under such board who shall have taught for a period aggregating twenty (20) years, whether before or after, or partly before or after, the passage of this act; provided, however, that three-fifths of said period of service shall have been rendered by said beneficiary in the public schools or high schools of said school district, or in the public schools or high schools of the county in which said school district is located, and the remaining two-fifths of said period of service in the public schools of this state or elsewhere.

The term "teacher" under this act, shall include all teachers regularly employed by either of said boards in the day schools, including the superintendent of schools, all superintendents of instruction, principals, and special teachers, and in the estimation of years of service only service in public day schools or day high schools, supported in whole or in part by public taxation, shall be considered. (98 v. 157; 94 v. 305; 92 v. 153.)

Sec. 3897e. [Use of principal and income.] Said board of trustees shall have the power to use both the principal and income of said fund for the payment of the premiums herein provided for, and the expense thereof, but this shall not apply to the principal of moneys received from donations, legacies, gifts, bequests, or other such sources. No portion of such pension fund shall, before its distribution and payment by said board of trustees to the beneficiaries, be liable to be taken or subjected by any writ or legal process against the beneficiary. (98 v. 158; 92 v. 154.)

Sec. 3897f. shall be set apart as a special fund for the purposes herein specified, subject to the order of said board of trustees. All moneys belonging to said fund shall be paid only on the order of said board of trustees, entered upon its minutes on warrants signed by the president and secretary of said board. (92 v. 154; 95 v. 612.)

In case of the death of any teacher, the heirs, legatees or assigns of the deceased teacher shall be entitled to receive one-half of the total amount paid by such teacher into such fund upon application therefor, with proof of claim to the satisfaction of the board of trustees. (95 v. 613.)

Sec. 3897k. [Deductions.] The board of education in any school district which has created, or shall hereafter create, a teachers' pension fund, shall pay monthly into said teachers' fund all deductions from the salaries of teachers on account of tardiness or absence of such teachers. (98 v. 158; 97 v. 340.)

(98 v. 158; 97 v. 340.)

Sec. 3898. An elector residing in the city, but not in the city school district shall not be entitled to vote in said city school district. (97 v. 340; 92 v. 424; 91 v. 69; 84 v. 184, 185; 81 v. 71, 72; Rev. Stat. 1880; 70 v. 195, §11.)

AN ACT

Authorizing school district boards, boards of trustees of graded schools and boards of education in cities to establish and maintain day schools for the deaf, and authorizing payment therefor from the general fund.

That upon application by a board of education of any school district of this state to the state commissioner of schools, he shall grant permission to such board of education, and such board of education shall thereupon be empowered to maintain within its limits one or more day schools, having an average attendance of not less than three pupils, for the instruction of deaf persons over the age of three, residents of the state of Ohio.

Sec. 2. Such board of education, which shall maintain one or more day schools for the instruction of the deaf, shall report to the state commissioner of schools annually, and as often as such state commissioner shall direct, such facts concerning such school or schools as he may require.

Sec. 3. The county auditor in each county is hereby authorized and directed to apportion and the county treasurer to pay out of the state common school fund received by such county, to the treasurer or other financial officer of such board of education, maintaining such school or schools for the instruction of the deaf, the sum of one hundred and fifty dollars for each deaf pupil, resident of such county, instructed in any such school for at least nine months during the school year and a share of such sum proportionate to the term of instruction of any such pupil as shall be so instructed less than nine months during such year. If no school shall be maintained in any county, but persons residing in such county shall attend such school in another county, then the county treasurer of the county not maintaining such school shall apportion and pay to the financial officer of the board of education of such other county the amount above specified for each pupil attending such school in such other county.

Sec. 4. The sums provided in the next preceding section shall be paid by such county treasurer as soon as may be after the receipt by him of the state common school fund in each year, upon satisfactory proof being made to him by the president or clerk of such board of education maintaining such school, of the number of pupils in-

structed in such school or schools, and their residences, and the period of time such pupil shall have been so instructed in such school or schools for the preceding school year.

Sec. 5. All teachers in such schools shall be appointed and employed as other public school teachers are appointed and employed. All persons appointed to teach in any such school shall have had special training for teaching, and shall also have had special training in the teaching of the deaf, including at least one year's experience as a teacher in a school for the deaf. The so-called "oral" system shall be taught by such teachers, and if after fair trial of nine months, any of such children shall, for any reason, be unable to learn such oral method, then no further expense shall be incurred in the effort to teach such child so unable to learn such oral method in such primary schools.

Sec. 6. For the purpose of this act, any person of sound mind, who, by reason of defective hearing, cannot profitably be educated in the public schools, as other children are, shall be considered deaf.

Sec. 7. The state school commissioner shall select some competent person to inspect all day schools organized under this act, or by other authority and shall cause an inspection to be made of said schools at least twice a year, and said persons so appointed shall make a written report to the state commissioner of common schools of the buildings in which said schools are being held, the method of instruction and all other matters which may seem to be of interest and profit to the education of the children in said schools. McCrary on Elections, § 135, says: "It must be conceded that time and place are of the substance of every election, while many provisions which appertain to the manner of conducting an election may be directory only. [Dickey v. Hulburt, 5 Cal., 843.] But it does not follow that due notice of time and place of holding an election is always essential to its validity. Whether it is so or not depends upon the question whether the want of due notice has resulted in depriving any portion of the electors of their rights." 18 N. Y., 350; 12 Mich., 508; see also Foster v. Scarf, 15 O. S., 532.

The general rule in computation of time *within* which an act is to be done is to exclude the first day and include the last. 16 O. S., 208, 209.

If an emergency should occur, making it necessary to change the place of holding the election after the regular notice has been given, and if such notice is given as would leave no excuse for not voting on account of the change, the election would not be invalidated by such change. 78 Illinois, 171.

Sec. 3910. [Voting in attached territory.] Electors residing in territory attached to a village school district for school purposes, shall be entitled to vote for school officers and on all school questions, at the regular voting place in the village to which such territory is attached, and should said village be divided into voting precincts, it shall be the duty of the board of education of such village school district to assign such territory to the adjoining precinct or precincts and to have a map prepared showing such assignment, said map to be made a part of the records of the board, and the electors residing in such attached territory shall be entitled to vote in the precinct to which they are assigned, but in case no assignment of territory is made, the elector shall vote in the precinct nearest his residence. An elector residing in a village, but not in a village school district, shall not be entitled to vote in said village school district. (97 v. 341; 75 v. 53, § 20.)

Sec. 3911. [Organization; president; clerk; regular meetings.] Boards of education of village school districts shall organize on the first Monday in January after the election of the board, by the election of one of their members president, and the election of a clerk who may or may not be a member of the board, the president to be elected for one year and the clerk to be elected for a term not to exceed two years; and they shall fix the time of holding regular meetings. 97 v. 342; 70 v. 195, § 21.)

	An act to provide for the support of normal schools.

Sec. 3915. [Boards of education in township districts; membership; election and term.] The board of education of township school districts shall consist of five members elected at large at the same time and in the same manner as the township officers are elected, for the term of four years from the first Monday in January after their election [or] until their successors are elected and qualified. At the first township election held after the passage of this act, there shall be a board of education elected in all township districts as provided for herein, two to serve for two years, and three to serve for four years, and at the township election held every second year thereafter, their successors shall be elected for the term of four years. Upon the organization of said boards, upon the succeeding first Monday in January after their election, the previously existing township boards of education shall be thereby abolished and the newly elected and organized boards shall be their successors in all respects. (97 v. 342; 89 v. 93; 70 v. 195; § 26, 29; 70 v. 241; § 44; S. & C., 1350.)

Quo warranto is the proper remedy to try a title to an office. 570 O. S., 371.

As to serving until successor is elected. 7 C. C., 1, 4; aff'd 20 B., 396.

When judges and clerks of election fail to sign pollbooks and tallysheets, to fill up blanks in the caption, or to carry out the aggregate votes, such omissions and mistakes may be corrected upon the trial of a contest, by parol evidence, and when so corrected, the documents, sustained by the parol proof, are competent evidence of the result of the election. 16 O. S., 184.

The evident intent of the law requires that when the polls are once opened, they should be kept open until the hour prescribed for finally closing; but the statute on the conduct of elections, section 2929, is said to be directory, and if so, "a departure from its strict observance will not necessarily invalidate an election, where no fraud has been practiced and no substantial right violated." 19 O. S., 25.

The officers of an election board cannot, after dissolving the board and dispersing, return and perform any official act regarding such election. When they have dispersed, they cease to be officers of the election—are *functi officio*. 21 O. S., 216; 14 C. S., 315.

Pollbooks duly certified and returned are *prima facie* evidence of the truth of their contents, but this presumption will be rebutted by proof that they are fraudulent and fictitious to such an extent as to render them wholly unreliable. 26 O. S., 549.

Quo warranto will lie where no provision for a contest is made by law—as was the case in the election of school directors against the respondent, whom the board recognized, and the fact that the relator has received a certificate is not conclusive. 8 Rec., 432; 4 B., 1065.

A person voted for under the name of E. H. Smith, whose name is H. E. Smith, there being no such man as E. H. Smith, should have the votes counted, if the judges are satisfied that the person H. E. Smith was intended. 11 W. L. M., 689.

In case a candidate receiving the highest number of votes at an election is ineligible, the next highest candidate is not elected. 13 Cal., 145; 88 Maine, 597; 1 Chandler, Wis., 117.

McCrary on Elections, section 184: "The safe rule probably is that where an election board are found to have wilfully and deliberately committed a fraud, even though it affect a number of votes too small to change the result, it is sufficient to destroy all confidence in their official acts, and to put the party claiming anything under the election conducted by them, to the proof of his votes, by evidence, other than the returns." See *Judkins v. Hill*, 50 N. H., 140; *Knox Co. v. Davis*, 63 Ill., 406; *Russell v. State*, 11 Kan., 308."

Receiving illegal or improper votes will not alone vitiate an election. It must be shown affirmatively, in order to overturn the declared result that the wrongful action changed it. *Dillon on Municipal Corporations*, 261.

Sec. 3916. [Attached territory; voting in.] Electors residing in territory attached to a township school district for school purposes, shall be entitled to vote for school officers and on all school questions, at the regular voting place in the township to which such territory is attached, and should such township be divided into different voting precincts, it shall be the duty of the board of education of the township district to assign such attached territory to the adjoining precinct or precincts; if territory is attached to more than one precinct, a map shall be prepared showing such assignment and said map shall be made a part of the records of the board of education, and electors shall be entitled to vote according to such assignment, but in case no assignment of territory is made, the electors shall vote in the precinct nearest to their residence. An elector residing in the township, but not in the township school district, shall not be entitled to vote in said township school district. (97 v. 342; 93 v. 45; 89 v. 93; 75 v. 81, § 27; S. & C., 1347.)

When the legislature has fixed by law the time for holding an election of officers, an election at any other time, unless provided for by law, is unauthorized and void. 20 O. S., 167.

When candidates for different terms are running for the office of member of the board of education, the term each is to serve should be designated on the ballots and such designation cannot be disregarded by the judges of election. 20 O. S., 338.

Boards of education of township school districts shall organize on the first Monday in January after the election of the board, by the election of one of their members president and the election of a clerk who may or may not be a member of the board, the president to be elected for one year and the clerk to be elected for a term not to exceed two

years; and they shall fix the time of holding regular meetings. (97 v. 342; 93 v. 46; 89 v. 93; 86 v. 346; Rev. Stat. 1880; 70 v. 195; § 31.)

When the statute requires a particular kind of notice, no other notice can be substituted and satisfy the terms of the statute; a notice sent by mail does not comply with the provisions of this section. Attorney General.

Teachers can be elected at special meetings.

The adjourned meetings of a regular session are regular meetings.

Sec. 3921. [Sub-districts recognized.] The division of township school districts into sub-districts as they exist at the time of the passage of this act, shall continue and be recognized for the purpose of school attendance, but the board of education is authorized to increase or diminish the number or change the boundaries of the sub-districts at any regular meeting, a map designating such changes to be entered upon its records. (97 v. 343; 93 v. 85; 75 v. 120, § 32 [§ 20].)

The term "sub-district," as used in section 1 of this supplementary act of April 9, 1867 (64 v. 117), does not include the subordinate territorial divisions of separate school districts into which a city or village may be subdivided, but applies exclusively to township or county sub-districts. 19 O. S., 577.

Sec. 3921a. [Director of sub-districts; election; term; duties.] In all township districts the schools of which are not centralized or consolidated there shall be elected by ballot on the second Monday of April, 1905, and annually thereafter in each sub-district, by the qualified electors thereof, one competent person, having the qualifications of an elector therein to be styled director. In all cases of tie votes at an election for director the judges of election shall decide the election by lot; and in other cases of failure to elect directors or in case of a refusal to serve, or in case where vacancies exist from any cause, the township board of education shall appoint a director for such sub-district. The director of each sub-district shall post written or printed notices in three or more conspicuous places in his sub-district at least six days prior to the election, designating the day and hour of opening, and the hour of closing the election. The election shall be held at the school house in the sub-district. The meeting shall be organized by appointing a chairman and secretary, who shall act as judges of the election under oath or affirmation, which oath or affirmation may be administered by the director of the sub-district, or any other person competent to administer such an oath or affirmation, and the secretary shall keep a poll-book and tally-sheet, which shall be signed by the judges, and delivered within eight days to the clerk of the township board of education. The qualified electors of the sub-district may hold other meetings at any time upon the call of the director or of any five electors. Five days' notice shall be given of such meetings by posting notices in five public places in the vicinity. The director

of each sub-district shall preside at the school meetings of the district, record their proceedings, and shall act as the organ of communication between the inhabitants and the township board of education. He shall take charge of the school house and property belonging thereto under the general order and direction of the township board of education and preserve the same and when so ordered by the board shall make all temporary repairs of the school house, furniture and fixtures, and provide the necessary fuel for the school, reporting the cost thereof to the board of education for payment. The director of each sub-district shall take the enumeration of his sub-district and return the same to the clerk of the township board of education in the manner prescribed by law. (97 v. 343; 93 v. 85; 75 v. 120, §32 [§ 20].)

Sec. 3922. [Centralization by suspension of one or more sub-district schools.] The board of education of any township school district is authorized to suspend the schools in any or all sub-districts in the township district, but upon such suspension the board must provide for the conveyance of the pupils residing in such sub-district or sub-districts to a public school in said township district, or to a public school in another district, the cost of such conveyance to be paid out of the funds of the township school district; or the board may abolish all the sub-districts providing conveyance is furnished to one or more central schools, the expense of such conveyance to be paid out of the funds of the district. When transportation of pupils is provided for, the conveyance must pass within at least the distance of one-half of a mile from the respective residence of all pupils, except when such residences are situated more than one-half of a mile from the public road; but boards of education shall not be required to provide transportation for pupils living less than one-half of a mile from the school house. (97 v. 344; 93 v. 47; 89 v. 94; 75 v. 120; § 32 [§ 20].)

Sec. 3923. [Joint sub-districts abolished.] Joint sub-districts are hereby abolished and the territory of such districts, situated in the township in which the school house of the joint sub-district is not located, shall be attached for school purposes to the township school district in which said school house is located, and shall constitute a part of said township school district, and the title of all school property located in said joint sub-district, is hereby vested in the board of education of the township to which the territory is attached. A map of such attached territory shall be prepared under the direction of the board of education of the township district to which such territory is attached and shall be made a part of the records of said board and a copy of the same shall be filed with the auditor of the county in which said territory is situated, or if the territory be in two or more

counties, said map shall be filed with the auditor of each county. (97 v. 344; 70 v. 195; § 32 [70 v. 200, § 22].)

Sec. 3927. Repealed 97 v. 379.

Sec. 3927-2. [Centralization, submission of question to vote.]

A township board of education may submit the question of centralization, and upon the petition of not less than one-fourth of the qualified electors of such township district, must submit such question to a vote of the qualified electors of such township district, and if more votes are cast in favor of centralization than against it, at such election, it shall then become the duty of the board of education, and such board of education is required to proceed at once to the centralization of [the] schools of the township, and if necessary purchase a site or sites and erect a suitable building or buildings thereon; provided, that if, at the said election, more votes are cast against the proposition for centralization than for it, the question shall not again be submitted to the electors of said township district for a period of two years. When the schools of a township have been centralized, such centralization shall not be discontinued within three years thereafter, and then only by petition and election as required herein and if at such election more votes are cast against centralization than for it, the division into sub-districts as they existed prior to centralization, shall be thereby re-established at the next regular election and sub-district directors shall be elected as provided in section 3921a of this act. (97 v. 344; 93 v. 47; 89 v. 94; 88 v. 297; 72 v. 27, § 25.)

AN ACT.

To provide aid for the support of normal schools.

Be it enacted by the General Assembly of the State of Ohio:

Sec. 1. That the trustees of any township in the state of Ohio, in which a normal school is organized and conducted or may be established hereafter, are authorized to levy annually a tax, not exceeding two mills on the dollar upon all the taxable property of the township for the purpose of aiding in the support of such normal school.

Sec. 2. Before the tax may be levied, the question of making a levy for the purpose named in section 1, herein, shall be submitted to the qualified electors of the township, at a special or general election to be held in such township, due notice of which shall be given at least twenty days prior to the election, by publication in some news-

paper of general circulation in the township; and provided a majority of the votes cast at such election upon said question of tax levy is in favor of levying the tax, then the trustees of the township thereafter shall make the levy annually and report the same to the county auditor for collection as other taxes, and when collected, to be paid over to the duly qualified and acting treasurer of the board of trustees of such normal school.

Sec. 3. At any time after four years from the date of an election held in accordance with the provisions of section 2 of this act, another election may be petitioned for and shall be ordered by the trustees of the township, provided the petition shall be signed by at least forty per cent. of the qualified electors of the township. (97 v. 389.)

Sec. 3928. [Formation of special school district, proceedings for.]

A special school district may be formed of any contiguous territory, not included within the limits of an incorporated city or village, which has a total tax valuation of not less than one hundred thousand dollars. To establish a special school district, a petition signed by not less than ten male citizens who are electors of the proposed special district shall be filed in the office of the probate judge of the county in which such special district is situated or if said district is situated in two or more counties, then with the probate judge of the county having the greatest total tax valuation in said proposed district; said petition shall set forth the desires of the petitioners, shall contain a description of the territory to be included in the proposed special district, and shall be accompanied by a statement giving the total tax valuation of said territory certified to by the county auditor or auditors and also an accurate map of the territory to be included in said district, the same to be prepared to the satisfaction of the probate judge; said petition shall also be accompanied by an undertaking of one or more of the petitioners, with security to the satisfaction of the judge, in the sum of one hundred dollars, conditioned that the parties entering into the undertaking shall pay all the costs of the proceedings if a special school district is not created, and in such case the probate judge shall render judgment against the parties to the undertaking for all the costs of the proceedings. In case the petition is granted the costs shall be taxed against the special school district thereby authorized and shall be paid by the board of education of said special school district, thereafter elected, from any funds that may come into its possession. A remonstrance signed by one or more of the male citizens who are electors of the proposed district may be filed with the probate judge and shall be considered on the hearing

of the petition. Nothing herein contained shall be so construed as to abolish any special school district now existing, but all such districts whether created under the provisions of a general or special act, including the territory now constituting such special district, shall, unless changed under the provisions of this chapter, continue to be and remain and be recognized and regarded as legal special school districts, excepting, however, such special school districts which do now or may hereafter include within their boundaries an incorporated city or village, and in such cases such special district shall become a city or village school district with or without territory attached or detached, as the case may be. And all officers and members of boards of education of existing special school districts heretofore created, whether by special or general act, shall continue to hold and exercise their respective offices and the powers thereof, until their successors are elected and qualified as provided herein; provided that all such officers of such districts created by special act shall hold such offices only until the first Monday of January following the first election for school officers to be held after the passage of this act, at which election their successors shall be elected. (97 v. 345; 93 v. 283; 70 v. 195, § 34; S. & S., 713.)

Special school districts which have been created by special act of the legislature are not legally constituted school districts, and must be re-established by petition to the probate court, as provided in sections 3928-3932, R. S.

"It is not within the power conferred on the general assembly by the constitution to declare that things done and created under and by virtue of unconstitutional acts of the general assembly, nevertheless 'shall continue to be and remain and be recognized as legal.'"—73 O. S., 54.

See note under section 3891.

Sec. 3929. [Further proceedings in probate court.] Upon the filing of a petition in the probate court for the establishment of a special school district, the judge thereof shall fix a time for the hearing of the same, which shall be within sixty days of the filing thereof; he shall thereupon cause to be published for four consecutive weeks, in two newspapers of opposite politics, printed and of general circulation in the county where the petition is filed, notice of the filing of such petition and the time of the hearing thereon; such notices shall also be mailed to the clerk or clerks of the board or boards of education having territory in the proposed special school district. The probate judge is authorized to hear and determine the question of the establishment of such special school district, may subpoena and examine witnesses under oath, may change the boundaries of the proposed special school district, shall fix and determine the amount of money due and payable to said special district from the surplus money in the treasury or in process of collection in the district or districts from which it was formed, or in case of the indebtedness of such dis-

trict or districts, he shall determine the amount of money due and payable by the special school district to the district or districts from which it was formed, and in either case the amount so found due shall be [a] valid and binding obligation upon the board of education of such district or districts. The fees in cases involving the establishment of special school districts shall be the same as in civil cases, and the jurisdiction of the probate court in such cases shall be exclusive. (97 v. 346; 93 v. 283; 89 v. 94; 75 v. 84; § 35; S. & S., 713.)

Sec. 3930. [Boards of education in special districts; membership; election and term.] The board of education of special school districts shall consist of five members elected at large at the same time and in the same manner as the township officers are elected, for the term of four years from the first Monday in January after their election or until their successors are elected and qualified. At the first township election held after the passage of this act, there shall be a board of education elected in all special districts as provided for herein, two to serve for two years, and three to serve for four years, and at the township election held every second year thereafter, their successors shall be elected for the term of four years. Upon the organization of said boards, upon the succeeding first Monday in January after their election the previously existing boards of education of special school districts shall be thereby abolished and the newly elected and organized boards shall be their successors in all respects. (97 v. 346.)

Sec. 3931. [Elections, how conducted.] Elections in special school districts shall be held by the regular election officers of the township in which such special districts are situated and if a special district is situated in two or more townships, the election shall be held by the election officers of the different townships for the electors residing in each township respectively. At least twenty days prior to the first election held under this act, it shall be the duty of the clerk of the board of education of each special school district to notify the deputy supervisors of elections of the county in which the district is situated, or if said district be in two or more counties, he shall notify the deputy supervisors of each county, of the names of the voting precincts having territory in such special school district, and the probable number of electors in each precinct, in order that said deputy supervisors shall be enabled to prepare ballots and election supplies and distribute the same to the proper precincts, and in each precinct there shall be separate ballots, ballot boxes, poll books and tally sheets for each school district having voters therein. (97 v. 346; 75 v. 120, § 1.)

Sec. 3932. [Election in newly created special district.] When a special school district is created, a mass meeting of the electors

in such district shall be called by the posting of notices in five public places in the district setting forth the time and place of said meeting and signed by at least three electors of the district. The electors assembled at said meeting shall elect a chairman and secretary and fix the time for holding the first election for members of the board of education, the time so fixed shall not be within twenty-five days of the time of holding such mass meeting. The chairman and secretary of said meeting shall immediately post notices in five public places within the district, giving the date of the election and shall notify the deputy state supervisors of elections as provided in section 3931 of the Revised Statutes of Ohio. The board thus elected, shall organize on the second Monday after the election and the term of the members shall be as indicated in section 3930 of the Revised Statutes of Ohio, from the first Monday in January after the last preceding annual election for members of the boards of education, or until their successors are elected and qualified. (97 v. 347; 75 v. 120, § 2.)

Sec. 3933. [Organization of board of education; president; clerk; regular meetings.] Boards of education of special school districts, shall organize on the first Monday in January after the election of the board, by the election of one of their members president and the election of a clerk who may or may not be a member of the board, the president to be elected for one year and the clerk to be elected for a term not to exceed two years; and they shall fix the time of holding regular meetings. (97 v. 347; 75 v. 120, § 3.)

Sec. 3934. [Transportation of pupils in special districts.] Boards of education of special school districts are authorized to provide for the conveyance of the pupils of said districts to the school or schools of the districts, the expense of said conveyance to be paid from the school fund of the special school districts; provided, however, that boards of education of such districts as provide transportation for the pupils thereof, shall not be required to transport pupils living less than one-half of a mile from the schoolhouse; transportation of pupils, in any event, being optional with the board of education. (98 v. 267; 97 v. 347; 1881, Jan. 14; 78 v. 8; Rev. Stat. 1880; 75 v. 120, § 4.)

Sec. 3935. [Abandonment or continuance of special district, election for.] When a petition is signed by not less than one-third of the electors residing within the territory constituting a special school district, whether created under the provisions of a general or special act, praying for the abandonment or continuance of such district, shall be presented to the board of education of said district, or when said board shall, by a majority vote of the full membership of the board, decide to submit the question of abandoning or continuing the special school district, it shall be the duty of the board to fix the time of holding

said election at either a special or general election and the clerk of the board shall notify the deputy state supervisors of elections, as provided in section 3931 of the Revised Statutes of Ohio, of the date of such election and the nature of the same and said supervisors of elections shall provide for the same. The clerk of the board of education shall also post notices of said election in five public places within the district. If said election be submitted at a special election in a district situated in two or more election precincts, the election shall be held at the precinct nearest the school house in said special district, by the election officers of the precinct, and all the electors of said district shall vote at said precinct. If the district is situated in two or more counties, the deputy state supervisors of the county in which said nearest election precinct is situated, shall have charge of the election. If said question is submitted at a regular election, it shall be conducted in the same manner as the election of members of the board of education. The ballot shall be in the regular form, but without the circle at the top, and shall have printed thereon "Abandonment of Special School District, Yes;" "Abandonment of Special School District, No;" or "Continuance of Special School District, Yes;" "Continuance of Special School District, No;" as the case may be. The expense of said election shall be paid in the same manner as are other school election expenses, and returns of said elections shall be made to the board of education of the special school district and if more votes are cast for abandonment than against it, or against continuance than for it, said boards shall certify the result to the board or boards of education of the township or townships having territory in said special district and the territory of said special district shall thereby revert to the township school district or districts from which it was originally taken, except as hereinafter provided for in the case of indebtedness of the special district. Otherwise said district shall continue to be and remain and be recognized and regarded as a legal special school district as theretofore constituted. The legal title of the property of the special school district shall in the event of abandonment or failure to continue become vested in the board or boards of education of the township or townships in which such property is situated. And the school funds of said special district shall be paid into the treasury of the township district and if said special district be in two or more townships, it shall be divided between them in proportion to the total tax valuation of property in the several districts, but the abandonment of a special school district shall not be deemed complete until the board of education of said district shall have provided for the payment of any indebtedness that may exist. AN ACT

To fix the rate of state taxes for the Ohio state university at Columbus, Ohio, the Ohio university at Athens, the Miami university at Oxford and the normal and industrial department at Wilberforce university, at Wilberforce.

Be it enacted by the General Assembly of the State of Ohio:

Sec. 1. Inasmuch as it is deemed desirable at this time for the state of Ohio to determine the policy of the state in regard to its support of institutions of higher learning and further desirable that the state adopt a policy in regard to the support of universities and colleges to the end that there shall be a distinct and fixed policy in regard to universities and colleges and to the end that for all time to come the policy of the state with reference to the Ohio state university, the Miami university and the Ohio university may be determined and made definite and to the end that the state of Ohio may build up one university, worthy of the state, as now begun at the Ohio state university, and at the same time to fix such a policy as shall provide for the support for the said Miami and the Ohio universities as colleges of liberal arts, which shall not include technical or graduate instruction, aside from the usual graduate work for the degree of master of arts and to determine definitely and for all time to come that the Miami university and the Ohio university shall be no greater charge on the state of Ohio so far as university purposes are concerned than provided for in this act; therefore this act is passed to set forth the policy, to-wit: That in the future no representative of the Miami university or of the Ohio university or of the Ohio state university shall violate or attempt to violate this policy herein enacted into law as a policy for the support of higher education and as a guide for future general assemblies of the state of Ohio.

Sec. 2. For the purpose of affording support to the Miami university, there shall be levied annually a tax on the grand list of the taxable property of the state of Ohio, which tax shall be collected in the same manner as other state taxes and the proceeds of which shall constitute "the Miami university fund." The rate of such levy shall be two and one-half one-hundredths (.025) of one mill upon each dollar of valuation of such taxable property. The moneys raised by means of said levy, or its equivalent in money in case the levy shall be abolished, shall be the sum total received either from the proceeds of the levy or from appropriations for the support of the college of liberal arts, and shall be used for the purposes only as set forth in section 1 of this act, and hereafter this levy shall not be increased, but this shall not be so construed as to prevent such appropriations by the general assembly from time to time as may be necessary for apparatus for university purposes, exclusive of

buildings. Provided that nothing herein shall invalidate any appropriation for the years 1906 and 1907.

Sec. 3. For the purpose of affording support to the Ohio university, there shall be levied annually a tax on the ground list of the taxable property of the state of Ohio which shall be collected in the same manner as other state taxes and the proceeds of which shall constitute "the Ohio university fund." The rate of such levy shall be two and one-half one-hundredths (.025) of one mill upon each dollar of valuation of such taxable property. The moneys raised by means of said levy, or its equivalent in money, in case the levy shall be abolished, shall be the sum total received either from the proceeds of the levy or from appropriations for the support of the college of liberal arts, and shall be used for the purposes only as set forth in section 1 of this act, and hereafter this levy shall not be increased, but this shall not be so construed as to prevent such appropriations by the general assembly from time to time as may be necessary for apparatus for university purposes, exclusive of buildings. Provided that nothing herein shall invalidate any appropriation for the years 1906 and 1907.

Sec. 4. For the purpose of affording support to the state normal school or college, in connection with the Ohio university, there shall be levied annually a tax on the grand list of the taxable property of the state of Ohio, which shall be collected in the same manner as other state taxes and the proceeds of which shall constitute "the Ohio normal school fund." The rate of such levy shall be one and one-half one-hundredths (.015) of one mill upon each dollar of valuation of such taxable property, unless otherwise designated by the general assembly of the state of Ohio; provided that nothing in this section shall be construed as preventing said normal school from securing such additional appropriations as the general assembly may in its wisdom deem fit to make from time to time for the support, maintenance and equipment of said normal school.

Sec. 5. For the purpose of affording support to the state normal school or college, in connection with the Miami university, there shall be levied annually a tax on the grand list of the taxable property of the state of Ohio, which shall be collected in the same manner as other state taxes and the proceeds of which shall constitute "the Miami normal school fund." The rate of such levy shall be one one-hundredth (.01) of one mill upon each dollar of valuation of such taxable property, unless otherwise designated by the general assembly of the state of Ohio; provided that nothing in this section shall be construed as preventing said normal school from securing such additional appropriations as the general assembly may in its wisdom deem fit to make from time to time for the support, maintenance and equipment of said normal school.

Sec. 6. No moneys derived under the levies provided for in sections 2, 3, 4 and 5 of this act shall be expended by the Miami university and by the Ohio university for maintaining or giving instructions in any other courses of study than in liberal arts and in the normal school or college branches.

Sec. 7. For the purpose of affording free the advantages to the youth of the state of a higher, technical, liberal, professional, agricultural, graduate and industrial education, including manual training, there shall be levied annually a tax on the grand list of the taxable property of the state, which shall be collected in the same manner as other state taxes and the proceeds of which shall constitute, "the Ohio state university fund." There shall be levied annually for the said purpose sixteen one-hundredths (.16) of one mill upon each dollar of valuation of such taxable property, or its equivalent in money should said levy be abolished; provided that nothing in this act shall be construed to prevent said Ohio state university from securing any appropriations that the general assembly in its wisdom may see fit to grant for the purposes as herein set forth. Provided, that the Ohio state university shall never maintain a normal school, but may establish a teachers' college or [of] professional grade; provided that nothing in this section shall prevent the board of trustees from charging incidental expense fees and also reasonable tuition fees for professional education. Any appropriations made by the 77th general assembly for Ohio state university shall not be invalidated by any provisions of this act.

Sec. 8. Nothing in this act shall be construed as preventing the boards of trustees of the Ohio state university, the Miami university, the Ohio university or the state normal schools at the Ohio university or at the Miami university from charging reasonable tuition for the attendance of pupils of any of said institutions of learning from students who are non-residents of the state of Ohio.

Sec. 9. The expenditure of all moneys under the provisions of this act or for the purposes of carrying out the provisions of this act raised or secured from any source whatsoever shall be subject to the inspection of the state bureau of public accounting, the cost of same to be paid by the university or college inspected at the cost as now provided by law.

Sec. 10. That sections 3951a and 3951b of the Revised Statutes of Ohio and sections 3, 4, 5 and 6 of an act entitled, "An act to establish normal schools at Ohio university at Athens, and at Miami university at Oxford, and to provide for the appointment of a commission to investigate and report upon the need and advisability of the future establishment by the state of one or more additional normal schools and to con-

sider in what manner and to what extent existing educational institutions other than those now supported by the state can be made more active in the better training of persons for service in the public schools," passed March 12, 1902, be and the same are hereby repealed. (98 v. 309)

Sec. 3952. [Interest upon proceeds of salt and swamp lands.]

The state shall pay interest annually, at the rate of six per cent per annum, upon all money which has been paid into the state treasury on account of sales of lands commonly called "salt lands," and upon all money heretofore paid, or which may hereafter be paid into the state treasury on account of sales of swamp lands granted to the state of Ohio by act of congress; the money received from such sales shall constitute an irreducible debt of the state; and the interest shall be apportioned annually on the same basis as the state common school fund is apportioned, and distributed to the several counties as provided in section *thirty-nine hundred and fifty-six*. (70 v. 195, § 132; 49 v. 40, § 1; S. & C. 1338.)

As to proceeds of swamp lands under the act of 1894, see Sec. 3107-120.

As to swamp lands in Paulding county, see 89 v. 232.

Sec. 3952-1. [Proceeds of sale of swamp lands to go to common school funds; how funded, and interest distributed.] The net proceeds that may hereafter be paid into the state treasury, from the sales of swamp lands granted to the state of Ohio by act of Congress passed September 28, 1850, be and the same is hereby appropriated to the general fund for the support of common schools; and the state of Ohio is hereby pledged to pay the interest, annually, on any and all sums of money which may be paid into the state treasury, from the sales of said lands, from the receipt of such money into the treasury aforesaid; and the interest arising as aforesaid shall be funded, annually, until the first day of January, in the year eighteen hundred and fifty-five; after which time the interest shall be annually distributed to the several counties in this state, in proportion to the number of male inhabitants above the age of twenty-one, as the law shall be ascertained for the apportionment of representatives; and the proportion of interest due to each and every such county shall be distributed for the support of common schools, in the respective counties, in the manner prescribed in the "act to provide for the support and better regulation of common schools". (1883, March 5; 80 v. 39; R. S. 1880; 49 v. 40; S. & C. 1338.)

Sec. 3953. [The "common school fund."] The money which has been and may hereafter be paid into the state treasury on account of sales of lands granted by congress for the support of public schools in any original surveyed township, or other district of country, shall

constitute the "common school fund," of which the auditor of state shall be superintendent, and the income of which shall be applied exclusively to the support of common schools, in the manner designated in this chapter. (70 v. 195, §§ 127, 128; S. & C. 1335.)

Sec. 3954. [Accounts of common school fund; how kept, etc.]

The common school fund shall constitute an irreducible debt of the state, on which the state shall pay interest annually, at the rate of six per cent. per annum, to be computed for the calendar year, and the first computation on any payment of principal hereafter made to be from the time of payment to and including the thirty-first day of December next succeeding; and the auditor of state shall keep an account of the fund, and of the interest which accrues thereon, in a book or books to be provided for the purpose, with each original surveyed township and other district of country to which any part of the fund belongs, crediting each with its share of the fund, and showing the amount of interest thereon which accrues and the amount which is disbursed annually to each. (70 v. 195, §§ 128, 129; S. & C. 1335.)

Sec. 3955. [Bequests, etc., in trust for common school fund.]

When any grant or devise of land, or any donation or bequest of money or other personal property, is made to the state of Ohio, or to any person, or otherwise, in trust for the common school fund, the same shall become vested in said fund; and when the money arising therefrom is paid into the state treasury, proper accounts thereof shall be kept by the auditor of state, and the interest accruing therefrom shall be applied according to the intent of the grantor, donor, or devisor. (70 v. 195, § 131; S. & C. 1336.)

Sec. 3956. [Apportionment of school funds by auditor of state.]

The auditor of state shall apportion the state common school fund to the several counties of the state semi-annually, upon the basis of the enumeration of youth therein, as shown by the latest abstract of enumeration transmitted to him by the state commissioner of common schools; before making his February settlement with county treasurers he shall apportion such amount thereof as he shall estimate to have been collected up to that time, and, in the settlement sheet which he transmits to the auditor of each county, shall certify the amount payable to the treasurer of his county; before making his final settlement with county treasurers each year, he shall apportion the remainder of the whole fund collected, as nearly as the same can be ascertained, and in the August settlement sheet which he transmits to the auditor of each county shall certify the amount payable to the treasurer of his county; in each February settlement sheet he shall also enter the amount of money payable to the county treasurer on the apportionment of

interest specified in section *thirty-nine hundred and fifty-two*; he shall also enter in each February settlement sheet the amount of money payable to the county treasurer on account of interest for the preceding year on the common school fund, and designate the source or sources from which the interest accrued; he shall transmit with each February settlement sheet a certified statement, showing the amount of interest derived from the common school fund payable to each original surveyed township or other district of country within the county; and the treasurer of each county shall, at each semi-annual settlement with the auditor of state, retain in the county treasury, from the state taxes collected by him, the amount of the funds herein mentioned shown by the settlement sheet of the auditor of state to be payable to him at that time; but if such amount for any county exceeds the amount of state taxes collected therein, the auditor of state shall draw an order on the treasurer of state, in favor of the treasurer of such county, for the balance of school funds due his county, and transmit the same to such county treasurer, and the treasurer of state shall pay such order upon its presentation to him. (70 v. 195, §§ 120, 130; S. & C. 1359.)

Sec. 3957. [To what county common school fund paid when county line divides original surveyed township.] If parts of an original surveyed township or fractional township are situate in two or more counties, the amount of interest on common school fund due to such township shall be paid in the manner provided in the last section, to the treasurer of the county wherein the greatest relative portion of such township is situate; but if it be uncertain in which county such portion is situate, the amount of interest due to such township shall be paid to the treasurer of the oldest county in which any part of the township is situate. (70 v. 195, § 130.)

Sec. 3958. [Boards of education to make local tax levy.] Each board of education shall, annually, at a regular or special meeting held between the third Monday in April and the first Monday in June, fix the rate of taxation necessary to be levied for all school purposes, after the state funds are exhausted; said levy shall be divided by the board of education into four funds, namely, first, tuition fund; second, building fund; third, contingent fund; fourth, bonds, interest and sinking fund, and a separate levy shall be made for each fund. (98 v. 248; 97 v. 349; 1884, April 14; 81 v. 177, 178; 80 v. 124, 129; 80 v. 17; Rev. Stat. 1880; 75 v. 526, § 56; 75 v. 101, § 4.)

"A notice, by a clerk of a board of education, of a tax voted by the board, to build a school house, delivered to the auditor on the 11th day of June, is sufficient authority to the auditor for carrying the tax into his duplicate." 11 Western Law Monthly, 589.

"It is a general rule that statutes, so far as they limit a time for the performance of an act by a public officer, for the public benefit, are merely directory, when *time* is not the *essence* of the thing to be done, unless there are negative words, and the act is valid if done afterwards.

Tuition from non-resident pupils is to be paid to the board of education, and placed in the contingent fund. A teacher has absolutely no authority to retain money received for tuition of non-resident pupils.

Sec. 3958a. [Joint board consisting of the boards of education of township and special school districts may levy a tax.] Provided that in all cases of special school districts, now existing or that may hereafter be created, lying wholly within one civil township, and in cases where the special school district lies in and is part of two or more civil townships of the same or different counties, and in all cases where there are two or more special school districts lying wholly or partly within one civil township, there may be levied a tax for school purposes, not exceeding six mills, on the duplicate of all the taxable property in such township and lying outside of all city and village school districts that may be therein, which levy shall be made when a petition in writing signed by two-thirds of the electors of said civil township is filed with the clerk of the board of education of such township, by a joint board consisting of the board of education of that township and of the board of education of the special school district, or of the board of education of that township and of the boards of education of the special school districts as the case may be, acting in joint session, at a meeting or meetings to be called for that purpose, by the president of the board of education of the township between the third Monday in April and the first Monday in June of each year; or, if said boards fail to meet as aforesaid, or fail to agree and make a levy as herein provided, then such levy shall be made by the county commissioners on the application of either board. The funds raised from such levy shall be divided between the board of education of the township and of the special school district, or between the board of education of the township and the boards of education of the special school districts, as the case may be, in proportion to the number of children of that township of school age living in the township outside of the special school district and living in the township within the special school district or districts, as the case may be. In addition to this general levy made by the joint boards, either board may levy an additional tax, not to exceed six mills, on the duplicate of all the taxable property within its own territory; the funds arising from this additional levy to be used only for the schools within the territory where such additional levy is made; and provided further that in event the levy so made by said boards is inequitable to either, or insufficient to provide funds for and maintain the schools in either the township or special school districts, then either board may appeal to the

county commissioners of the county in which the township is situated to adjust and make said levy; and said commissioners may then make such levy, not exceeding six mills, for the purposes named in this section, as they may deem just and equitable and sufficient to provide for and maintain the schools in said township and school districts; and provided further, that in the event either of said boards of education meet to fix a levy for school purposes, as provided in section 3958, before the levy is fixed by the joint board as herein provided, and the levy so made by said board of education, acting independently, is more than six mills on the dollar of valuation of taxable property in its school district, then the excess of the levy so made over and above the six mills shall be subject to division in proportion and manner as provided in this section, between the township and special districts. (98 v. 248; 90 v. 349.)

Sec. 3958-1. Repealed 97 v. 379.

Sec. 3958-2. Repealed 97 v. 379.

Sec. 3959. [Maximum tax levy for school purposes; when greater tax may be levied.] The local tax levy for all school purposes shall not exceed twelve mills on the dollar of valuation of taxable property in any school district, and in city school districts shall not be less than six mills, but said levy shall not include any special levy for a specified purpose, provided for by a vote of the people. A greater or less tax than is authorized herein may be levied for any or all school purposes, and any board of education is authorized to make an additional annual levy of not more than five mills for any number of consecutive years not exceeding five, if the proposition to make such levy or levies shall have been submitted, by the board of education, to a vote of the electors of the school district, under a resolution prescribing the time, place and nature of the proposition to be submitted, and approved by a majority of those voting on the proposition; notice of such election must be given by publication of the resolution for three consecutive weeks prior thereto in some newspaper published and of general circulation in the district, or by posting copies thereof in five of the most conspicuous places in the district for a like period, if no such paper is published therein. (98 v. 127; 97 v. 349; 94 v. 391.)

Sec. 3960. [Rate of levy to be certified to county auditor.] The amount of the levy fixed by the boards of education under sections thirty-nine hundred and fifty-eight (3958), thirty-nine hundred and fifty-eight *a* (3958*a*) and thirty-nine hundred and fifty-nine (3959), shall be certified to the county auditor in writing, on or before the first Monday in June of each year by the boards of education, and on or before the first Monday in August of each year by the county commissioners when the levy is made by them, who shall assess the entire amount upon all the taxable

property of the district, and enter it upon the tax duplicate of the county, and the county treasurer shall collect the same at the time and in the same manner as state and county taxes are collected, and pay it to the treasurer of the district upon the warrant of the county auditor; and unless the county treasurer is paid a fixed salary he shall receive one per centum on all money so collected, and no more. (98 v. 249; 97 v. 349; 70 v. 195, §§ 57, 58.)

Boards of education required to certify levy for building and other purposes, to the county auditor, in addition to the levy provided for in Secs. 3960, 3960; see Sec. 3992.

Where a board of education certifies an estimate of a school tax to the county auditor, who places the same on the tax list in a reduced form, a citizen and taxpayer of the school district who, five months thereafter, seeks by mandamus on his own relation, to compel the auditor to place the original estimate on the tax list, must satisfy the court that the board of education did not consent to the reduction. 39 O. S., 456.

County commissioners to act as board of education in case the latter neglects to perform its duty; see Sec. 3960.

Sec. 3961. Repealed 97 v. 379.

Sec. 3961a. Repealed 97 v. 379.

Sec. 3962. Repealed 97 v. 379.

Sec. 3963. [Tax levy and funds of district in two or more counties.] When a school district is composed of territory in two or more counties the rate of taxation shall be ascertained by the board of education of such district and shall be certified to the auditors of the several counties and such county auditors shall place the same on the tax duplicate and the same shall be collected as provided in section *thirty-nine hundred and sixty* of the Revised Statutes of Ohio. The funds belonging to a district composed of territory in more than one county shall be paid by the treasurers of the other counties to the treasurer of the county having the greatest tax valuation in said district; the auditors of the other counties shall make settlement on account of such funds with the auditor of the county having said greatest tax valuation; and the treasurer of the district shall make the settlement required by section *thirty-nine hundred and sixty-six* of the Revised Statutes of Ohio, with such auditor. (97 v. 350.)

Sec. 3964. [Apportionment of school fund by county auditor.] Each county auditor shall, immediately after each annual settlement with the county treasurer, apportion the school funds for his county; the state common school fund shall be apportioned in proportion to the enumeration of youth in each of the several school districts within the county, but if an enumeration of the youth of any district has not been taken and returned for any year, such district shall not be entitled to receive any portion of said fund; the local school tax collected from the several districts shall be paid to the districts from which it was collected; money received from the state on account of interest on the

common school fund shall be apportioned to the school districts and parts of school districts within the territory designated by the auditor of state as entitled thereto, in proportion to the enumeration of youth therein, and all other money in the county treasury for the support of the common schools, and not otherwise appropriated by law, shall be apportioned annually in the same manner as the state common school fund. (97 v. 350; 1880, March 9; 77 v. 58; Rev. Stat. 1880; 70 v. 195, § 120.)

The auditor's duty to apportion the state common school fund among the districts, according to the number of youth (Sec. 3964), is not excused by his inability to apportion other funds. His failure to apportion such fund does not authorize the township school board to treat it as a contingent fund and apportion it at discretion. Hence, the indebtedness of the township board for building school houses in an amount exceeding all the funds is no defense to a salary order of a teacher in a sub-district, entitled to one-fourth of the state common school fund, its contingent fund being exhausted. 9 C. C., 13.

Sec. 3965. [Distribution of money after apportionment.] The auditor shall immediately after such apportionment is made, enter the same in a book to be kept for that purpose, and furnish a certified copy of the apportionment to each school treasurer and clerk of his county; and he shall give to each of such treasurers an order on the county treasurer for the amount of money payable to him, and take his receipt therefor. (70 v. 195, § 120.)

Boards of education can leave school moneys in county treasury and draw the same from time to time in amounts of not less than one hundred dollars; see Sec. 1122.

County auditors shall in no case permit treasurer to have in his hands school funds amounting to more than the amount of his bond; see Sec. 4048.

Sec. 3966. [Apportionment of common school fund by county auditor when county line divides original surveyed township.] When an original surveyed township or fractional township is situate in two or more counties, and the land granted thereto by congress for the support of public schools has been sold, the auditor of the county, to whose treasurer the interests on the proceeds of such sale is paid, shall apportion such interest to the counties in which such township is situate, in proportion to the youth of the township enumerated in each; such auditor shall certify to the auditor of each of the other counties the amount so ascertained to belong to the part of the township situate in his county, and transmit to the treasurer of each of such counties an order on the treasurer of his own county for such amount; and the auditor of each county shall apportion the amount of such interest belonging to the part of the township in his county, to the districts or parts of districts entitled thereto, in proportion to the enumeration of youth therein, and certify and pay the same to the proper school officers, as provided in the preceding section. (70 v. 195, §§ 121, 122; 72 v. 63, § 36.)

treasurer and clerk of each school district shall exhibit the amount of money received by each district from the state, the amount received from any special tax levy made for a particular purpose as well as the amount received from local taxation of a general nature; the amount received from the state common school fund and the common school fund shall be designated the "tuition fund" and shall be appropriated only for the payment of superintendents and teachers; the funds received from special levies shall be designated in accordance with the purpose for which the special levy was made and shall be paid out only for such purpose, but when a balance remains on [in] such fund after all expenses incident to the purpose for which it was raised shall have been paid, such balance shall become a part of the contingent fund and it shall be the duty of the board of education to make such transfer by resolution; the funds received from the local levy for general purposes shall be designated as indicated in section *thirty-nine hundred and fifty-eight*, so as to correspond to the particular purpose for which the levy was made; all moneys coming from sources not enumerated herein shall be placed in the contingent fund. (97 v. 350; 1885, March 20; 82 v. 92; Rev. Stat. 1880; 70 v. 195, § 60.)

Inasmuch as the larger subdistricts receive more of the state funds than the smaller subdistricts, the latter ought to receive proportionately more of the township tuition fund than the former. If, however, the larger subdistricts contain two or more schools, or actually require more tuition money than the smaller to sustain their schools an equal length of time, they are entitled to more.

In the larger subdistricts township boards of education may, in some instances, be obliged to pay higher wages than the smaller. The intention of the law is to require boards of education to provide the necessary funds, all the circumstances being duly considered, for continuing the schools of the several subdistricts an equal length of time.

The adding together of the state and contingent funds, and then dividing the sum equally among the several subdistricts, as is so frequently done by township boards, is not a compliance with either the letter or the spirit of the law. An *equal* division, except in rare instances, cannot be an equitable division.

The amount of funds apportioned to any sub-district for school purposes in any one year cannot be increased or diminished by reason of any deficit or surplus in the funds previously apportioned to that sub-district or to any other sub-district. 2 C. C., 475.

Sec. 3968. [Depositories for school funds, boards of education may provide.] The board of education of any school district shall have authority to provide by resolution for the deposit of any or all moneys coming into the hands of the treasurer of the board. Provided, however, that no bank shall receive a larger deposit than the amount of its paid-in capital stock, and in no event to exceed three hundred thousand dollars (\$300,000.00). In school districts containing two or more banks such deposit shall be made in the bank or banks, situated in the district, that shall offer at competitive bidding the highest rate of interest which in no case shall be less than two per cent. for the full time the funds or any part thereof are on deposit, and such bank or banks shall give a good and sufficient bond of some approved guaranty company in a

sum at least equal to the amount deposited, and it shall be the duty of the treasurer of the school district to see that a greater sum than that contained in the bond is not deposited in such bank or banks and said treasurer and his bondsmen shall be liable for any loss occasioned by deposits in excess of such bond; the board shall determine in such resolution the method by which such bids shall be received, the authority which shall receive them, the time for which such deposits shall be made and all details for carrying into effect the authority herein given, but all such proceedings in connection with such competitive bidding and deposit of such moneys shall be conducted in such a manner as to insure full publicity and shall be open at all times to public inspection; if in the opinion of a board of education there has been any collusion between the bidders, said board may reject any or all bids and may provide for the deposit of funds in a bank or banks without the district as hereinafter provided for in districts not having two or more banks located therein. In all school districts containing less than two banks the board of education may, after the adoption of a resolution providing for the deposit of its funds, enter into a contract with one or more banks that are conveniently located and offer the highest rate of interest, which shall in no case be less than two per cent. for the full time the funds or any part thereof are on deposit, and said bank or banks shall give good and sufficient bond of some approved guaranty company in a sum at least equal to the amount deposited and it shall be the duty of the treasurer of the school district to see that a greater sum than that contained in the bond is not deposited in such bank or banks, and said treasurer and his bondsmen shall be liable for any loss occasioned by deposits in excess of such bond; said resolution and contract shall set forth fully all details necessary to carry into effect the authority herein given and all proceedings connected with the adoption of said resolution and the making of said contract shall be conducted in such a manner as to insure full publicity and shall be open at all times to public inspection. When a depository is provided as authorized herein and the funds are deposited therein, the treasurer of the school district and his bondsmen shall be relieved of any liability occasioned by the failure of the bank or banks of deposit or by the failure of the guaranty company acting as surety for such bank or banks or by the failure of either of them, except as herein provided in cases of excessive deposits. (97 v. 351; 1884, Feb. 26; 81 v. 26; Rev. Stat. 1880; 75 v. 526, § 56.)

Sec. 3969. [When a board of education fails to provide proper school facilities the county commissioners shall act.] If the board of education in any district fail in any year to estimate and certify the levy for a contingent fund as required by this chapter, or if the amount so certified is deemed insufficient for school purposes, or if it fail to

provide sufficient school privileges for all the youth of school age in the district or to provide for the continuance of any school in the district for at least seven months in the year, or to provide for each school an equitable share of school advantages as required by this title, or to provide suitable school houses for all the schools under its control, or to elect a superintendent or teachers, the commissioners of the county to which such district belongs, upon being advised and satisfied thereof, shall do and perform any or all of said duties and acts, in as full a manner as the board of education is by this title authorized to do and perform the same; and the members of a board who cause such failure shall be each severally liable, in a penalty not to exceed fifty nor less than twenty-five dollars, to be recovered in a civil action in the name of the state upon complaint of any elector of the district, which sum shall be collected by the prosecuting attorney of the county, and when collected shall be paid into the treasury of the county, for the benefit of the school or schools of the district. (97 v. 352; 72 v. 59, § 59.)

An appointment of superintendent of schools by the county commissioners on failure of a village school board to elect is the same as if appointed by the board; he is to be paid out of its funds. 3 N. P., 236.

Several questions have come up under this section. In solving any doubts that have arisen, it has seemed proper to consider that the *purpose* of the section is to provide an absolute remedy against the suspension of a school, and to assure to each pupil in the State reasonably convenient facilities for attending school the minimum length of the school year.

If, however, a board has levied up to the full limit allowed by law, and the sum produced is not sufficient to continue the schools of the district for the minimum length of the school year, there seems to be no remedy. But if a levy under this limit fails to sustain the schools for the minimum time prescribed in this section then an appeal should be made to the county commissioners, whose duty it will be to raise the levy to the highest limit warranted by the law; and they will be justified in acting as soon as they are satisfied that the amount levied by the board of the district will be insufficient to meet the demands of the law.

If, under any circumstances, a board of education of a city, village or special district stands a tie in its organization so that it cannot act for months together, and as a result teachers or other employees cannot be paid or other necessary business transacted, the county commissioners should be appealed to under the provisions of this section. Summit County Court of Common Pleas, April Term, 1896. *State of Ohio on relation of Frederick Schnee v. The Board of Education of Cuyahoga Falls, Ohio, and Charles H. Howland, President, M'Con Moore, Clerk, and M. D. Card, Treasurer of said Board of Education.* The board of education of Cuyahoga Falls, consisting of six members, failed to elect a superintendent of schools of that district, by reason of an equal division of the members of the board as to the re-employment of the former superintendent, and in consequence of such division, no appointment or election of a superintendent was made until after the commencement of the schools in September, 1896, when the county commissioners of Summit county, being duly advised, at a regular meeting appointed a superintendent of schools for that district, under and by virtue of section 3909 of the Revised Statutes of Ohio: *Held*, That such action of the county commissioners was legal, and that the superintendent so appointed held his office as superintendent the same as if appointed by the board of education, and was entitled to receive his pay. And that where the treasurer of the school district refuses to pay an order for his salary, mandamus is the proper remedy. (Decided July 30, 1896.)

Sec. 3970. [County auditor to collect fines, etc., and inspect section sixteen accounts.] The auditor of each county shall collect, or cause to be collected, all fines and other money, for the support of common schools in his county, and pay the same to the county treasurer;

The board of education of every district shall provide a sinking fund for the extinguishment of all its bonded in-

debtedness, which sinking fund shall be managed and controlled by a board of commissioners designated as the "Board of Commissioners of the Sinking Fund of _____" (inserting the name of the district), which shall be composed of five electors thereof, and who shall be appointed by the court of common pleas of the county in which such district is chiefly located, provided, that in city or village districts the board of commissioners of the sinking fund of the city or village may be the board of commissioners of the sinking fund of the school district; the commissioners of the sinking fund shall serve without compensation and shall give such bond as the board of education may require and approve, provided that any surety company authorized to sign such bonds may be accepted by such board of education as surety, and the cost thereof, together with all necessary expenses of the commissioners of the sinking fund shall be paid by said commissioners out of the funds under their control. (97 v. 352; 90 L. L. 97.)

Sec. 3970-2. [How sinking fund invested.] The board of commissioners of the sinking fund shall invest the sinking fund in bonds of the United States, of the state of Ohio, of any municipal corporation, county, township or school district of any state or in bonds of its own issue. All interest received from such investments shall be deposited as other funds of said sinking fund, and reinvested in a like manner. For the extinguishment of any bonded indebtedness included in said sinking fund, the board of commissioners of the sinking fund is authorized to sell or use any of the securities or money of said fund. (98 v. 45; 97 v. 353; 90 L. L. 97.)

Sec. 3970-3. [Refunding, renewing or extending bonded debt.] The board of commissioners of the sinking fund may refund, extend or renew the bonded debt of the school district or any part thereof, existing at the time of the taking effect of this act, by issuing the bonds of said school district for such periods, not exceeding twenty years, in such denomination, payable at such place and at a rate of interest not to exceed the rate previous to such refunding, extension or renewal; provided that the aggregate amount of the refunding, extending or renewing bonds so issued shall not exceed that of the bonds so refunded, extended or renewed. [Boards of education may accept bequests, gifts or endowments; limitation on same.] Any board of education may, by the adoption of a resolution, accept any bequest made to them by will or may accept any gift or endowment from any person or corporation, upon the conditions and stipulations contained in the will or connected with the gift or endowment; and for the purpose of enabling such boards to carry out the conditions and limitations upon which the bequest, gift or endowment is made, they are authorized to make all rules and regulations that may be required to fully carry into effect the provisions of said bequest, gift or endowment; but no such bequest, gift or endowment shall be accepted by any board of education when the conditions of the same shall remove any portion of the public schools from under the control of said board. (97 v. 335; 73 v. 205, § 2.)

Sec. 3976. [Process against boards and how served.] The process in all suits against a board of education shall be by summons, and shall be served by leaving a copy thereof with the clerk or president of the board. (70 v. 195, § 68.)

Sec. 3977. [Prosecuting attorney and city solicitor to act as legal adviser of boards of education.] The prosecuting attorney shall be the legal adviser of all boards of education in the county in which he is serving, except in city school districts, he shall prosecute all actions against a member or officer of a board of education for malfeasance or misfeasance in office, he shall be the legal counsel of said boards or the officers thereof in all civil actions brought by or against them and shall conduct the same in his official capacity; provided, that when said civil action is between two or more boards of education in the same county said prosecuting attorney shall not be required to act for either of them. In city school districts the city solicitor shall be the legal adviser and attorney for the board of education and shall perform the same services for said board of education as is herein required of prosecuting attorneys for other boards of education. The duties herein prescribed shall devolve upon any official serving in a capacity similar to that of prosecuting attorney or city solicitor for the territory wherein a school district is situated, regardless of his official designation. No prosecuting attorney, city solicitor or other official acting in a similar capacity shall be a member of the board of education. No compensation in addition to such officers' regular salary shall be allowed for such services. (97 v. 355; 1882, March 2; 79 v. 26; Rev. Stat. 1880; 70 v. 195, § 69.)

It has been held by attorneys for the state that, since a board of education by the provisions of section 3971 is a body politic and corporate, and is vested with the power of suing and being sued, it is authorized, by implication, to employ legal counsel to assist the prosecutor in any case in which the board is plaintiff or defendant.

Sec. 3978. [Special meetings, how called.] A special meeting of a board of education can be called by the president or clerk of the board or by any two members thereof, by serving a written notice of the time and place of such meeting upon each member of the board, either personally or at his residence or usual place of business, said notice to be signed by the official or member calling the meeting. (97 v. 355; 93 v. 47; 89 v. 95; 70 v. 195, § 43.)

Sec. 3979. [Oath of members and other officers.] Each person elected or appointed a member of a board of education, or elected or appointed to any other office under this title, shall, before entering upon the duties of his office, take an oath or affirmation to support the constitution of the United States and the constitution of the state of Ohio, and that he will perform faithfully the duties of his office; which oath or affirmation may be administered by the clerk or any member of the board. (71 v. 15, § 42.)

A person so elected may appear before any person authorized by law to administer an oath, and may take his oath of office. This should be done in case the member-elect is, for any reason, unable to attend the meeting for organization. The certificate of the officer administering the oath should be sent to the board and copied in the records, to obviate all questions. For the same reason, a record should be made of the oath administered to each member.

Officers who have sworn to perform official duties may be compelled to perform them by writ of *mandamus*. This writ issues from the supreme, district or common pleas court. R. S., section 6742, as amended 1880.

They also may be restrained from doing illegal acts under color of authority as officers, by writ of injunction. This writ issues from the supreme or common pleas court, or a judge of either; or from the probate court, in case none of the above named judges are in the county. R. S., section 5573.

But to boards of education is left large discretion as to the manner of performing their official duties, and courts will not interfere with this discretion. 23 O. S., 211.

Officers required by law to exercise their judgments, are not answerable for mistakes of law or mere errors of judgment, where there is neither fraud nor malice. *Jenkins v. Waldron*, 11 Johnson's Rep., 114.

An officer acting within the scope of his authority is only responsible for an injury resulting from a corrupt motive. 17 Ohio, 402.

A public officer who is required by law to act in certain cases, according to his judgment or opinion, and subject to penalties for his neglect, is not liable to a party for an omission arising from a mistake or want of skill, if acting in *good faith*. *Seamen v. Patten*, 2d Cain's Rep., 312.

But an officer entrusted by the common law or by statute is liable to an action for *negligence* in the performance of his trust or for *fraud* or neglect in the execution of his office. *Jenner v. Joliffe*, 9 John Rep., 381.

The performance of any act prohibited by statute, or any willful neglect of duty, and for which no penalty is provided by enactment, is a misdemeanor.

qualify within ten days after the organization of the board or of his appointment, removal from the district, or from other cause, shall be filled by the board of education at its next regular or special meeting or as soon thereafter as possible for the unexpired term. A majority vote of all the remaining members of the board can fill any vacancy or vacancies that may exist in said board. (97 v. 355; 93 v. 48; 89 v. 95; 88 v. 54; 70 v. 195, § 43.)

A resignation takes effect from its date and not from its acceptance, at least to authorize filling the vacancy, the common law rules requiring an acceptance being abrogated in Ohio except where otherwise specially provided. 61 O. S., 74.

Where one, elected to an office, dies before his term begins, no vacancy is thereby created in the office until the end of the term of the existing incumbent; and if this falls within thirty days of the next proper election (Sec. 11, R. S.), the vacancy cannot be filled by an election thereat. 55 O. S., 195.

Temporary absence from home will not vacate an office; but if such absence creates embarrassment the holder ought to resign.

Vacancies in a board of education should be filled at the earliest possible date, and before the transaction of business by the board.

Sec. 3982. [Quorum; majority of all members required in certain cases; roll call; pay roll.] A majority of the board of education shall constitute a quorum for transaction of business; upon a motion to adopt a resolution authorizing the purchase or sale of property, either real or personal, or to employ a superintendent, teacher, janitor, or other employe, or to elect or appoint an officer, or to pay any debt or claim, or to adopt any text book, the clerk of the board shall call, publicly, the roll of all the members composing the board, and enter on the record required to be kept the names of those voting "aye" and the names of those voting "no"; if a majority of all the members of the board vote "aye," the president shall declare the motion carried; and upon any motion or resolution any member of the board may demand the yeas and nays, and thereupon the clerk shall call the roll and record the names of those voting "aye" and those voting "no," provided, that boards of education may provide for the payment of superintendents, teachers and other employes by payroll if deemed advisable, but in all cases the roll call and record, provided for herein shall be complied with. (97 v. 356; 71 v. 15, § 42.)

Records of quasi corporations are not considered of that absolute verity that parol testimony is inadmissible to show facts upon which the record is silent. 5 O., 138.

See 22 O. S., 144, under Sec. 8974.

An agreement by members of a township board of education, acting in their individual capacity, to purchase from another person apparatus for the schools of the township, and to ratify such contract of purchase at the next meeting of the board, is contrary to public policy, and therefore illegal and void, and not enforceable either against the board or the members thereof as individuals. 29 O. S., 419.

The order of the clerk on the treasurer is not negotiable, and the written acceptance of an order by a treasurer who has gone out of office imposes no greater obligation on the treasurer to pay than if it had been presented without such endorsement. 22 O. S., 144.

Calling the roll and entering the "ayes" and "noes" is mandatory else the election is void. 52 O. S., 138.

Provisions Applying to all Boards.

Ch. 7.

Where the minutes show the aye and nay vote and how each member voted but does not state expressly that the roll was called, this is sufficient compliance with this section. 18 C. C., 207.

An election to fill a vacancy on the board is not an election of an officer and would not come under the provisions of this section.

In case a board should really lose half or more of its members, the county commissioners must keep up the schools. As they may do all that a board could do, they may appoint a new board, or members enough to proceed with the appointments to the completion of a new board; see Sec. 3969.

In all cases except those which are declared to require a majority of all the members composing the board, a majority of a quorum is sufficient to pass a measure, and the roll need not be called unless demanded by a member of the board.

No member of a board can delegate his power to act to another person, either a member of the board or otherwise. It is said that this is sometimes done. But acts depending on such delegated votes are void. For heavy penalty attached to such assumption of official duty, see Revised Statutes, Sec. 6913.

Sec. 3983. [Absence of president or clerk.] If, at any meeting of the board, either the president or the clerk is absent, the members present shall choose one of their number to serve in his place pro tempore; and if both are absent, both places shall be so filled; but on the appearance of either at the meeting, after his place has been so filled, he shall immediately assume the duties of his office. (70 v. 195; § 31.)

Sec. 3984. [Record of proceedings and attestation thereof.] The clerk of the board shall record the proceedings of each meeting, in a book to be provided by the board for that purpose, which shall be a public record; the record of proceedings at each meeting of the board shall be read at its next meeting, corrected if necessary, and approved, and the approval shall be noted in the proceedings; and after such approval the president shall sign the record, and the clerk shall attest the same. (70 v. 195, § 29; 71 v. 15, § 42.)

A board of education can speak only through its records, and these must accordingly be complete, showing just what the board did, and no more. A motion made by a member, seconded by another member, stated by the president, and voted on by the board, is business, and is to be recorded, though not a single member voted for it. Any vote upon it, as to refer, to postpone, or to lay upon the table, is action, and should be recorded. If the board adjourn pending the consideration of the motion, the motion should be recorded. If the mover withdraws the motion, by consent of the board, by general consent it may also be omitted from the records.

The records of a special meeting should state by whom the meeting was called, as the legality of the proceedings depends upon the legality of the call.

If a record is inadequately entered, parol evidence may, it seems, be admitted to show that action was taken which is not found on the records at all. The commissioner of schools of Rhode Island decided, under instruction of Judge Brayton, of the supreme court, that "imperfections in a clerk's record of a resolution do not render invalid a tax properly voted." Yet all these imperfections in the record lead to trouble—some litigation, often to questions which only courts of law can decide, and in which their decision may be such as to defeat what was attempted to be done in the case.

The power to amend the records exists with the clerk while he is in office, but not after his term expires, nor for any purpose other than to make them truthful and complete as to fact. 11 Mass., 477; 17 Maine, 444.

Records of quasi corporations are not considered of that absolute verity that parol testimony is inadmissible to show facts upon which the record is silent. 5 Ohio, 136.

Recording of vote in certain cases; see Sec. 3982.

See 5 O., 136, under Sec. 3982.

Ch. 7. Provisions Applying to all Boards.

Where a board at a regularly called meeting, makes a contract with a qualified teacher, but no record is made of the proceedings, the teacher may prove, if he can do so by competent paroled testimony, such official action of said board. 8 C. C., 517.

Sec. 3985. [Boards to make rules; illegal meetings.] The board of education of each district shall make such rules and regulations as it may deem necessary for its government and the government of its appointees and the pupils of the schools; and no meeting of a board of education not provided for by its rules or by law shall be legal unless all the members thereof have been notified as provided for in section *thirty-nine hundred and seventy-eight*. (97 v. 356; 70 v. 195, § 54.)

As the act authorizing the board to make rules does not provide how they shall be enforced, the board has discretionary power over the subject. A rule that a pupil not prepared with a rhetorical exercise should be suspended unless excused for cause is reasonable. Neither the board nor the teacher suspending a pupil under such rule is liable for damages. 29 O. S., 89.

The rules must not be inconsistent with Sec. 3982, 52 O. S., 128, 149.

See 2 C. C., 510, under Sec. 4020-14.

If a deliberative body adopts rules, but no rule for suspending a rule, a suspension cannot be by a bare majority, for the rule would then have no force as a rule. 2 C. C., 510, 517.

Corporal punishment may be inflicted if such are the rules of the school, and an unknown predisposition to certain diseases will not make an otherwise proper punishment tortuous. 4 B., 81.

A reporter is on the floor of a school board as a privilege and not as a right, a gallery being provided for the rest of the public, and the board may expel him. 9 B., 242.

SCHOOL DISCIPLINE.

The conduct of the pupils upon any part of the premises connected with the school house or in the immediate vicinity of the same (the pupils being thus virtually under the care of the teacher), whether within the regular school hours or before or after them, is properly cognizable by the teacher. And any disturbance made by them within the range injuriously affecting in any way the interests of the school, may clearly be the subject of reproof and correction by the teacher. Barden, School Law, p. 79.

The right of a schoolmaster to correct his scholars has always been practically and judicially sanctioned, but the chastisement must not exceed the limits of moderate correction; and though courts are bound, with a view to the maintenance of necessary order and decorum in schools, to look with all reasonable indulgence upon the exercise of this right, yet, whenever the correction shall appear to have been clearly excessive and cruel, it must adjudged illegal. 19 Vt., 108.

The parent may be said to exercise a judicial authority in determining what punishment by himself, is proper for his child, but is liable, criminally, in a clear case of excess. Johnson v. State, 2 Hump, 283. The teacher also acts judicially in such a case, and is not to be made liable, civilly or criminally, unless he acted with express malice, or was guilty of such excess that malice must be implied. 2 Dev. and Bat., 365; 4 Ind. R., 290.

Whether under the facts the punishment is excessive, must be left to the jury to decide. Commonwealth of Massachusetts v. Randall, 4 Gray, 38.

If the effects of acts done out of school houses reach within the school-room during school hours, and are detrimental to good order and the best interests of the pupils, it is evident that such acts may be forbidden. 31 Ia., 502.

Though a schoolmaster has, in general, no right to punish a pupil for misconduct committed after the dismissal of school for the day and the return of the pupil to his home, yet he may on the pupil's return to school, punish him for any misbehavior, though committed out of school, which has a direct or immediate tendency to injure the school and to subvert the master's authority. 32 Vt., 114.

While the decisions in Ohio are very limited on this subject, it seems to be the consensus of opinion throughout the different states that the teacher's authority over a pupil extends to all actions taking place in the immediate vicinity of the school; that on the pupil's way to and from school the authority of the parent and teacher is concurrent, the parent taking precedent when both are present, and that the teacher can call a pupil to account for misconduct, committed at any time, tending to impair the usefulness of the school or to subvert the teacher's authority.

Provisions Applying to all Boards.

Ch. 7.

A court may review the action of a board and pass upon the reasonableness of any of its rules, but if they have erred, while discharging their duty in good faith, they are not liable to action therefor. 32 Vermont, 224.

The act of the board of education and the teachers, in matters of organizing, grading, and governing the school, will be conclusive, unless the power is abused or perverted under some apparently reasonable pretense. 23 Pick., 224; 2 Cushing, 198.

"A teacher, in the exercise of the power of corporal punishment, must not make such power a pretext for cruelty and oppression; but the cause must be sufficient, the instrument suitable, and the manner and extent of the correction, the part of the person to which it is applied, and the temper in which it is inflicted, should be distinguished with the kindness, prudence, and propriety which become the station." *Cooper v. McJunkin*, 4 Ind., 290.

A schoolmaster is not relieved from liability in damages for the punishment of a scholar which is *clearly* excessive and unnecessary, by the fact that he acted in good faith and without malice, honestly thinking that the punishment was necessary, both for the discipline of the school and the welfare of the scholar.

If there is any reasonable doubt whether the punishment was excessive, the teacher should have the benefit of the doubt. *Lander v. Seaver*, 32 Vt. R., 123; *Wharton's American Crim. Law*, 1250, and 1 *Sanders on Pl. Ev.*, 144.

In the case of *Martin Quinn v. Mary D. Nolan*, a suit tried in the superior court of Cincinnati, Judge Harmon, in charging the jury, used the following language:

"If the jury should find the defendant did not, in view of all the circumstances, inflict a greater degree of punishment upon the plaintiff's son than she was fairly entitled to do, and was proper, of course they must find for defendant. But, if they should find she did go beyond that, then it would be necessary to go further and inquire into the damages that should be allowed. The law holds a person responsible only for the natural and ordinary consequences of his acts, these consequences which the law presumes he might or should have foreseen at the time he committed the act. Therefore, it might make a difference in the amount of their finding if it should appear that the child was afflicted with or predisposed to certain diseases, and the defendant had no notice thereof from his parents, the boy himself, his appearance, or otherwise. If the defendant, from the knowledge she had of the boy and his appearance, would be justified in supposing him to be like other boys of his age, and inflicted only a proper punishment, then she would not be liable at all, even though unfortunately some hidden defect in the boy's constitution should cause injury to his health to follow. Or, if they should find for the plaintiff, this fact of ignorance on her part would prevent her from being liable for any consequence arising from such weakness or predisposition in the boy, of which she was ignorant in fact, and of which his appearance furnished no warning. It is the duty of parents who send their children to school, whose health or disposition would render the punishment permitted by the rules of the school dangerous or improper, to see the teacher is informed of the fact."

Sec. 3986. [Board may make and enforce rules for vaccination.]

The board of each district may make and enforce such rules and regulations to secure the vaccination of, and to prevent the spread of smallpox among the pupils attending or eligible to attend the schools of the district, as in its own opinion the safety and interest of the public require; and the boards of health and councils of municipal corporations, and the trustees of townships, shall, on application of the board of education of the district, provide at the public expense, without delay, the means of vaccination to such pupils as are not provided therewith by their parents or guardians. (69 v. 22, § 1.)

Sec. 3986-1. [Display of U. S. flag.] All boards of education be authorized and required to display the U. S. national flag upon all school houses under their control, during all day school sessions in fair weather, and to be displayed on the inside of the school house on all other days, and said boards of education shall make all rules and necessary regula-

tions for the care and keeping of such flags, the expense of the same to be paid out of the contingent funds of such boards. (92 v. 86.)

Sec. 3. [Terms of office of existing officers of boards of education, 1904.] All existing officers of boards of education and school councils shall hold their respective offices until boards of education are elected and organized under the provisions of this act; but no officer elected or appointed to fill a vacancy occurring in any such office shall be appointed to serve for a longer period than that ending on the 31st day of August, 1905. A board of education will be enjoined in the exercise of its discretion where it attempts without any valid reason or necessity to expend the public funds for the erection of a new school house in another place in the district when the old one is suitable and satisfactory and located near the center of the district. 13 C. C., 258.

See 15 C. C., 565, under Sec. 3995.

What is apparatus? See 51 O. S., 199, under Sec. 3995.

"School and reading charts"; see 2 C. C., 363, under Sec. 3995.

The law requires, under severe penalties to be visited on those who have control thereof, that "all school houses are to have ample means of convenient egress, and doors opening outward." For requirements as to certificates regarding the safety of such buildings, and the penalties relating to neglect, see Revised Statutes, sections 2568, 2572 and 7010, (amended 1883).

As to any building otherwise "in a condition dangerous to life or health," see Revised Statutes, sections 2128 and 2406.

Concerning the full power of boards of education, teachers, or other citizens, to secure protection against the injury or defacement of "school houses, school yards, trees, fences, gates and bars," see Revised Statutes, section 6863, also sections 6877 and 6896, as quoted under section 3972. Any citizen may prosecute the transgressor in these cases. School houses, school furniture, and other school property belonging to the township, and not to the subdistrict, are entirely under the legal control of the township board.

It is the duty of the township board of education to exercise such supervision over the school houses in the several subdistricts, as may be necessary to prevent their being used in such a manner and for such purposes as may interfere with their use, for the legitimate and special purposes for which they were erected.

Sec. 3987-1. [Regulating use of school houses.] That when, in the judgment of any board of education, it will be for the advantage of the children residing in any school district to hold literary societies, school exhibitions, singing schools, religious exercises, select or normal schools, the board of education shall authorize the opening of such school houses for the purposes aforesaid. And the board of education of any school district shall have discretionary power to authorize the opening of such school houses for any other lawful purposes; provided, however, that nothing herein contained shall be construed to authorize any board of education to rent or lease any school house when such rental or lease shall in any wise interfere with the public schools in such district, or for any purpose other than such as is authorized by this act. (91 v. 44; 89 v. 147; 87 v. 240; 86 v. 11.)

Powers of boards of education; Sec. 3971.

Property to which boards of education have title; Sec. 3972.

Leasing a school house for a private school is a violation of the trust, and is not within the power of "disposing" of property in Sec. 3971, and a resident taxpayer may obtain injunction. 85 O. S., 148.

School houses should not be open for any purpose concerning the moral effect of which there is a difference of opinion among the residents of the district.

Sec. 3988. [Directions for bidding, and for letting contracts.] When a board of education determines to build, repair, enlarge or furnish a school house or school houses, or make any improvement or repair provided for in this chapter, the cost of which will exceed in city districts, fifteen hundred dollars, and in other districts five hundred dollars, except in cases of urgent necessity, or for the security and protection of school property, it shall proceed as follows:

(1) The board shall advertise for bids, for the period of four weeks, in some newspaper of general circulation in the district, and two such newspapers, if there are so many; and if no newspaper has a general circulation therein, then by posting such advertisement in three public places therein, which advertisement shall be entered in full by the clerk, on the record of the proceedings of the board.

(2) The bids, duly sealed, shall be filed with the clerk by twelve o'clock, noon, of the last day stated in the advertisement.

(3) The bids shall be opened at the next meeting of the board, be publicly read by the clerk, and entered in full on the records of the board.

(4) Each bid shall contain the name of every person interested in the same; and shall be accompanied by a sufficient guarantee of some disinterested person, that if the bid be accepted, a contract will be entered into, and the performance of it properly secured.

(5) When both labor and materials are embraced in the work bid for, each must be separately stated in the bid, with the price thereof.

(6) None but the lowest responsible bid shall be accepted; but the board may, in its discretion, reject all the bids, or accept any bid for both labor and material which is the lowest in the aggregate for such improvement or repair.

(7) Any part of a bid which is lower than the same part of any other bid, shall be accepted, whether the residue of the bid is higher or not; and if it is higher, such residue shall be rejected.

(8) The contract shall be between the board of education and the bidders, and the board shall pay the contract price for the work, when it is completed, in cash, and may pay monthly estimates as the work progresses.

(9) When two or more bids are equal, in the whole, or in any part thereof, and are lower than any others, either may be accepted, but in no case shall the work be divided between the makers thereof.

(10) When there is reason to believe that there is any collusion or combination among the bidders, or any number of them, the bids of those concerned therein shall be rejected. (97 v. 356; 70 v. 195, § 55.)

Letting contracts for school houses when cost amounts to \$10,000 or more; see Sec. 794, R. S. Where the board awarded a contract to build a school house to the lowest responsible bidder for the whole work, but whose bid was defective, in that it did not state the price separately of labor and materials, and the relator's bid for labor and materials was the lowest offered, and yet was defective, in not having a sufficient guarantee, and he had notified the board that his bid was for the whole work or none; Held, that relator must show clear, legal right in himself, and cannot avail himself of defects in the other's bid; that defects may be waived where no public injury is worked thereby; that relator cannot complain that the whole work was awarded to a lower bidder, although his bid for a part was the lowest offered. 42 O. S., 374.

A bid under this section which separately states the labor and material, with the price of each, and with the provision attached that it is to be accepted as a whole, does not comply with this section. 4 N. P., 44.

See 2 C. C., 363, under Sec. 3905.

The discretion of a board as to what system of apparatus it will put in cannot be controlled either by mandamus or injunction. Such bids are not competitive. 14 C. C., 15.

In order that one who has bid on public work can maintain an action of mandamus, he must show that he is the one with whom the contract should be made regardless of anybody's else rights. 14 C. C., 19.

A bid on heating and ventilating apparatus need not separately state the cost of labor and materials entering into the same. Id. 23.

When an advertisement for bids for public work is required, the board may reject them. 13 C. C., 603.

When an advertisement is not necessary, the board may make such stipulations as it desires. Id.

Sec. 3989. Repealed 97 v. 379.

Sec. 3990. [When boards may appropriate property.] When it is necessary to procure or enlarge a school house site, and the board of education and the owner of the proposed site or addition are unable from any cause to agree upon the sale and purchase thereof, the board shall make an accurate plat and description of the parcel of land which it desires for such purpose, and file the same with the probate judge of the proper county; and thereupon the same proceedings of appropriation

shall be had which are provided for the appropriation of private property by municipal corporations. (70 v. 195, § 65.)

Appropriation of property; see Sec. 2232, R. S.

Sec. 3991. [Bond issue, vote on.] When the board of education of any school district determines that it is necessary for the proper accommodation of the schools of such district to purchase a site or sites to erect a school house or houses, to complete a partially built school house, to enlarge, repair or furnish a school house, or to do any or all of said things, and that the funds at the disposal of said board or that can be raised under the provisions of section 3994 of the Revised Statutes of Ohio, are not sufficient to accomplish said purpose and that a bond issue is necessary, the board shall make an estimate of the probable amount of money required for such purpose or purposes and at a general election or a special election called for that purpose, shall submit to the electors of the district the question of the issuing of bonds for the amount so estimated; notices of the election required herein shall be given in the manner as provided in section *thirty-nine hundred and seventy dash eleven*. (97 v. 357; 94 v. 38; 91 v. 41; 70 v. 241, § 61.)

Sec. 2834a. The trustees of any township, the board of education of any school district and the commissioners of any county for the purpose of extending the time of payment of any indebtedness, which from its limits of taxation such township, school district or county is unable to pay at maturity, shall have power to borrow money or to issue bonds of such township, school district or county, so as to change but not to increase the indebtedness in such amounts and for such length of time and at such rate of interest, as the trustees, board of education or commissioners may deem proper, not to exceed the rate of six per centum per annum, payable annually or semiannually.

Or when it shall appear to the trustees, board of education or commissioners of any township, school district or county to be for the best interests of such township, school district or county to renew, refund or extend the time of payment of any bonded indebtedness which shall not have matured and thereby reduce the rate of interest thereon, such trustees, board of education or commissioners shall have authority to issue for that purpose new bonds, and to exchange the same with the holder or holders of such outstanding bonds if such holder or holders shall consent to make such exchange and to such reduction of interest.

Provided, however, that no indebtedness of any township, school district or county shall be funded, refunded or extended unless such indebtedness shall first be determined to be an existing, valid and binding obligation of any such township, school district or county by a formal resolution of the trustees, board of education or commissioners of any such township, school district or county, which resolution shall so state the amount of the existing indebtedness to be funded, refunded or extended, the aggregate amount of bonds to be issued therefor, their number and denomination, the date of their maturity, the rate of interest they shall bear and the place of payment of principal and interest. And for the payment of the bonds issued under this section the township trustees, board of education or county commissioners shall levy a tax, in addition to the amount otherwise authorized, every year

during the period the bonds have to run sufficient in amount to pay the accruing interest and the bonds as they mature.

Conduct of election; see Sec. 2966-1 and notes under Secs. 3909, 3916-1.

See notes to Sec. 3993.

When the statute requires that notice shall be given of the matter to be acted on, a failure to insert such matter will render void any act done with respect to the matter not so embraced as required. 18 Maine, 184; 12 Cushing, 294.

It cannot be too often repeated that a board of education speaks only through its records. Its acts, findings, and determinations are only known by its records. Hence, although the words of the statute may not clearly settle the question, yet it is safest to assume that this *determination* is to be an *official* determination. Purchasers of bonds are likely to scrutinize such matters closely, and they will question whether the board acquires jurisdiction to take steps for raising a tax unless it first officially "ascertains" and "determines" all the preliminary facts mentioned in the statute, and makes a record of such finding.

Sec. 3992. [Bond issue, when election favorable.] If a majority of the electors, voting on the proposition to issue bonds, shall vote in favor of said issue, the board shall be thereby authorized to issue bonds for the amount indicated by the vote provided for in section *thirty-nine hundred and ninety-one*, the issue and sale of said bonds to be provided for by a resolution fixing the amount of each bond, the length of time they shall run, the rate of interest they shall bear, and the time of sale which may be by competitive bidding at the discretion of the board; the bonds shall bear a rate of interest not to exceed six per cent. per annum payable semi-annually, shall be made payable within at least forty years from the date thereof, be numbered consecutively, made payable to the bearer, bear date of the day of sale and be signed by the president and clerk of the board of education; the clerk of the board shall keep a record of the number, date, amount, and the rate of interest of each bond sold, the amount received for the same, the name of the person to whom sold, and the time when payable, which record shall be open to the inspection of the public at all reasonable times; and the bonds so issued shall in no case be sold for a less sum than their par value, nor bear interest until the purchase money for the same shall have been paid by the purchaser. (97 v. 357; 70 v. 195, § 62.)

Sec. 3993. [Tax levy for bonds to be certified to county auditor.] When an issue of bonds has been provided for under sections *thirty-nine hundred and ninety-one* and *thirty-nine hundred and ninety-two* the board of education shall certify annually, to the county auditor or auditors as the case may require, a tax levy sufficient to pay said bonded indebtedness as the same shall fall due together with accrued interest thereon; the county auditor or auditors shall place said levy on the tax duplicate and it shall be collected and paid to the board of education in the same manner as other taxes are collected and paid. The tax levy provided herein shall be in addition to the tax levy provided for under section *thirty-nine hundred and fifty-nine* and shall be kept in a separate fund by the board of education and applied only

to the payment of the bonds and interest for which it was levied. (97 v. 358; 70 v. 195, § 63.)

Sec. 22b. All bonds issued by boards of county commissioners, boards of education, commissioners of free turnpikes, shall be sold to the highest bidder after being advertised three times, weekly, in a newspaper having a general circulation in the county where the bonds are issued; and if the amount of bonds to be sold exceeds twenty thousand dollars, then in an additional newspaper having a general circulation in the state, three times, weekly. The advertisement shall state the total amount of bonds to be sold, the amount of each bond, how long they are to run, the rate of interest to be paid thereon, whether annually or semiannually, the law or section of law authorizing their issue, the day, hour and place in the county where they are to be sold. None of said bonds shall be sold for less than the face thereof, with any interest that may have accrued thereon; and the privilege shall be reserved of rejecting all or any bids, and if said bids are rejected said bond shall again be advertised; all moneys arising from premiums on the sale of said bonds as well as the principal, shall be credited to the fund on account of which the bonds are issued and sold.

Mandamus is the proper remedy to compel the board to appropriate moneys already in their treasury for that purpose, toward the payment of such bonds, and to levy such tax as may be necessary to complete such payment. 27 O. S., 96.

A board of education agreed to borrow a sum of money at an aggregate rate of interest of fifteen per cent., in manner following: For the amount so to be borrowed, bonds were to be issued bearing the authorized rate of interest, and for the excess of interest, orders on the treasury were to be issued, payable at the same time as the legal interest. The bonds were regularly issued, bearing eight per cent. interest, and sold at par, and the money was received and used as authorized. For the excess of interest, orders on the treasury were at the same time issued and delivered to the purchaser, as agreed to by the parties, but were never presented for payment, and after their maturity, he offered to return them for cancellation: Held, that this agreement to pay excess of interest is void, and, having never been executed in whole or in part, will not avoid a recovery on the bonds. 35 O. S., 519.

Certain bonds were issued by a board of education; they were afterwards redeemed before maturity, and placed in the hands of the treasurer for destruction. The treasurer failed to destroy them, but fraudulently used them as collateral security for an individual loan by an innocent third person: Held, that the board was not liable for the payment of the same. 41 O. S., 504.

Sec. 3994. [Bond issue without vote; limitations.] The board of education of any school district may issue bonds to obtain or improve public school property, and in anticipation of income from taxes, for such purposes, levied or to be levied, may, from time to time, as occasion requires, issue and sell bonds, under the restrictions and bearing a rate of interest specified in section *thirty-nine hundred and ninety-two* and shall pay such bonds and the interest thereon when due, but shall provide that no greater amount of such bonds shall be issued in any year than would equal the aggregate of a tax at the rate of two mills, for the year next preceding such issue, but the order to issue bonds shall be made only at a regular meeting of the board and by a vote of two-thirds of the full membership of the board, taken by yeas and nays and entered upon the journal of the board; but in no case shall a board of education issue bonds under the provisions of this section in a greater amount than can be provided for and paid with the tax levy provided for under section *thirty-nine hundred and fifty-*

(3998-1) Sec. 1. [Boards of education authorized to provide for establishment, etc., of public library; taxation.] The board of education of any city, village, township, or special school district, may, by resolution provide for the establishment, control and maintenance, in such school district, of a public library, free to all the inhabitants of such district; and, for that purpose, may acquire, by purchase, the necessary real property, and erect thereon a library building; it may acquire from any other library association, by purchase, or otherwise, its library property; it may receive donations and bequests of money or property for such library purposes, and it may maintain and support libraries now in existence and controlled by the board of education; and such board of education may annually make a levy upon the taxable property of such school district, in addition to all other taxes allowed by law, of not to exceed one mill for a library fund, to be expended by such board of education, for the establishment, support and maintenance of such public library; provided, that whenever any donation or bequest of money or property has been or shall hereafter be made to any two or more school districts jointly, or jointly and severally for the purpose of establishing and maintaining such public library, and the money so donated has been or may hereafter be expended in the purchase of a site and the erection of a library building thereon, the provisions of this act shall apply; and provided in such case the board of education of each of said districts may annually make a levy of not exceeding one mill in addition to all other taxes allowed by law, upon the taxable property of such school districts for the establishment, support and maintenance of such public library, and the library building may be located at a convenient place in either of such school districts. The control of such building and library and the expenditure of all moneys for the purchase of books and other purposes and the administration of such library shall be vested in a board of six trustees, three to be appointed by each of said boards of education for

the term of five years, and who shall serve without compensation, and such trustees shall serve until their successors are appointed. In case of vacancy in said board, from refusal to serve, resignation or otherwise, said vacancy shall be filled by the said boards of education of said district, in case such vacancy occurs, for the unexpired term. (98 v. 244; 96 v. 8.)

State library commissioners to give advice and attention to free public library officers; see Sec. 348.

(3998-2) Sec. 2. [Board of library trustees; how constituted; qualifications; terms; vacancies; compensation; powers.] The board of education may provide for the management and control of such library by a board of trustees to be elected by said board of education as herein provided. Such board of library trustees shall consist of seven members, who shall be residents of the school district, and no one shall be eligible to membership on said library board who is or has been for a year previous to his election, a member or officer of the board of education. The term of office shall be seven years, except that at the first election the terms shall be such that one member shall retire each year. Should a vacancy occur in said board, it shall be filled by the board of education for the unexpired term. The members of said library board shall serve without compensation and until their successors are elected and qualified. Such library board in its own name shall hold the title to and have the custody, management and control of all libraries, branches, stations, reading rooms, and of all library property, real and personal, of such school district, and the expenditure of all moneys collected or received from any source for library purposes for such district. It shall have power to employ a librarian and assistants, but previous to such employment the compensation of such librarian and assistants shall be fixed. Such library board shall have the power, by a two-thirds vote of its members, to purchase or lease grounds and buildings, and erect buildings for library purposes. It may accept any gift, devise or bequest for the benefit of such library. No member of the library board shall be interested, directly or indirectly, in any contract made by the board. The library board shall report annually in writing to the board of education. (96 v. 8.)

(3998-3) Sec. 3. [When library to be under control of such board]. Whenever in any city, village or special school district a library established or controlled by a board of education shall contain twenty-five thousand or more volumes, it shall be managed, governed and controlled by a board of trustees elected by the board of education as provided in section 2 of this act. (96 v. 9.)

(3998-4) Sec. 4. [Library fund; how provided and maintained; payments from.] Said board of library trustees shall annually, during the month of May, certify to the board of education the amount of money that will be needed for increasing, maintaining and operating said library during the ensuing year in addition to the funds available therefor from other sources; and such board of education shall annually levy on each dollar of taxable property within said school district, in addition to other levies authorized by law, such assessment not exceeding one mill, as shall be necessary to realize the sum so certified, the same to be placed on the tax duplicate and collected as other taxes. The proceeds of the said tax shall constitute a fund to be known and designated as the library fund: Payments therefrom shall only be made upon the warrant of the board of trustees of the library, signed by the president and secretary thereof. (96 v. 9.)

(3998-5) Sec. 5. [Board of education may contract with library association for use of library.] The board of education in any city, village or special school district shall have power to contract annually with any library corporation or other organization owning and maintaining a library, for the use of such library by the residents of such district, and it shall have power to levy annually a tax not exceeding one mill on the taxable property of such district to pay for the same; and such board of education shall require an annual report in writing from such library corporation or other organization. (96 v. 9.)

(3998-6) Sec. 6. [School library.] The board of education of any school district of the state, in which there is not a public library operated under public authority and free to all the residents of such district, may appropriate annually not to exceed two hundred and fifty dollars annually from the contingent fund for the purchase of books, other than school books, for the use and improvement of the teachers and pupils of such school district. The books so purchased shall constitute a school library, the control and management of which shall be vested in the board of education, which board shall have power to receive donations and bequests of money or property for such library. (96 v. 9.)

(3998-7) Sec. 7. [Museum.] The board of education of any school district, or any board of trustees managing and controlling a library in any school district, may found and maintain a museum in connection with and as an adjunct to such library, and for such purposes may receive bequests and donations of money or other property. (96 v. 9.)

(3998-8) Sec. 8. [Taking effect; existing laws.] This act shall take effect and be in force on and after November 15, 1902, and all acts or parts of acts not inconsistent herewith under which exist-

ing libraries are maintained, governed and controlled, shall be and remain in full force and effect. (96 v. 10.)

(3998-9) **Sec. 1.** [City board of education may acquire private library; shall be made a public library; board of managers; vacancies in board.] That whenever in any city organized under chapter 4, division 2, of title 12, of the Revised Statutes of Ohio, there is a library owned by a private incorporated or unincorporated association which the owners, or managers thereof, are willing to dispose of and to transfer to the board of education of such city or school district within which said city is situate, the said board of education is hereby authorized to acquire from said association by purchase, or otherwise, said library and the property used by said association for library purposes. Upon acquiring title to said library and property, the said board of education shall declare the same to be a public library and shall elect a board of managers therefor, consisting of six persons, two of whom, at the first election shall be elected for a period of three years, two for a period of two years, and two for a period of one year, and thereafter, upon the expiration of said terms, and all succeeding terms, said managers shall be elected for three years. And said board of education shall fill vacancies in said board of managers for unexpired terms in like manner, and said board of managers shall at all times be amenable to and under the control of said board of education as to tenure of office and authority and shall serve without compensation. The president of said board of education shall be ex-officio a member of said board of managers, but otherwise, no member of said board of education shall be a member of said library board. (95 v. 74.)

(3998-10) **Sec. 2.** [Powers and duties of managers.] Said board of managers shall have the care, custody, control and management of said library and property, under such rules and regulations as they shall prescribe and shall have the power to receive donations of land, money and other things of value, and to hold, dispose of, or use the same for the benefit of such library. The use of said library shall be free to all residents of said city and territory thereto attached for school purposes. Said board shall have the power to lease or rent suitable place for the use of said library and establish a reading room or rooms in connection therewith. (95 v. 74.)

(3998-11) **Sec. 3.** [Organization of board; librarian and assistants.] Said board of managers shall elect from their number a president, vice-president, and secretary, and shall appoint a librarian and such assistants and employees as may be necessary for the proper conduct of said library. The term of office of said appointees shall be at the pleasure of the board, but shall not exceed three years. (95 v. 74.)

(3998-12) **Sec. 4. [Tax levy; expenditure of funds.]** For the purpose of paying for such library purchased and of maintaining and increasing said library and reading rooms, the said board of education may levy upon the general tax duplicate of the school district within which such city is situate, a tax not to exceed six-tenths of one mill on each dollar of valuation of the taxable property of said school district which shall be levied, assessed and collected as other taxes levied by said board and shall be in addition thereto. The proceeds of said tax when collected, shall constitute and be called the library fund, and shall be paid to the treasurer of the school district, who shall disburse same only upon warrant of said board of managers, signed by the president and secretary thereof. Said board of managers shall expend said fund in the purchase of books, pamphlets, papers, magazines, periodicals, journals, furniture, and such other property as may be necessary for such library and reading rooms and in payment of all proper charges for maintenance including the compensation of the librarian and other employes of said board. No part of said fund shall be transferred or used for any other purpose than as provided in this section. All money heretofore appropriated, received, or collected by tax levied for public library purposes in said city, or school district, and remaining unexpended shall be transferred to said library fund, and be expended by said board of managers in accordance with the provisions of this act. (95 v. 74.)

Sec. 3999. [In certain cities board may appoint managers of library.] In cities not having less than twenty thousand inhabitants, the board of education having custody of any public library therein, may, at any regular meeting, adopt a resolution providing for a board of managers of such library, and shall thereupon elect by ballot, two persons to serve as members of such board for a term of three years, two persons to serve for a term of two years, and two persons to serve for a term of one year; and annually thereafter two persons shall be elected to serve for a term of three years; all vacancies in such board shall be filled by the board of education by ballot, and a person so elected shall serve during the unexpired term of his predecessor; the president of the board of education shall be a member of the board of managers, ex-officio; and the board of managers shall at all times be amenable to and under the control of the board of education, as to tenure of office and authority, and shall serve without compensation.

[Board of trustees in Cincinnati; how appointed; terms.] Provided, that in cities of the first grade of the first class upon the expiration of the terms of office of the trustees of the public library therein, heretofore appointed under this section, as amended April 30, 1891, there shall be appointed as successors to said board, a board of trustees of said

library consisting of seven persons; as follows: Two by the board of education of the school district within which such city is situated, two by the board having charge of the high schools of such city, two by the directors of the university in such city, one of each of said appointees shall hold his office for two years, and one for three years; and one by the judges of the court of common pleas of the county within which such city is situated, who shall hold his office for a period of three years; and thereafter said boards and said judges shall, upon the expiration of the terms of office of said appointees, and each three years thereafter, appoint successors to said trustees. The appointee aforesaid of the judges of the court of common pleas shall succeed in said board of trustees the president of the board of education, who theretofore was, by virtue of his said office, a member of said board of trustees, and thereafter the right of each president of said board of education aforesaid of membership in said board of trustees of said library shall cease.

[**Vacancies.**] All vacancies in said board of trustees of said library shall be filled by the respective bodies having the power of appointment. Provided, however, that nothing herein shall be construed in any wise to abridge the term of office or curtail the powers or duties of the trustees of the public library in cities of the first grade of the first class, appointed under this section as amended April 30, 1891, during the terms of office for which they were appointed. (93 v. 192; 88 v. 446; 64 v. 100, § 1; S. & C., 722.)

Sec. 3999a. [Residents of Hamilton county entitled to use of city library.] Each and every resident of the county within which is situated any city of the first grade of the first class, having therein established a public library, shall be entitled to the free use of such library, reading rooms and any branch or department of the same, and all the privileges thereof, upon such terms and conditions not inconsistent herewith, as the board of trustees of such library may prescribe. (94 v. 204; 93 v. 193.)

Sec. 3999b. [Powers of trustees in Cincinnati.] The board of trustees of the public library in cities of the first grade of the first class shall have sole and exclusive charge, custody and control of the public library in such city, including all property, both real and personal, used and occupied by such library, whether acquired heretofore or hereafter, and shall have full power to make all rules and regulations necessary for the proper government, maintenance, care and management thereof, and to provide therefor. be paid to the officer or officers duly authorized to receive the same, and shall be under the control of the said library association; provided, that if at any time such library association ceases to exist or from any reason fails to provide a free circulating library as required by the provisions of this act, the books and other property accumulated from the proceeds of the levy herein authorized shall become the property of the city or village and be subject to the control of the council as herein provided. (89 v. 98.)

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That the trustees of each township shall have power to levy and collect a tax not exceeding one-half mill on each dollar of the taxable property of the township, annually, and to pay the same to a private corporation or association maintaining and furnishing a free public library for the benefit of the inhabitants of the township as and for compensation for the use and maintenance of the same, and without

change or interference in the organization of such corporation or association, requiring the treasurer of such corporation or association to make an annual financial report, setting forth all the money and property which has come into its hands during the preceding year, and its disposition of the same, together with any recommendation as to its future necessities.

SECTION 2. That the county auditor at each semiannual collection of taxes, where a tax for library purposes has been levied by the township trustees shall certify the amount collected from said levy for library purposes to the township clerk; and the township clerk shall forthwith draw his warrant on the township treasurer, payable to the treasurer of the library association for the amount so certified by the auditor.

SECTION 3. That if at any time such library corporation or association ceases to exist or from any reason fails to provide a free public library as required by the provisions of this act, the books and other property accumulated from the proceeds of the levy herein authorized shall become the property of the township and be subject to the control of the trustees of the township. 98 v. 47.

Sec. 4007. [Sufficient elementary schools must be provided; number of weeks to be continued; graded course of study required.] Each board of education shall establish a sufficient number of elementary schools to provide for the free education of the youth of school age within the district under its control, at such places as will be most convenient for the attendance of the largest number of such youth, and shall continue each and every elementary day school so established not less than thirty-two nor more than forty weeks in each school year, and all the elementary schools within the same school district shall be continued the same length of time. And boards of education are required to prescribe a graded course of study for all schools under their control in the branches named in section 4007-1 of the Revised Statutes of Ohio, subject to the approval of the state commissioner of common schools. Each township board of education shall establish and maintain at least one elementary school in each sub-district under its control, unless transportation is furnished to the pupils thereof as provided by law. (97 v. 358; 75 v. 513, § 50; S. & S. 701.)

Change of boundaries and suspension of schools in sub-districts, conveyance of pupils; see Secs. 3922 and 3934.

In determining the question as to how many schools are necessary in the districts, either of townships, villages, or cities, three things should be considered: 1. Convenience of access. 2. Economy in expenditure. 3. A proper grading and classification of the pupils, in cases where grading is possible.

There is no reason why two or more school houses or two or more school rooms may not be provided in a sub-district.

Sec. 4007-1. [Elementary school defined.] An elementary school is hereby defined as a school in which instruction and training are given in spelling, reading, writing, arithmetic, English language, English grammar and composition, geography, history of the United States, including civil government, physiology and hygiene; but nothing herein contained shall be construed as abridging the power of boards of education to cause instruction and training to be given in vocal music, drawing, elementary

algebra, the elements of agriculture and other branches which they may deem advisable for the best interests of the schools under their charge. (97 v. 359.)

Sec. 4007-2. [High school defined.] A high school is hereby defined as a school of higher grade than an elementary school, in which instruction and training are given in approved courses in the history of the United States and other countries; composition, rhetoric, English and American literature; algebra and geometry; natural science, political or mental science, ancient or modern foreign languages, or both, commercial and industrial branches, or such of the above named branches as the length of its curriculum may make possible, and such other branches of higher grade than those to be taught in the elementary schools, and such advanced studies and advanced reviews of the common branches as the board of education may direct. (95 v. 115.)

Sec. 4007-3. [College defined.] A college is hereby defined as a school of a higher grade than a high school, in which instruction in the high school branches is carried beyond the scope of the high school and other advanced studies are pursued, or a school in which special, technical or professional studies are pursued, and which may, when legally organized, have the right to confer degrees in agreement with the terms of the law regulating its practices or its charter; or in the want of legislative direction, in agreement with the practices of the better institutions of learning of their respective kinds in the United States. (95 v. 115.)

Sec. 4007-4. [High schools classified.] The high schools of the state of Ohio shall be classified into schools of the first, second, and third grades; and all courses of study offered in such high schools shall be in branches enumerated in section 4007-2 of the Revised Statutes of Ohio.

[First grade.] A high school of the first grade shall be a school in which the courses offered shall cover a period of not less than four years, of not less than thirty-two weeks each, in which not less than sixteen courses shall be required for graduation;

[Second grade.] A high school of the second grade shall cover a period of not less than three years, of not less than thirty-two weeks each, in which not less than twelve courses of study shall be required for graduation;

[Third grade.] A high school of the third grade shall cover a period of not less than two years, of not less than twenty-eight weeks each, in which not less than eight courses of study shall be required for graduation, and all public schools of a less grade shall be denominated as elementary schools. A course of study shall consist of not less than four recitations a week continued throughout the school year. (95 v. 116.)

Ch. 9.Schools and Attendance Enforced.

Sec. 4007-5. [Diploma to be given to graduate of high school.]

A diploma shall be granted by the board of education to any one completing the curriculum in any high school, which diploma shall state the grade of the high school issuing the said diploma as certified by the state commissioner of common schools, and shall be signed by the president and clerk of the board of education, the superintendent and the principal of the high school, if such there be, and shall bear the date of its issue.

[Certificate as to grade of school.] A certificate shall also be issued to the holder of each diploma in which shall be stated the grade of the high school, the names and extent of the studies pursued and the length of time given to each said study to be certified to in the same manner as set forth for a diploma.

[Admission without examination to professional school; exception.] And any holder of a diploma from a high school of the first grade shall be entitled to a certificate of admission without examination to any college of law, medicine, dentistry, or pharmacy in the state of Ohio, when the holder thereof shall have completed such courses in science and language as shall be prescribed by the legally constituted authorities regulating the entrance requirements of said college; except such privately endowed institutions which may require a higher standard for entrance examinations than herein provided.

[Who eligible to take examination for admission to bar or to enter professional school; exception.] And any holder of a diploma from any grade of high school or of a teacher's certificate from a county or city board of teachers' examiners, when such holder has pursued his studies under private tutorage or in an office shall be eligible to take the examination for admission to the practice of law or to take the examination prescribed to enter a college of law, medicine, dentistry or pharmacy; except such privately endowed institutions which may require a higher standard for entrance examinations than herein provided. (95 v. 116.)

Sec. 4007-6. [Information as to character of high school to be furnished state commissioner of common schools by clerk of board of education.] It shall be the duty of the clerk of the board of education of each district in which a high school is established and maintained to furnish to the state commissioner of common schools definite and accurate information concerning the length of time necessary for the completion of the high school curriculum or curriculums, the courses of instruction offered therein, and such other information as said commissioner may require in relation to the high school work of the district, and in the form and manner he may prescribe.

[Filed when.] Said information shall be filed not later than the first day of September, 1902, and as high schools are hereafter estab-

lished or any changes made in curriculums, such establishment or changes with full information must be immediately reported as above provided.

[**Certificate as to grade of school; withholding approval of curriculum.**] And it shall be the duty of the said state commissioner of common schools, upon examination of the information thus filed, or after personal inspection of work done if he shall deem the same advisable, or both, to determine the grade of each such high school and to certify, under the seal of his office, to the clerk of the board of education his finding as to the grade of the high school maintained by such board of education. The said commissioner is also authorized to withhold his approval of any curriculum, when it shall appear to him that the same does not comply with the legal and reasonable requirements, and when it shall appear that any curriculum, which has already been approved, has been so modified as to change the grade of the high school, either by advancing or reducing the grade thereof, he shall certify his finding, and all diplomas issued thereafter shall bear the grade so designated by him.

[**Penalty for failure to give information required by this section.**] And after the first day of February, 1903, no school then maintained shall be considered a high school that has not furnished the information and received the certificate as provided above and shall not be entitled to the privileges and exceptions provided by law for high schools. (95 v. 117.)

Sec. 4008. Repealed February 22, 1887.

This section provided for separate schools for colored children.

There is no power to establish separate schools for colored children and exclude them from other schools, since the repeal of Revised Statutes, section 4008. The assignment of youth under section 4013 can not be exercised with reference to race or color. 45 O. S., 555.

Sec. 4009. [Any board of education may establish a high school.] Any board of education may establish one or more high schools, whenever it deems the establishment of such school or schools proper or necessary for the convenience or progress of the pupils attending the same, or for the conduct and welfare of the educational interests of the district,

[**Discontinuance thereof.**] and such school or schools, when so established, shall not be discontinued under three years from the time of the establishment thereof, except by a vote of three-fourths of all the members of the board of education of the district, and at a regular meeting. (75 v. 513, § 50; R. S. of 1880; 79 v. 37; 95 v. 117.)

A township high school does not pass to a village incorporated out of the territory including it by reason of a general saving clause in the act of 1878. 41 O. S., 680.

Change of territory organizing a separate school district does not entitle the new district to seize on property within it that had been set apart by the township board for a higher school than a primary, although this would be within the letter of R. S., Sec. 8972, which relates to the subject. 46 O. S., 596.

Ch. 9.

Schools and Attendance Enforced.

This section fully authorizes boards of education to establish high schools without submitting the question to a vote of the electors of the district, unless it should be found necessary to levy a tax in excess of the maximum allowed by law and issue bonds; in which case an election is required; see Sec. 3901.

Sec. 4009-1. [Township high schools; management and control thereof.] Whenever a township board of education establishes and maintains a high school or high schools within the district under its control, it shall have the management and control of such school or schools with full power in respect to such school or schools to employ and dismiss teachers, and to give certificates of such employment, and for services rendered, directed to the township clerk.

[Schoolhouses, etc.] And the township board of education shall build, repair, add to and furnish the necessary schoolhouses, purchase, or lease sites therefor, or rent suitable rooms, and make all other necessary provisions relative to such schools as may be deemed proper.

[Admission of pupils.] Said board of education shall have full power to regulate and control the admission of pupils from the elementary schools under its charge to such high school or high schools, according to age and attainments, and may admit adults over twenty-one years of age, and pupils from other districts on such terms and under such rules as it may adopt, and shall maintain such high school or high schools not less than twenty-eight nor more than forty weeks in any school year. (88 v. 484, § 1; 95 v. 117, § 4009-1.)

Sec. 4009-2. [Estimate of funds needed.] In townships where a high school or high schools are established, or may be established, by the township board of education, the board shall annually determine by estimate, as near as practicable, the entire amount of money necessary to be expended in the township for school and schoolhouse purposes, including the sustaining of teachers in such high schools, the prolonging of the terms of the several elementary schools of the township after the state funds shall have been exhausted, the erecting, repairing and furnishing of schoolhouses, and any other school purposes not exceeding in any one year ten mills on the dollar of the taxable property of the township, which amount shall be certified in writing to the county auditor, as required by section 3960 of the Revised Statutes of Ohio. (88 v. 484, § 2; 95 v. 117, § 4009-2.)

Sec. 4009-3. Repealed 97 v. 379.

Sec. 4009-4. Repealed 97 v. 379.

Sec. 4009-5. Repealed 97 v. 379.

Sec. 4009-6. Repealed 97 v. 379.

Sec. 4009-7. Repealed 97 v. 379.

Sec. 4009-8. Repealed 97 v. 379.

Sec. 4009-9. Repealed 97 v. 379.

Sec. 4009-10. Repealed 97 v. 379.

Sec. 4009-11. Repealed 97 v. 379.

Sec. 4009-12. Repealed 97 v. 379.

Sec. 4009-13. Repealed 97 v. 379.

Sec. 4009-14. Repealed 97 v. 379.

(4009-15) Sec. 1. [Joint township high schools; union of township and village or special districts for high school purposes; elections; control of high school; funds for maintenance of high school.] The boards of education of two adjoining township school districts, or of a township district and of a village or special school district situated partially or wholly within the township, may, by a majority vote of the full membership of each of said boards, unite said districts for high school purposes and each board may submit the question of levying a tax on the property in their respective districts, for the purpose of purchasing a site and erecting a building, and may issue bonds, as is provided for in sections *thirty-nine hundred and sixty-one*, *thirty-nine hundred and sixty-two* and *thirty-nine hundred and sixty-three* of the Revised Statutes of Ohio, but said question of tax levy must carry in both districts before it shall become operative in either. If said boards of education have sufficient money in the treasury to purchase said site and erect said building, or if there is a suitable building in either district owned by the board of education that can be used for a high school building, it shall not be necessary to submit the proposition to a vote, and the boards are authorized to appropriate money from their funds for this purpose. Any high school so established shall be under the management of the board of education of the district in which the school house is located, and shall be free to all youth of school age within both districts, subject to such rules and regulations as may be adopted by the board of education having control of the school in regard to the qualifications in scholarship requisite for admission, such rules and regulations to be of uniform operation throughout both districts. The funds for the maintenance and support of such high school shall be provided by appropriations from the tuition or contingent funds, or both, of each district, in proportion to the total valuation of property in the respective districts, the same to be placed in a separate fund in the treasury of the board of education having control of the school and paid out by action of said board, but only for the purposes of maintaining said school. (97 v. 359; 93 v. 281.)

(4009-16) Sec. 2. [Repeal of former laws relating to joint township and union high schools and substituting new law.] Joint township high school districts heretofore established as provided for in

(4002-49) **Sec. 4. [Tax in lieu of other taxes.]** The tax so levied shall be in lieu of all other taxes levied for school library purposes, and no other levy shall be made for such purpose;

[Purchase of school apparatus; levy.] Provided, however, that nothing herein shall prohibit the board of education from purchasing all necessary philosophical or other apparatus for the schools and making necessary levies therefor. (93 v. 9.)

Sec. 4003. [Consolidation of libraries in Portsmouth authorized.] In all cities which at the last federal census had, or at any subsequent federal census may have, a population of ten thousand five hundred and ninety-two, it shall be lawful to merge any public library therein heretofore established with any other library or reading room therein existing; but the library formed by such consolidation shall be kept open for the use of the public at all reasonable hours. (75 v. 451, § 1; 76 v. 97, § 1.)

Sec. 4004. [Board of Portsmouth to appoint library committee.] The board of education of every such city shall, at its first regular meeting after the second Monday in June, 1879, elect by ballot three suitable persons, residents of the city, but other than members of such board, who shall be known as the library committee of the city, one to serve for one year, one for two years, and one for three years, and until their successors are duly elected and qualified, and shall, annually thereafter, elect in like manner one person with the same qualifications to serve for three years, and until his successor is elected and qualified; and any vacancy in such committee shall be filled for the unexpired term at the first regular meeting of the board held after the same occurs. (75 v. 541, § 2; 76 v. 97, § 2.)

Sec. 4005. [Powers and duties of such committee.] Such committee shall report in writing to the board of education at least once each year, and oftener if required by the board, and shall have entire charge and control of the school library in the city with full power to make all rules and regulations for the government and regulation thereof, to employ a librarian, and such assistants and help as may be needed for its care and protection, and to require of the librarian such bond as they may deem proper for the faithful performance of his duties, and to attend to the drawing and return of books; but the salary of such librarian, and the rate of compensation of such assistants and help, shall be fixed by resolution prior to such employment. (76 v. 97, § 3.)

Sec. 4006. [Powers and duties of library committees in Portsmouth.] For the purpose of increasing and maintaining school libraries in cities mentioned in section *four thousand and three* of the Revised Statutes of Ohio, and the territory thereto attached for school purposes, such library committee in such cities is authorized to annually levy a tax of three-tenths of one mill on the dollar valuation of the tax-

able property of such cities aforesaid, and the territory thereto attached for school purposes, to be assessed, collected and paid in the same manner as are the school taxes of such cities, and all money appropriated or collected by tax for such library shall be expended under the direction of said library committee in the purchase of such books, pamphlets, papers, magazines, periodicals and journals, as may be deemed suitable for the public school library, and in payment of all other costs and charges, including the salaries of the librarian and assistants, that may be incurred in maintaining said libraries, the bills and payrolls for which said expenditures, shall, upon the order of the library committee, be certified by the chairman and secretary of such committee, and paid by the treasurer of the board of education of said city from such library fund. (92 v. 309; 78 v. 176; Rev. Stat. 1880; 75 v. 541, § 2; 76 v. 97, § 4.)

AN ACT

To authorize the transfer of property by municipal corporations to trustees of libraries of school districts, and the acceptance of the same, and other property, for library purposes by said trustees.

Be it enacted by the General Assembly of the State of Ohio:

Sec. 1. That it shall be lawful for any municipal corporation in this state to transfer by ordinance duly passed, any property, real or personal, acquired or suitable for library purposes, to the trustees of any public library for the school district within which such municipal corporation is situate, upon such lawful terms and conditions as may be agreed to between said municipal corporation and said trustees.

Sec. 2. The trustees of any public library in any such school district are hereby authorized and empowered to receive and accept any such transfer, and to receive and accept from any other source or acquire in any other manner, any property, real or personal, for library purposes, and use and apply the same for such purposes, and to enter into any contract relating thereto. (97 v. 138.)

AN ACT

To authorize township trustees to levy a tax to compensate private company or association for maintaining free public library.

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That the trustees of each township shall have power to levy and collect a tax not exceeding one-half mill on each dollar of the taxable property of the township, annually, and to pay the same to a private corporation or association maintaining and furnishing a free public library for the benefit of the inhabitants of the township as and for compensation for the use and maintenance of the same, and without

labor, shall be entitled to attend school free in the district in which they are employed. Each board of education may admit other persons upon such terms or upon the payment of such tuition as it may prescribe; provided, that when a youth between the age of six and twenty-one years or the parent of such youth owns property in a school district in which he does not reside and said youth attends the schools of said district, the amount of school tax paid on such property shall be credited on the tuition of said pupil. Boards of education are authorized to make such an assignment of the youth of their respective districts to the schools established by them as will in their opinion best promote the interests of education in their districts. (97 v. 360; 87 v. 317; 84 v. 69; 77 v. 196; Rev. Stat. 1880; 70 v. 195, § 71.)

Attending school in other districts if nearer; see sections 4022, 4022a.

The children inmates of the German Protestant Asylum of Cincinnati, are not "children, wards, or apprentices of actual residents" in the school district within which said asylum is located, and therefore, under the act of Feb. 21, 1849, are not entitled to gratuitous admission to the privileges of the public schools of said district. 10 O. S., 446.

No regulation can be made under this section that does not apply to all children, irrespective of race or color. Separate schools for colored children were abolished by the repeal of Sec. 4008. 45 O. S., 555.

Under this section persons under twenty-one years of age, though married, are entitled to all the privileges of the schools of the district in which they reside, notwithstanding they have not been enumerated in the school census, and in consequence can draw no part of the state school fund.

A person is only entitled to vote in the sub-district in which he actually resides; the fact that his children have been transferred to another sub-district does not change his voting place.

That portion of the above section relating to children living apart from their parents or guardians, who support themselves by their own labor, does not apply where a child moves into a district in which his parents do not live, with the express purpose of attending school, and incidentally works for his board and lodging; in such cases tuition can be charged.

Sec. 4014. [Suspension and expulsion of pupils.] No pupil shall be suspended from school by a superintendent or teacher except for such time as may be necessary to convene the board of education, and no pupil shall be expelled except by a vote of two-thirds of such board, and not until the parent or guardian of the offending pupil has been notified of the proposed expulsion, and permitted to be heard against the same; and no pupil shall be suspended or expelled from any school beyond the current term thereof. (89 v. 96; 70 v. 195, § 71.)

The father of a child entitled to the benefits of the public school of the sub-district of his residence may maintain an action against the teacher of the school, and the local directors of the sub-district, for damages for wrongfully expelling the child from school. 21 O. S., 606.

In many cases of incorrigibility proceedings can be instituted against the offender as provided by section 4022-8, as a juvenile disorderly person (section 4022-4), instead of expulsion by the board, as it is in the interest of the commonwealth to keep the child in school, if possible.

The parent has no right to interfere with the order or progress of the school by detaining his child at home, or by sending him at times that prove an annoyance or hindrance to others. 31 Iowa, 568.

The right to attend school is not absolute, but conditional on compliance with the rules. 48 Vt., 473.

Sec. 4015. [Legal holidays; schools may be dismissed on.]

Teachers employed in the public schools may dismiss their schools, without forfeiture of pay, on the first day of January, the twenty-second day of February, the thirtieth day of May, the fourth day of July, the first Monday in September, the twenty-fifth day of December, and on the day set apart by proclamation of the President of the United States or Governor of this state as a day of fast, thanksgiving or mourning. (97 v. 360; 1886, April 9; 83 v. 73; Rev. Stat. 1880; 70 v. 195, § 116.)

A teacher is not bound by the provisions of a contract which are in contravention of law.

He may dismiss his school on legal holidays without forfeiture of pay, notwithstanding the clause in his contract providing salary by the day.

Boards of education cannot compel teachers to make up for time lost on the above-mentioned days.

Hiring teachers by the day does not affect their rights under this section.

It is held in Michigan that "school management should always conform to those decent usages which recognize the propriety of admitting to hold exercises on recognized holidays. All contracts for teaching during periods mentioned must be construed of necessity as subject to such days, and there can be no penalty laid upon such observances, in the way of forfeitures or reductions of wages." 39 Mich., 484.

(4015-1) **Sec. 1. [Arbor day.]** That the governor of said state shall, not later than April appoint and set apart one day in the spring season of each year, as the day on which those in charge of the public schools and institutions of learning under state control, or state patronage, shall, for at least two hours, give information to the pupils and students concerning the value and interest of forestry, and the duty of the public to protect the birds thereof, and also for planting forest trees. Said day shall be known as Arbor Day. (79 v. 243; 95 v. 38.)

Sec. 4016. [School year, month, and week.] The school year shall begin on the first day of September of each year, and close on the thirty-first day of August of the succeeding year; and a school week will consist of five days, and a school month of four school weeks. 70 v. 215, § 70; 72 v. 181, § 6.)

Boards of education cannot compel pupils to attend school, or teachers to teach the same, more than five days in any one week, and teachers cannot make up for lost time by teaching six days in a week without express authority from the board of education.

Teachers have no right, without express authority of the board of education, to make up lost time by teaching on Saturday or on a holiday. The custom is so well established of keeping the schools in session the five working days of each week exclusive of Saturday, and of dismissing on the holidays named, that to change this custom would manifestly require action by the board. As the law does not prescribe the days of the week to be taught, the board may, under section 3985, authorize the intermission of school on Monday or any other day most convenient to the inhabitants. In a few districts in Ohio, there is no session on Monday.

Sec. 4017. [Control of schools vested in boards; appointees; salaries.] Each board of education shall have the management and control of all of the public schools of whatever name or character in the district, with full power to appoint a superintendent of the public schools, truant officers, and janitors and fix their salaries; and, if deemed essential for the best interests of the schools of the district, the board

may, under proper rules and regulations, appoint a superintendent of buildings, and such other employes as the board may deem necessary, and fix their salaries;

[Salaries of teachers; paid during epidemic; appointments of former teachers.] And each board shall fix the salaries of all teachers, which salaries may be increased, but shall not be diminished during the term for which the appointment is made, and teachers shall be paid for all time lost when the schools in which they are employed are closed owing to an epidemic or other public calamity, but no person shall be appointed as a teacher for a term longer than four school years, nor for a less term than one year except to fill an unexpired term, the term to begin within four months of the date of the appointment, provided that in making appointments teachers in the actual employ of the board shall be first considered before new teachers are chosen in their stead.

For minimum salary law see "An Act" following this section.

[School director in city districts; appointment; power; duties; salary; removal.] A board of education in a city district may, at its discretion, elect a director of schools, who shall serve as such for the term of two years, unless earlier removed as hereinafter provided, and any vacancy in this office shall be filled for the unexpired term of such director of schools. As director of schools, he shall execute for the board of education, in the name of the school district, its contracts and obligations, except that bonds issued shall be signed by the president of the board, and attested by the clerk. He shall see that all contracts made by or with said board shall be fully and faithfully performed. Except teachers, assistant teachers, supervisors, principals, superintendent of instruction, clerk of the board of education, he shall have the appointment subject to the approval and confirmation of the board of all employes, and may discharge the same. He shall have the care and custody of all property of the school district, real and personal, except moneys. He shall oversee the construction of buildings, in the process of erection, and the repairs of the same. He shall advertise for bids and purchase all supplies and equipments authorized by the board. He shall report to the board monthly, and oftener if required, as to all matters under his supervision, and report to the board a statement of its accounts, exhibiting the revenues, receipts, disbursements, assets and liabilities of the board, the sources from which the revenues and funds are derived, and in what manner the same have been disbursed. He shall keep accurate account of taxes levied for school purposes, and all moneys due to, received and disbursed by the board; also, of all assets and liabilities and all appropriations made by the board, and shall receive and preserve all vouchers for payments and disbursements made to or by the board. He shall issue all warrants for the payment of money from the school fund,

but no warrant shall be issued for the payment of any claim until such claim has been approved by the board, and the pay-roll for teachers, assistant teachers and supervisors shall be counter-signed by the superintendent of instruction. He shall attend all meetings of the board, and perform all of its executive functions not hereinbefore excepted in defining the duties of the director of schools. He shall devote such portion of his time to the duties of his office as may be required by the board of education at or before his election, and shall give a bond for the faithful discharge of his duties as director of schools, in such sum as the board may determine, his sureties to be approved by the board, which bond shall be deposited with the president of the board within ten days after his appointment. He shall receive such compensation, not exceeding \$5,000 per annum, as may be fixed by the board before his election, which compensation shall not be changed during his term of office. The board of education may, at any time, by a two-thirds vote for cause, suspend or remove the director of schools, but such suspension or removal shall not be made unless the charges are preferred in writing, and an opportunity afforded to bring all offered pertinent testimony in as a defense, which testimony shall be received and considered by the board and made a part of the records.

[Contracts with employees; resignations; dismissals.] Upon the appointment of any person to any position under the control of the board of education, it shall be the duty of the clerk promptly to notify such person verbally or in writing of the appointment and the conditions thereof and request and secure from such person within a reasonable time to be determined by the board, his acceptance or rejection of the appointment thus made, and an acceptance of such appointment within the time thus determined shall constitute a contract binding both parties thereto until such time as it may be dissolved, shall expire, or the appointee be dismissed for cause. All resignations or requests for release from contract by teachers, superintendents, or employes, shall be promptly considered by the board, but no resignation or release shall become effective except by consent of the board. Each board may dismiss any appointee or teacher for inefficiency, neglect of duty, immorality, or improper conduct; but no teacher shall be dismissed by any board unless the charges are first reduced to writing and an opportunity be given for defence before the board, or a committee thereof, and a majority of the full membership of the board vote upon roll call in favor of such dismissal. (97 v. 360; 93 v. 48; 91 v. 422, 113; 89 v. 96, 202; 87 v. 372; 70 v. 190, § 53.)

AN ACT

To provide for state aid for weak school districts.

Be it enacted by the General Assembly of the State of Ohio:

Sec. 1. That no person shall be employed to teach in any public school in Ohio for less than forty dollars a month; and that, when any school district in Ohio has not sufficient money to pay its teachers forty dollars per month for eight months of the year, after the board of education of said district has made the maximum school levy authorized by law, three-fourths of which shall be for the tuition fund, then said school district is hereby authorized to receive from the state treasury sufficient money to make up this deficiency. Any board of education having such a deficit shall make affidavits to the county auditor, who shall send a certified statement of the facts to the state auditor. The state auditor shall issue a voucher on the state treasurer in favor of the treasurer of said school district for the full amount of the deficit in the tuition fund.

Sec. 2. No district shall be entitled to state aid as provided in section 1 of this act, unless the number of persons of school age in said district shall be at least twenty times the number of teachers employed in said district. (98 v. 200.)

While no appropriation was made for state assistance, the remaining features of the law are in force just the same and boards of education are required to pay the minimum salary of forty dollars a month for eight months, provided the levy of twelve mills, three-fourths of which shall be placed in the tuition fund, will be sufficient for this purpose. Where the levy is not sufficient for this purpose, the schools should be continued for eight months at the highest salary the amount received from the levy will permit.

If a board of education require its committee on teachers or, in city districts, the superintendent, to report the teachers for reappointment and the newly appointed teachers on separate lists, the adoption of the report or the confirmation of the appointments by the superintendent is sufficient consideration as required by law.

The restriction that no contract is valid unless money is in treasury and set apart, does not apply to contracts authorized by the provisions of law to be made for employing teachers and other school employees; see Sec. 2834b, under 3971.

Vote necessary to elect superintendent and teachers; Sec. 3982.

Sec. 6975a. It shall be unlawful for any person to offer or give, directly or indirectly, any reward or consideration, or make any present or reduction in price to any person employed in any of the public schools of this state, or to any officer having any authority or control over the same for favoring, recommending or advocating the introduction, adoption or use, in the school in which such person is employed, or over which such officer has any authority or control, of any text-book, map, chart, globe, or other school supplies, or to induce him so to do; and it shall be unlawful for any such employee or officer, to accept or to offer or agree to receive or accept any reward, consideration, present, gift, or reduction in price for so doing; and it shall also be unlawful for any local director or member of a board of education to vote for, or participate in the making of any contract with any person as a teacher or instructor in any of the public schools of this state to whom he is related as father or brother, or to act in any matter in which he is pecuniarily interested, or to receive, or offer to accept or receive any reward or

gain for any official act. Any person violating any of the foregoing provisions shall, upon conviction, be fined not less than twenty-five dollars, and not more than five hundred dollars, or be imprisoned not more than six months, or both.

Note—A member of a board of education cannot legally vote for any person related, either by blood or marriage, in the degrees mentioned in Sec. 6975a.

Where instruction in rhetoric is given in any grade or department of the school, and one of the rules adopted by the board for the government of the pupils therein provides that if any pupil should fail to be prepared with a rhetorical exercise at the time appointed therefor, he or she should, unless excused on account of sickness or other reasonable cause, be immediately suspended from such department, it was held that such a rule was reasonable. 29 O. S., 89.

This section, as enacted March 31, 1892, repealed by implication the same section as enacted March 15, 1892. 1 N. P., 286.

The passage of a resolution to employ a certain teacher, notice sent to him, and the party accepting and entering upon his duties, constitutes a valid contract between the school board and the teacher. 12 C. C., 249.

Instructor or teacher having sexual intercourse with female pupil; see Sec. 7024, R. S.

Illegal provisions in a contract to employ a teacher, which are separate from the legal part and are not performed, do not invalidate his right to recover his salary, as where he was employed at a certain salary, with a provision that if he could not do the work alone he should have power to employ assistance at his own expense, but he performed the service without an assistant. 29 O. S., 161.

Under R. S., Sec. 4017, as amended March 11, 1898, final power is conferred upon township boards of education in the matter of electing teachers in township sub-districts. 5 N. P., 446.

Township boards of education can, when the best interests of the school require it, reject teachers recommended by the sub-directors and cannot be required to give reasons for such action.

Boards of education are authorized to adopt and enforce necessary rules and regulations for the government of schools under their management and control. *Şewall v. Board of Education*, 29 O. S., 89. See Sec. 3965.

A committee on teachers appointed by the board, or the director of a subdistrict, may make recommendations to the board, but no teacher, or other employee, can be legally elected except at a meeting of the board of education, and by a majority vote of the entire board and after the manner directed in section 3982. If the meeting is a special one, each member must have been notified in accordance with the provisions of section 3920.

The dismissal of a teacher or other employee is business and must be transacted at a regular or special meeting, and reasons therefor must be spread upon the minutes.

If a teacher is employed for a definite time, and, during the period of his employment, the district officers close the schools on account of the prevalence of contagious diseases, and keep them closed for a time, and the teacher continues ready to perform his contract, he is entitled to full wages during such period. The act of God is not an excuse for non-performance of a contract unless it renders performance impossible; if it merely makes it difficult and inexpedient, it is not sufficient. Although under such circumstances it is eminently prudent to dismiss school, yet this affords no reason why the misfortune of the district should be visited upon the teacher. *Dewey v. Union School District of Alpena*, 43 Mich., 480.

A person who engages to teach for a definite term, and leaves the school without just cause, cannot sustain an action for services already rendered. 29 Vt., 219.

It has been held in New York that absence of a teacher for a single day without consent of the trustees annuls the contract. New York Code of Instruction, pp. 705, 723, 731.

But a teacher abandoning his school because not sustained by the trustees in the enforcement of reasonable rules is entitled to wages for the time taught. 7 Vermont, 452; 55 Mo., 149.

The discharge of a janitor's duties is no part of a teacher's work; and, in the absence of a contract to perform such duties, he is under no legal obligation to do so, no difference what may have been the custom in the district, nor how long acquiesced in.

The teacher cannot compel pupils to do any janitorial work, such as building fires or sweeping school houses. 97 Ill., 375.

Many city boards of education have as one of their standing rules that all of their employees shall hold their positions at the discretion of the board. This condition in a contract with employees hired for a specified time is null and void. The statute names the causes for which an appointee may be dismissed, and that appointee can be dismissed for no other. A rule of a board of education cannot override a state law.

Sec. 4017a. [Superintendents and teachers in city districts; appointment and term of office; duties.] The board of education in each city school district shall appoint a suitable person to act as superintendent of the public schools of the district, for a term not longer than five school years, the term to begin within four months of such appointment. Provided, that the present board of education shall not employ a superintendent for a term to exceed [extend] beyond the school year ending August 31, 1905. Said superintendent shall, upon his acceptance of the appointment, become thereby empowered to appoint, subject to the approval and confirmation of the board, all the teachers, and he may for cause suspend any person thus appointed until the board or a committee of the board may consider such suspension, but no one shall be dismissed by the board except as provided in section 4017 of the Revised Statutes of Ohio; provided that any city board of education may, upon a three-fourths vote of its full membership, re-employ any teacher whom the superintendent refuses to appoint. Said superintendent shall visit the schools under his charge, direct and assist teachers in the performance of their duties, classify and control the promotion of pupils, and perform such other duties as the board may determine. He shall report to the board of education annually, and oftener if required, as to all matters under his supervision, and may be required by the board to attend any and all of its meetings and may take part in its deliberations but shall not vote.

[Superintendent and teachers in other districts; appointment and term of office; duties.] The board of education of each village, township and special school district may appoint a suitable person to act as superintendent, and to employ the teachers of the public schools of the district, for a term not longer than three school years, the term to begin within four months of the date of the appointment; but nothing herein shall be construed as preventing two or more districts uniting and appointing the same person as superintendent. Provided, that the present board of education shall not employ a superintendent or teacher for a term to extend beyond the school year ending August 31, 1905. The superintendent shall, upon his acceptance of the appointment, become thereby empowered to visit the schools under his charge, direct and assist teachers in the performance of their duties, classify and control the promotion of pupils, and perform such other duties as the board may determine. He shall report to the board of education annually, and oftener if required, as to all matters under his supervision, and may be required by the board to attend any and all of its meetings, and may take part in its deliberations, but shall not vote; provided, however, that any board may permit or require the superintendent to devote a portion of

his time to teaching, subject to the rules and regulations of said board. (97 v. 362; 94 v. 377.)

Sec. 4018. [Teachers, duties of; janitor work not required.]

All teachers shall exercise reasonable care in regard to all school property, apparatus, and supplies intrusted to their keeping. They shall strive to guard the health and physical welfare of the pupils in their schools, give efficient instruction in the studies pursued, and endeavor to maintain and preserve good discipline over all the pupils under their charge. Provided, however, that no teacher shall be required by any board to do the janitor work of any school room or building, except as mutually agreed by special contract, and for compensation in addition to that received by him for his services as teacher. (97 v. 363; 93 v. 48; 89 v. 96; 87 v. 46; 70 v. 195, § 53.)

A teacher may decline to perform janitor service until the board makes a special contract with him for such service for compensation in addition to his salary as teacher.

Sec. 4019. [Teachers dismissed for insufficient cause may institute suit.] If the board of education of any district dismiss any teacher for any frivolous or insufficient reason, such teacher may bring suit against such district, and if, on the trial of the cause, a judgment be obtained against the district, the board thereof shall direct the clerk to issue an order upon the treasurer for the sum so found due to the person entitled thereto, to pay the same out of any money in his hands belonging to such district, and applicable to the payment of teachers; and in such suits process may be served on the clerk of the district, and service upon his [him] shall be sufficient. (97 v. 363; 89 v. 97; 76 v. 58, § 1.)

Since possession of a certificate is *prima facie* evidence of competency and good character the burden of sustaining a charge against the teacher for inefficiency, neglect of duty, immorality or improper conduct is thrown upon the person or persons preferring such charges.

TEXT-BOOK LAW.

Committee on teachers and text-books of township boards of education to recommend changes in text-books, etc., see Sec. 3920.

Where the committee on text-books of a school board recommended the adoption of a certain series of books, and the school board amended the report and then adopted it, this "determines" the books to be used under R. S., Sec. 4020, and exhausts the power to change them, and a majority vote ten days afterwards to reconsider is a nullity. 35 O. S., 368.

The adoption of the books being in connection with a proposition of the publisher, its terms as to prices are conditions of the adoption. Id.

A rule of the board, that resolutions for changing text-books shall be referred to a committee and delayed four weeks, is a reasonable one under R. S., Sec. 3985, and binding. Nor can a bare majority abrogate it, for Sec. 3982 must be construed with Sec. 3985. Hence, an adoption of a text-book by a majority, without reference to the committee and four weeks' delay, will not be enforced by mandamus on the application of a parent who has purchased the new books. 2 C. C., 510.

(4020-10) **Sec. 1. [Filing and preservation of copies and prices of school books.]** Any publisher or publishers of school books in the United States desiring to offer school books for use by pupils in the common schools of Ohio as hereinafter provided, shall, before such books may be lawfully adopted and purchased by any school board in this state, file in the office of the state commissioner of common schools a copy of each book proposed to be so offered, together with the published list wholesale price thereof, and no revised edition of any such book shall be used in the common schools until a copy of such revised edition shall have been filed in the office of the said commissioner together with the published list wholesale price thereof. The said commissioner shall carefully preserve in his office all such copies of books and the prices thereof so filed. (92 v. 282.)

(4020-11) **Sec. 2. [Maximum price; notification of publisher.]** Whenever and so often as any book and the price thereof shall be so filed in the commissioner's office as provided in section 1, a commission consisting of the governor, the secretary of state and the state commissioner of common schools shall immediately fix the maximum price at which such books may be sold to or purchased by boards of education as hereinafter provided, which maximum price so fixed on any book shall not exceed seventy-five per cent. of the published list wholesale price thereof, and the state commissioner of common schools shall imme-

diately notify the publisher of such books so filed, of the maximum price so fixed. If the publisher so notified, shall notify the commissioner in writing that he accepts the price so fixed, and shall agree in writing to furnish such book during a period of five years at the price so fixed, such written acceptance and agreement shall entitle said publisher to offer said book so filed for sale to said board of education for use by the pupil under the terms of this act. (92 v. 282.)

State commissioner of common schools, not authorized to permit publishers to withdraw books after they have been listed, before expiration of contract.

(4020-12) **Sec. 3. [Notices to boards; legality dependent on compliance.]** The said commissioner shall during the first half of the month of June, 1896, and during the first half of the month of June in each year thereafter, furnish to each board of education the names and addresses of all publishers who shall have during the year ending on the first day of said month of June in each year, agreed in writing to furnish their publications upon the terms provided in this act. And it shall not be lawful for any board of education to adopt or cause to be used in the common schools any book whose publisher shall not have complied, as to said book, with the provisions of this act. (92 v. 282.)

(4020-13) **Sec. 4. [Procedure upon violation of agreement by publisher.]** If any publisher who shall have agreed in writing to furnish books as provided in this act, shall fail or refuse to furnish such books adopted as herein provided to any board of education or its authorized agent upon the terms as herein provided, it shall be the duty of said board at once to notify the said commission of such failure or refusal, and the commission shall at once cause an investigation of such charge to be made, and if the same is found to be true the commission shall at once notify said publisher and each board of education in the state that said book shall not hereafter be adopted and purchased by boards of education: and said publisher shall forfeit and pay to the state of Ohio five hundred dollars for each failure, to be recovered in the name of the state, in an action to be brought by the attorney general, in the court of common pleas of Franklin county, or in any other proper court or in any other place where service can be made, and the amount, when collected, shall be paid into the state treasury to the credit of the common school fund of the state. (92 v. 282.)

(4020-14) **Sec. 5. [Studies, etc.; shipment of books, etc.; sale to pupils; purchase from pupils; free books.]** Each board of education on receiving the statements, above mentioned, from said commissioner, shall on the third Monday in August thereafter meet, and at such meeting, or at an adjourned meeting within two weeks after said Monday, determine by a majority vote of all members elected the studies to be

pursued and which of said text-books so filed shall be used in the schools under its control, but no text-books so adopted shall be changed, nor any part thereof altered or revised, nor shall any other text-book be substituted therefor for five years after the date of the selection and adoption thereof without the consent of three-fourths of all the members elected, given at a regular meeting; and each board of education shall cause it to be ascertained, and at regular meetings in April and August shall determine which, and the number of each of said books the schools under its charge shall require, until the next regular meetings in April and August, and shall cause an order to be drawn for the amount in favor of the clerk of the board of education, payable out of the contingent fund; and said clerk shall at once order said books so agreed upon by the board, of the publisher, and the publisher, on the receipt of such order, shall ship such books to said clerk without delay, and the clerk shall forthwith examine such books, and, if found right and in accordance with said order, remit the amount to said publisher, and the board of education shall pay all charges for the transportation of such books, out of the school contingent fund; but if said boards of education can, at any time, secure of the publishers books at a price less than said maximum price, it shall be its duty so to do, and may without unnecessary delay, make effort to secure such lower price before adopting any particular text-book. Each board of education shall have power to, and shall make all necessary provisions and arrangements, to place the books so purchased within easy reach of and accessible to all the pupils in their district, and for that purpose may make such contracts, and take such security as they may deem necessary, for the custody, care and sale of such books and accounting for the proceeds; but not to exceed ten per cent. of the cost price shall be paid therefor, and said books shall be sold to the pupils of school age in the district, at the price paid the publisher, and not to exceed ten per cent. therefor added, and the proceeds of such sale shall be paid into the contingent fund of such district, and whoever receives said books from the board of education for sale as aforesaid to the pupils, and fails to account honestly and fully for the same, or for the proceeds to the board of education when required, shall be guilty of embezzlement and punished accordingly. Provided, however, boards of education may contract with local retail dealers to furnish said books at prices above specified, the said board being still responsible to the publishers for all books purchased by the said board of education. And when pupils remove from any district, and have text-books of the kind adopted in such district, and not being of the kind adopted in the district to which they remove, and wish to dispose of the same, the board of the district from which they remove, when

requested, shall purchase the same at the fair value thereof, and resell the same as other books; and nothing in this act shall prevent the board of education from furnishing free books to pupils as provided by law. That for the purpose of carrying into effect the foregoing provisions of this act, and paying the expenses incident thereto, there be and is hereby appropriated out of any money in the state treasury, to the credit of the general revenue fund, not otherwise appropriated, the sum of five hundred dollars, to be disbursed and paid on the allowance and order of said commissioner. (92 v. 282.)

The meeting of a board of education at which it can lawfully adopt text-books must be held on the third Monday in August or within two weeks thereafter.

After text-books have been adopted, any substitution by a three-fourths vote of all the members of the board will be for the remainder of the five-year period for which the books displaced were adopted.

Penalty for bribery in sale of text-books and school apparatus, see Sec. 6875a, given in full under Sec. 4017.

(4020-15) **Sec. 1. [Purchase of Howe's Historical Collections of Ohio for schools; payment.]** The boards of education of city, village, township and special school districts in the state be and are hereby authorized to purchase for each school in either of said districts one copy of "Howe's Historical Collections of Ohio," to be used as a reference book in the study of the history of the state; provided that said book shall be in quality, style, binding and finish equal to the present published edition of said work, bound in half Russia leather, and shall cost not to exceed three dollars per volume, for each set of three volumes; provided further, that the price of the books and cost of transportation shall be paid out of the contingent fund of said district. (89 v. 241.)

(4020-16) **Sec. 2. [Care and preservation of books.]** Said books, during the vacations of schools, or when the schools are not in session, shall be taken care of in the same manner that maps, globes, dictionaries and other school apparatus are cared for and preserved. (89 v. 241.)

(4020-17) **Sec. 1. [Physical training in city schools.]** Physical training shall be included in the branches to be regularly taught in public schools in city school districts, and in all educational institutions supported wholly or in part by money received from the state, and it shall be the duty of the boards of education of city school districts, and boards of such educational institutions to make provisions in the schools and institutions under their jurisdiction for teaching of physical training, and to adopt such methods as shall adapt the same to the capacity of the pupils in the various grades therein; and other boards may make such provisions. The curriculum in all normal schools of this state shall contain a regular course on physical education. (97 v. 364; 89 v. 276.)

(4020-18) **Sec. 1. [Manual training departments, commercial departments and kindergartens authorized.]** Any board of education

may establish and maintain manual training and commercial departments and kindergartens in connection with the public school system and pay the expenses of establishing and maintaining said schools from the public school funds, in the same manner and from the same funds as other school expenses are paid. (97 v. 364; 84 v. 92.)

(4020-19) **Sec. 1.** Repealed April 25, 1904.

(4020-20) **Sec. 2.** Repealed April 25, 1904.

(4020-21) **Sec. 1.** Repealed April 25, 1904.

(4020-22) **Sec. 2.** Repealed April 25, 1904.

(4020-23) **Sec. 1.** [Instruction in the effects of alcoholic drinks and other narcotics; made a regular branch of study.] The nature of alcoholic drinks and other narcotics, and their effects on the human system, in connection with the various divisions of physiology and hygiene, shall be included in the branches to be regularly taught in the common schools of the state, and in all educational institutions supported wholly, or in part, by money from the state; and it shall be the duty of boards of education, and boards of such educational institutions to make suitable provisions for this instruction in the schools and institutions under their respective jurisdiction, giving definite time and place for this branch in the regular course of study; and to adopt such methods as will adapt the same to the capacity of pupils in the various grades; and to corresponding classes as found in ungraded schools; the same tests for promotion shall be required in this as in other branches. (94 v. 396; 85 v. 213.)

(4020-24) **Sec. 2.** [Instruction required in teachers' institutes and teachers' training schools; teachers' certificate must contain; enforcement of law.] In all teachers' institutes, also in all normal schools and teachers' training classes which shall hereafter be established by the state, adequate time and attention shall be given to instruction in the best methods of teaching this branch. No certificate shall be granted to any person to teach in the common schools or in any educational institution supported as aforesaid who does not pass a satisfactory examination on this subject, and the best methods of teaching the same. It shall be the duty of the state commissioner of common schools to see that the provisions in this section relating to county teachers' institutes, and schools and classes by whatever name hereafter established for training teachers, and the examination of teachers, are carried out; and said commissioner shall, each year, make full report of the enforcement of said section in connection with his annual report. (94 v. 396; 85 v. 213.)

(4020-25) **Sec. 3.** [Penalty for failure to enforce law; jurisdiction of courts.] Any school official, or any employe in any way concerned, in the enforcement of the act, who wilfully refuses or neglects

to provide for, or to give the instruction required by this act, shall be fined, and shall pay for each offense the sum of twenty-five dollars. Mayors, justices of the peace and probate judges shall have concurrent jurisdiction with the common pleas court to try the offenses described in this act and all fines, or penalties, collected under this act shall be paid into the general county school fund of the county in which such fine or penalty was collected. (94 v. 396; 85 v. 213.)

Sec. 4021. [German language taught, how.] Boards of education are authorized to provide for the teaching of the German language in the elementary and high schools of the district over which they have control, but said language shall only be taught in addition to, and as auxiliary to, the English language; all the common branches in the public schools shall be taught in the English language. (97 v. 364; 70 v. 195, § 52.)

Sec. 4022. [Pupils may be sent from one district to another.] The board of any district may contract with the board of any other district for the admission of pupils into any school in such other district, on such terms as may be agreed upon by such boards; and the expense so incurred shall be paid out of the school funds of the district sending such pupils. (73 v. 243, § 64.)

Who may be admitted to the public schools; see Sec. 4013.

The contract must be express, merely permitting the attendance of a non-resident pupil creates no liability. 50 O. S., 439.

Sec. 4022a. [Attendance when pupils live over one and one-half miles from school; payment of tuition, how computed.] When pupils live more than one and one-half miles from the school to which they are assigned in the district in which they reside, they are entitled to attend a nearer school in the same district, or if there be no nearer school in said district, they may attend the nearest school in another school district, in all grades below the high school, and in such cases the board of education of the district in which they reside shall be compelled to pay the tuition of such pupils without an agreement to that effect, but a board of education shall not collect tuition for attendance as provided herein until after notice of such attendance shall have been given to the board of education of the district where the pupils reside, but nothing contained herein shall be construed to require the consent of the board of education of the district where the pupils reside, to such attendance; said tuition shall be paid from either the tuition or the contingent funds and the amount per capita shall be ascertained by dividing the total expenses of conducting the elementary schools of the district attended, exclusive of permanent improvements and repairs, by the total enrollment in the elementary schools of the district, said amount to be computed by the month and an attendance any part of a month shall create a liability

for the whole month. When the schools of a district are centralized or transportation of pupils provided, the provisions of this section shall not apply. (97 v. 364; 92 v. 132; 91 v. 54; 90 v. 295; 89 v. 233.)

No contract between the boards is necessary. If the receiving board give the permission, the sending board must pay, no permission of the sending board is necessary. 10 C. C., 617.

The distance is to be measured by the most direct public highway, from the school house to the nearest portion of the curtilage of the child's residence. 58 O. S., 390.

This section of the law does not apply where transportation is furnished to pupils.

COMPULSORY EDUCATION.

"The statute passed by the general assembly of the state of Ohio, April 25, 1890, entitled 'An act to compel children under 14 years of age to attend school a certain length of time each year'; Held to be constitutional.

"The provisions of section 11 of said statute apply to the principals and teachers of parochial schools, such schools being included in the term 'private schools.'

"1st. The proviso to section 9 of the act is: 'Provided that this law shall not be operative in any school district where there are not sufficient seating accommodations to seat children compelled to attend school under the provisions of this act'; Held, the provision does not require the furnishing of seating accommodations for children attending private schools.

"Held, further, that the burden of proving that there was not sufficient seating capacity was incumbent, in the first instance, upon the defendant; but upon the whole evidence the burden of proof remains with the prosecution.

"Section 13 of the act, as amended, does not give mayors, justices of the peace and probate judges *exclusive* jurisdiction to try persons or officers for neglecting to perform duties required of them under said act, but the jurisdiction conferred upon them is concurrent with that of the court of common pleas. In criminal prosecutions the state has a right to demand and have a struck jury to try the case." 5 C. C., 638; Aff'd by Supreme Court (no report).

Sec. 4022-1. [In what branches children must be taught; necessary time of attendance; excuse; appeal in case of refusal to excuse.]
All parents, guardians and other persons who have care of children, shall instruct them, or cause them to be instructed in reading, spelling, writing, English grammar, geography and arithmetic. Every parent, guardian or other person having charge of any child between the ages of eight and fourteen years shall send such child to a public, private or parochial school, for the full time that the school attended is in session, which shall in no case be for less than twenty-four weeks, and said attendance shall begin within the first week of the school term, unless the child is excused from such attendance by the superintendent of the public schools, in city or other districts having such superintendent, or by the clerk of the board of education in village, special and township districts not having such superintendent, or by the principal of the private or parochial school, upon satisfactory showing, either that the bodily or mental condition of the child does not permit of its attendance at school, or that the child is being instructed at home by a person qualified, in the opinion of the superintendent of schools in city or other districts having such superintendent, or the clerk of the board of education in special, village and township districts not having such superintendent, to teach the branches named in this section. In case such superintendent, principal or clerk refuse to excuse a child from attendance at school, an appeal may be taken from such decision to the probate judge of the county, upon the

giving of a bond, within ten days after such refusal, to the approval of said judge, to pay all the cost of the appeal, and the decision of the probate judge in the matter shall be final. All children between the ages of fourteen and sixteen years, not engaged in some regular employment, shall attend school for the full term the schools of the district in which they reside are in session during the school year, unless excused for [the] reasons above named. Any parent, guardian, or other person, having care of a child between the ages of eight and fourteen years, who shall, in violation of the provisions of this section, fail to place such child in school at the commencement of the annual school term within the time prescribed in this section, shall upon conviction, be fined not less than five dollars nor more than twenty dollars. And upon the failure or refusal of any such parent, guardian, or other person to pay said fine, then said parent, guardian, or other person shall be imprisoned in the county jail not less than ten days nor more than thirty days. (95 v. 615; 90 v. 285; 86 v. 333; 89 v. 389; 87 v. 316, 143.)

Sec. 4022-7. No child under the age of fourteen years shall be employed in any factory, workshop, mercantile or other establishment, directly or indirectly; and no child under fourteen years of age shall be employed at any work performed for wages or other compensation, or in assisting any person employed as a wage-earner, when the public schools in which district such child resides are in session.

Sec. 4022-2. [Employment of children under sixteen years of age; penalty.] No child under sixteen years of age shall be employed or be in the employment of any person, company or corporation during the school term and while the public schools are in session, unless such child shall present to such person, company or corporation an age and schooling certificate herein provided for. An age and schooling certificate shall be approved only by the superintendent of schools, or by a person authorized by him, in city or other districts having such superintendent, or by the clerk of the board of education in village, special and township districts not having such superintendent, upon a satisfactory proof of the age of such minor and that he has successfully completed the studies enumerated in section 4022-1 of the Revised Statutes of Ohio; or if between the ages of fourteen and sixteen years, a knowledge of his or her ability to read and write legibly the English language. The age and schooling certificate shall be formulated by the state commissioner of common schools and the same furnished, in blank, by the clerk of the board of education. Every person, company or corporation employing any child under sixteen years of age, shall exact the age and schooling certificate prescribed in this section, as a condition of employment and shall keep the same on file, and shall upon request of the truant officer herein provided for, permit him to examine such age and schooling certificate. Any person, company or corporation, employing any minor con-

trary to the provisions of this section shall be fined not less than twenty-five nor more than fifty dollars. (97 v. 365; 95 v. 616; 90 v. 285; 86 v. 334, § 2.)

Sec. 302. No child under fifteen years of age shall be allowed to work in any mine, during the school term of the public schools in the district in which such minor resides, and no child under fourteen years of age shall be employed in any mine during the vacation interim of the public schools in the school district in which such minor resides, and in all cases of minors applying for work the agent of such mine shall see that the provisions of this section are not violated; he shall also keep a record of all minors employed by him, or by any person employed in said mines, giving the name, age, place of birth, parents' name and residence, with character of employment, and he shall demand from such minor proof that he has complied with the requirements of the school laws; and it shall be the duty of the mine inspector to inspect such record and to report to the chief inspector of mines the number of minors employed in or about such mines and to enforce the provisions of this section.

Sec. 4022-3. [Attendance of minors in certain cases; employment of such minors; penalty.] All minors over the age of fourteen and under the age of sixteen years, who cannot read and write the English language shall be required to attend school as provided in section 4022-1 of the Revised Statutes of Ohio and all the provisions of said section shall apply to said minors; provided, that such attendance shall not be required of such minors after they have secured a certificate from the superintendent of schools, in districts having superintendents or the clerk of the board of education in districts not having superintendents, that they can read and write the English language. No person, company or corporation shall employ any such minor during the time schools are in session, or having such minor in their employ shall immediately cease such employment, upon notice from the truant officer who is hereinafter provided for. Every person, company or corporation violating the provisions of this section shall be fined not less than twenty-five nor more than fifty dollars. (95 v. 617; 90 v. 286; 86 v. 334; §§ 3, 4; 87 v. 143.)

Boards of education are authorized by section 3085 to make rules and regulations for the government of the schools under their control; they can therefore prescribe the part of the day to be attended under this section of the law, whether morning or afternoon.

What attendance at night school is equivalent to attendance at day school, see Sec. 4029.

"Write legibly simple sentences in the English language," evidently means, not the copying of such sentences, but the writing of them at dictation.

Sec. 4022-4. [Juvenile disorderly persons.] Every child between the ages of eight and fourteen years, and every child between the ages of fourteen and sixteen years unable to read and write the English language, or not engaged in some regular employment, who is an habitual truant from school, or who absents itself habitually from school, or who, while in attendance at any public, private or parochial school, is incor-

rigible, vicious or immoral in conduct, or who habitually wanders about the streets and public places during school hours having no business or lawful occupation, shall be deemed a juvenile disorderly person, and be subject to the provisions of this act. (95 v. 617; 90 v. 286; 86 v. 335, § 5; 90 v. 57; 88 v. 136.)

Many different meanings are likely to be attached to the phrases "regular employment," "habitual truant," "lawful occupation," etc., and in the absence of any decision of the court defining these expressions, it is very difficult, in fact scarcely possible, to draw an exact line of definition. Boards of education should adopt rules governing such matters. Such rules should inform the public as to the interpretation placed upon these expressions by the board, and if reasonable, would almost certainly be sustained by the courts.

Proceedings against juvenile disorderly persons, see Sec. 4022-8.

Sec. 4022-5. [Truant officers; powers and duties.] To aid in the enforcement of this act, truant officers shall be appointed and employed as follows: In city districts the board of education shall appoint and employ one or more truant officers; in special, village and township districts the board of education shall appoint a constable or other person as truant officer. The compensation of the truant officer shall be fixed and paid by the board appointing him. The truant officer shall be vested with police powers, the authority to serve warrants, and shall have authority to enter workshops, factories, stores and all other places where children may be employed, and do whatever may be necessary, in the way of investigation or otherwise, to enforce this act; he is also authorized to take into custody the person of any youth between eight and fourteen years of age, or between fourteen and sixteen years of age when not regularly employed or when unable to read and write the English language, who is not attending school, and shall conduct said youth to the school he has been attending, or which he should rightfully attend. The truant officer shall institute proceedings against any officer, parent, guardian, person or corporation violating any provisions of this act, and shall otherwise discharge the duties described in this act, and perform such other services as the superintendent of schools or the board of education may deem necessary to preserve the morals and secure the good conduct of school children, and to enforce this act. The truant officer shall keep a record of his transactions for the inspection and information of the superintendent of the schools and the board of education; and he shall make daily reports to the superintendent of schools during the school term in districts having superintendents, and to the clerk of the board of education in districts not having superintendents, as often as required by him. Suitable blanks for the use of the truant officer shall be provided by the clerk of the board of education. (95 v. 617; 90 v. 286; 86 v. 335, § 6; 87 v. 325, 144.)

Chief and district inspectors of workshops have authority of truant officers, etc., under act as to employment of minors; see Sec. 6986-10, R. S.

Ch. 9.

Schools and Attendance Enforced.

Where a pupil is attending school in a district in which he does not reside, he is under the jurisdiction of the school officers of the district where he attends.

Sec. 4022-6. [Report of principal and teachers.] It shall be the duty of all principals and teachers of all schools, public, private and parochial, to report to the clerk of the board of education of the city, special, village or township district in which the schools are situated, the names, ages and residences of all pupils in attendance at their schools, together with such other facts as said clerk may require in order to facilitate the carrying out of the provisions of this act, and the clerk shall furnish blanks for such purpose, and such report shall be made during the last week of each month from September to June inclusive of each year. It shall be the further duty of such principals and teachers to report to the truant officer, the superintendent of public schools, or the clerk of the board of education, all cases of truancy or incorrigibility in their respective schools as soon after these offenses have been committed as practicable. (95 v. 618; 90 v. 287.)

See 5 C. C., 638, immediately preceding Sec. 4022-1.

Boards of education should have blank forms printed to comply with the provisions of this section of the law.

Sec. 4022-7. [Proceedings in case of truancy; penalties.] On the request of the superintendent of schools or the board of education, or when it otherwise comes to his notice, the truant officer shall examine into any case of truancy within his district, and warn the truant and his parents, guardian or other person in charge, in writing, of the final consequences of truancy if persisted in. When any child between the ages of eight and fourteen years, or any child between the ages of fourteen and sixteen years who cannot read and write the English language or who is not regularly employed, is not attending school, in violation of the provisions of this act, the truant officer shall notify the parent, guardian or other person in charge of such child, of the fact, and require such parent, guardian or other person in charge, to cause the child to attend some recognized school within two days from the date of the notice; and it shall be the duty of the parent, guardian or other person in charge of the child, so to cause its attendance at some recognized school. Upon failure to do so, the truant officer shall make complaint against the parent, guardian or other person in charge of the child, in any court of competent jurisdiction in the city, special, village or township district in which the offense occurs, for such failure, and upon conviction, the parent, guardian or other person in charge, shall be fined not less than five dollars nor more than twenty dollars, or the court may in its discretion, require the person so convicted to give a bond in the penal sum of one hundred dollars, with sureties to the ap-

proval of the court, conditioned that he or she will cause the child under his or her charge to attend some recognized school within two days, thereafter and to remain at such school during the term prescribed by law; and upon the failure or refusal of any such parent, guardian or other person to pay said fine and costs or furnish said bond according to the order of the court, then said parent, guardian or other person shall be imprisoned in the county jail not less than ten days nor more than thirty days. (95 v. 618; 90 v. 287; 86 v. 336, §§ 8, 9.)

Under this section trial by jury is not authorized. The courts have discriminated between imprisonment as a direct penalty for an offense and imprisonment used as a means of enforcing the payment of a fine. 42 O. S., 196. Section 12 of this law makes imprisonment a direct penalty for the offense and hence provides for a trial by jury.

For form of notice, see Appendix.

Sec. 4022-8. [Proceedings against juvenile disorderly persons.]

If the parent, guardian or other person in charge of any child shall, upon the complaint under the last section for failure to cause the child to attend a recognized school prove inability to do so, then he or she shall be discharged, and thereupon the truant officer shall make complaint that the child is a juvenile disorderly person within the meaning of section 4022-4 of the Revised Statutes of Ohio. If such complaint be made before any mayor, justice of the peace, or police judge, it shall be certified by such magistrate to the probate judge. The probate judge shall hear such complaint, and if he determine that the child is a juvenile disorderly person within the meaning of section 4022-4 of the Revised Statutes of Ohio he shall commit the child if under ten years of age, and eligible for admission thereto, to a children's home, or if not eligible, then to a house of refuge if there be one in the county or to the boys' industrial school or the girls' industrial home, or to some other juvenile reformatory. No child over ten years of age shall be committed to a county children's home, and any child committed to a children's home, may on request of the trustees of such home and it being shown that it is vicious and incorrigible, be transferred by the probate judge to the boys' industrial school or the girls' industrial home. A child committed to any juvenile reformatory under this section, shall not be detained there beyond the age of sixteen years and may be discharged sooner by the trustees under the restrictions applicable to other inmates. Any order of commitment to a juvenile reformatory may be suspended, in the discretion of the probate judge, for such time as the child may regularly attend school and properly conduct itself. The expense incurred in the transportation of a child to a juvenile reformatory and the costs in the case in which the order of commitment is made, or the child discharged, or in which judgment is suspended, shall be paid by the county where the offense was committed, after the manner provided in section 759 of

Ch. 9.

Schools and Attendance Enforced.

the Revised Statutes of Ohio. Provided, further, that if for any cause the parent, guardian or other person in charge of any juvenile disorderly person as defined in section 4022-4 of the Revised Statutes of Ohio shall fail to cause such juvenile disorderly person to attend a school, then complaint against such juvenile disorderly person shall be made, heard and determined in like manner as provided in case the parent proves inability to cause such juvenile disorderly person to attend school. (95 v. 619; 90 v. 288; 86 v. 337, § 8; 87 v. 325, 144.)

As to first giving notice to the board of county visitors, see Sec. 633-18, R. S.

Attention is called to the fact that only the probate judge can commit the child to any of the reformatory institutions; see Sec. 11.

Sec. 4022-9. [Relief to enable child to attend school required time.] When any truant officer is satisfied that any child, compelled to attend school by the provisions of this act, is unable to attend school because absolutely required to work, at home or elsewhere, in order to support itself or help support or care for others legally entitled to its services, who are unable to support or care for themselves, the truant officer shall report the case to the authorities charged with the relief of the poor, and it shall be the duty of said officers to afford such relief as will enable the child to attend school the time each year required under this act. Such child shall not be considered or declared a pauper by reason of the acceptance of the relief herein provided for. In case the child, or its parents or guardian, refuse or neglect to take advantage of the provisions thus made for its instruction, such child may be committed to a children's home or a juvenile reformatory, as provided for in section 4022-8 of the Revised Statutes of Ohio. In all cases where relief is necessary it shall be the duty of the board of education to furnish text-books free of charge and said board may furnish any further relief it may deem necessary, the expenses incident to furnishing said books and the relief to be paid from the contingent funds of the school district. (95 v. 620; 90 v. 289; 86 v. 337, § 8.)

This section of the law refers to *all* authorities charged with the relief of the poor, and makes it the duty of such authorities, and of the board of education, to see that no child is prevented from receiving an education on account of poverty.

Sec. 4022-10. [As to institution of deaf and dumb or institution for blind.] The provisions of this act shall apply to children entitled under existing statutes, to attend school at the institution for the deaf and dumb or the institution for the blind, so far as the same are properly enforceable. Truant officers shall, within sixty days after the passage of this act, and annually between the first day of July and the first day of August, report to the probate judge of their respective counties the names, ages and residence of all such children between the ages of eight

and eighteen years, with the names and postoffice address of their parents, guardians or the persons in charge of them; also a statement whether the parents, guardians or person in charge of each child is able to educate and is educating the child, or whether the interests of the child will be promoted by sending it to one of the state institutions mentioned. Upon information thus or otherwise obtained, the probate judge may fix a time when he will hear the question whether any such child shall be required to be sent for instruction to one of the state institutions mentioned, and he shall thereupon issue a warrant to the proper truant officer or some other suitable person, to bring the child before such judge at his office at the time fixed for the hearing; and shall also issue an order on the parents, guardian or person in charge of the child to appear before him at such hearing, a copy of which order, in writing shall be served personally on the proper person by the truant officer or other person ordered to bring the child before the judge. If, on the hearing, the probate judge is satisfied that the child is not being properly educated at home, and will be benefited by attendance at one of the state institutions mentioned, and is a suitable person to receive instruction therein, he may send or commit such child to such institution. The cost of such hearing, and the transportation of the child to such institution shall be paid by the county after the manner provided, where a child is committed to a state reformatory under section 4022-8 of the Revised Statutes of Ohio; provided nothing in this section contained shall be construed to require the trustees of either of the state institutions mentioned, to receive any child not a suitable subject to be received and instructed therein, under the laws, rules and regulations governing such institutions. (95 v. 620; 90 v. 289; 86 v. 337, § 8.)

Sec. 4022-11. [Penalties; jurisdiction; violations by corporations; disposition of fines collected; employment of attorney; compensation.]

Any officer, principal, teacher or other person mentioned in this act, neglecting to perform any duty imposed upon him by this act, shall be fined not less than twenty-five dollars nor more than fifty dollars for each offense. Any officer or agent of any corporation violating any provision of this act, who participates or acquiesces in or is cognizant of such violation, shall be fined not less than twenty-five dollars nor more than fifty dollars. Any person who violates any provision of this act for which a penalty is not elsewhere in this act provided, shall be fined not more than fifty dollars. Mayors, justices of the peace, police judges, and probate judges shall have jurisdiction to try the offenses described in this act, and their judgment shall be final. When complaint is made, information filed, or indictment found against any corporation for violating this act, summons shall be served, appearance made, or plea entered,

as provided in section 7231, Revised Statutes of Ohio, except that in complaints before magistrates, service shall be made by the constable. In all other cases process shall be served and proceedings had, as in cases of misdemeanor. In every case of complaint against a child involving commitment to any children's home or juvenile reformatory, the board of county visitors shall be notified and must attend and protect the interest of the child on the hearing, as provided in section 633-18 of the Revised Statutes of Ohio; and the order of commitment of the child to a state reformatory must show that the county visitors were so notified and attended the hearing. All fines collected under the provisions of this act shall be paid into the funds of the school district in which the offense was committed. Boards of education are authorized to employ legal counsel to prosecute any case arising under the provisions of this act when it shall deem the same necessary, and the services of such counsel shall be paid for from the contingent fund of the district. (95 v. 621; 90 v. 290; 86 v. 338. §§ 11, 12, 13; 87 v. 326, 145.)

"Private schools" include parochial schools, 5 C. C., 638; Aff'd by S. C.

The jurisdiction here conferred is not exclusive but is concurrent with the common pleas. *Id.*

Sec. 4022-12. [Repeated violations.] Every person who, after being once convicted for violating any of the provisions of this act, shall be convicted of again violating any of the provisions of this act, may, in addition to the punishment by way of a fine elsewhere provided for, be imprisoned not less than ten days nor more than thirty days. On complaint, before a mayor, justice of the peace, or police judge of a second violation of this act involving punishment by imprisonment, if a trial by jury be not waived, a jury shall be chosen and the case tried, after the manner provided in section 3718a, of the Revised Statutes of Ohio. (95 v. 622; 90 v. 290.)

Sec. 4022-13. [Sufficient school accommodations to be provided.] It is hereby made the duty of every board of education in this state, to provide sufficient accommodations in the public schools for all children in their district compelled to attend the public schools under the provisions of this act. Authority to levy the tax and raise the money necessary for such purpose, is hereby given the proper officers charged with such duty under the law. (95 v. 622; 90 v. 291.)

"Each board of education shall establish a sufficient number of schools to provide for the free education of the youth of school age within the district under its control"; see Sec. 4007.

Sec. 4022-14. [Costs in prosecution under this act.] No person or officer instituting proceedings under this act shall be required to advance, or give security for costs; and if a defendant is acquitted or

discharged, or if convicted and committed to jail in default of payment of fine and costs, the justice, mayor, police judge or probate judge, before whom such case was brought shall certify such costs to the county auditor, who shall examine and, if necessary, correct the account, and issue his warrant to the county treasurer in favor of the respective persons to whom such costs are due for the amount due to each. (95 v. 622; 90 v. 291.)

This compulsory law is one of the most important educational measures of the last twenty-five years. While the law as it now exists in its amended form is easy of interpretation, its success will depend largely upon the interest taken in it by school superintendents, teachers and boards of education. Teachers should never forget that the treatment of the pupil after he has been compelled to attend school is a powerful factor in successfully carrying out the true spirit of this law.

AN ACT ESTABLISHING JUVENILE COURT.

Sec. 1. This act shall apply only to children seventeen (17) years of age or under, not inmates of a state institution, or any institution incorporated under the laws of the state for the care and correction of delinquent children. Provided, however, that when any child under the age of seventeen (17) years shall, under the provisions of this act, come into the custody of the juvenile court, such child shall continue for all necessary purposes of discipline, a ward of such court, until, if such child be a boy, he shall attain the age of twenty-one (21) years, and if such child be a girl, until she has attained the age of eighteen (18) years, and the power of said court upon any such child so brought under its jurisdiction prior to its attaining the age of seventeen (17) years shall be a continuing power until said child attains the age hereinbefore specified. The words "delinquent child" shall include any child seventeen (17) years of age or under such age who violates any law of this state or any city or village ordinance; or who is incorrigible; or who knowingly associates with thieves, vicious or immoral persons; or who is growing up in idleness or crime; or who knowingly visits or enters a house of ill repute; or who knowingly patronizes or visits any policy shop or place where any gambling device is, or shall be, operated; or who patronizes or visits any saloon or dram shop where intoxicating liquors are sold, or who patronizes or visits any public pool room or bucket shop; or who wanders about the streets in the night time; or who wanders about any railroad yard or tracks, or jumps or hooks onto any moving train or vehicle; or enters any car or engine without lawful authority; or who uses vile, obscene, vulgar, profane or indecent language, or is guilty of immoral conduct. Any child committing any of the acts herein mentioned shall be deemed a juvenile delinquent person, and shall be proceeded against as such in the manner hereinafter provided. A disposition of any child under this act, or any evidence given in such cause, shall not in any civil, criminal or other cause or proceeding whatever in any court be lawful or proper evidence against such child for any purpose whatever, excepting in subsequent cases against the same child under this act. The word "child" or "children" may mean one or more children or the word "parent" or "parents" may mean one or both parents when consistent with the intent of this act. For the purpose of this act the words "dependent child" or "neglected child" shall mean any child under seventeen (17) years of age who is dependent upon the public for support, or who is destitute, homeless, or abandoned; or who has not proper parental care or guardianship; or who begs or receives

alms; or who is found living in any house of ill fame, or with any vicious or disreputable persons; or whose home by reason of neglect, cruelty or depravity on the part of its parents, guardian or other person in whose care it may be, is an unfit place for such child; or whose environment is such as to warrant the state, in the interest of the child, in assuming its guardianship. Any child within the provisions of this act whose parents or guardians permits it to use or become addicted to the use of tobacco, spirituous or intoxicating liquors as a beverage and not for medicinal purposes, or whose parents or guardian rears, keeps, or permits it, in or about any saloon, or place where spirituous or intoxicating liquors are sold, or any gambling house, or place where gambling is practiced or carried on, or any house of ill fame or ill repute, shall be deemed to be without proper parental care or guardianship.

Section 2. Jurisdiction — The courts of common pleas, probate courts, and where established the insolvency and superior courts of those counties in this state, wherein three or more judges of the common pleas court regularly hold court concurrently, shall have original jurisdiction in all cases coming within the terms of this act. In all trials under this bill any person interested therein may demand a jury or the judge of his own motion may order a jury to try the case.

Sec. 3. The judges of the common pleas court, in counties wherein three or more such judges regularly hold court concurrently, together with the probate judge and the judges of the superior insolvency court, where such courts or either of them exists, shall, at such times as they may determine, designate one of their number whose duty it shall be to hear and determine all cases coming under this act, in a tribunal having jurisdiction within said county, to be called the juvenile court. Provided that in all other counties the probate judge shall act as judge of the juvenile court. A special room, not to be used for the trial of criminal matters where avoidable, shall be provided for the hearing of such cases, and the orders, judgments and findings of such court shall be entered in a separate book or books, known as a "juvenile record," which shall be kept by the clerk of said common pleas or other court whose judge may be so designated, who shall be clerk of such juvenile court.

Section 4. Petition to the court — Any person being a resident of this state having knowledge of a child in his county who appears to be either neglected, dependent or delinquent, may file with the clerk of a court having jurisdiction in the matter, a petition in writing, setting forth the facts verified by affidavit. It shall be sufficient that the affidavit is upon information and belief.

Section 5. Summons — Upon the filing of the petition a summons shall issue requiring the person having custody or control of the child, or with whom the child may be, to appear immediately with the child at a place stated in the summons.

The parent or guardian, or if there be neither, then any relative of such child, and his residence is known, shall be notified of the proceedings, and in any case the judge may appoint some suitable person to act in behalf of the child. If the person summoned as herein provided, shall fail without reasonable cause to appear and abide the order of the court, or bring the child, he may be proceeded against as in case of contempt of court.

In case the summons cannot be served or the party served fails to obey the same, and in any case when it shall be made to appear to the court that such summons will be ineffectual, a warrant may issue on the order of the court, either against the parent or guardian, or the person having custody of the child, or with whom the child may be, or against the child itself.

On the return of the summons or other process, or as soon thereafter as may be, the court shall proceed to hear and dispose

of the case in a summary manner. Pending the final disposition of any case, the child may be retained in the possession of the person having the charge of the same, or may be kept in some suitable place provided by the city or county authorities.

Sec. 6. The juvenile courts of the several counties in this state shall have authority to appoint or designate one or more discreet persons of good moral character to serve as probation officers during the pleasure of the court one of whom shall be a woman; said probation officers to receive no compensation from the county treasury except as herein provided. In case a probation officer shall be appointed by the court, it shall be the duty of the clerk of the court, if practicable, to notify the said probation officer when any child is to be brought before the court; it shall be the duty of such probation officer to make investigation of such case; to be present in court to represent the interests of the child when the case is heard; to furnish to the court such information and assistance as the court or judge may require and to take charge of any child before and after the trial, as may be directed by the court. The number of probation officers named and designated by the juvenile court shall be as follows: In counties having a population of over 130,000, not to exceed three probation officers, one probation officer to be known as the chief probation officer, who shall receive not more than \$1,500 per annum payable monthly, and when in the discretion of the court it is found necessary, a first assistant, who shall receive \$1,000 per annum payable monthly, to serve as probation officer during the pleasure of the court, and to be paid by the county treasurer out of any funds appropriated for the use of the judges of the common pleas, insolvency or probate courts, upon itemized vouchers sworn to by said officer or officers and certified to by the judge of the juvenile court; provided that said judge, if in his opinion the circumstances demand it, may appoint a third or fourth discreet person to serve as probation officer, who shall receive \$1,000 each per annum, payable monthly, and still other fit and willing persons who shall serve without compensation from the court; and said probation officers shall be and are hereby vested with all the powers and authority of sheriffs to make arrests, serve the process of said court and perform all other duties incident to their office.

Sec. 7. When any child under the age of seventeen (17) years shall be found to be dependent or neglected, within the meaning of this act, the court may make an order committing the child to the care of some suitable state institution or to the care of some reputable citizen of good moral character, or to the care of some training school or an industrial school, as provided by law, or to the care of some association willing to receive it, embracing in its objects the purposes of caring or obtaining homes for dependent or neglected children, which association shall have been accredited as hereinafter provided. The court may, when the health or condition of the child shall require it, cause the child to be placed in a public hospital or institution for treatment or special care, or in a private hospital or institution which will receive it, for like purposes without charge.

Section 8. Guardianship — In any case where the court shall award a child to the care of any association or individual in accordance with the provisions of this act, the child shall, unless otherwise ordered, become a ward, and be subject to the guardianship of the association or individual to whose care it is committed. Such association or individual shall have authority to place such a child in a family home, with or without indenture, and be made party to any proceedings for the legal adoption of the child, and may by its or his attorney or agent appear in any court where such proceedings are pending, and as-

sent to such adoption. And such assent shall be sufficient to authorize the court to enter the proper order or decree of adoption. Such guardianship shall not include the guardianship of any estate of the child.

Section 9. Disposition of Delinquent Children—In the case of a delinquent child the court may continue the hearing from time to time, and may commit the child to the care or custody of a probation officer; and may allow said child to remain in its own home, subject to the visitation of the probation officer; and subject to be returned to the court for further or other proceedings whenever such action may appear to be necessary; or the court may cause the child to be placed in a suitable family home, subject to the friendly supervision of a probation officer, and the further order of the court, or it may authorize the child to be boarded out in some suitable family home, in case provision is made by voluntary contribution or otherwise for the payment of the board of such child, until a suitable provision may be made for the child in a home without such payment; or the court may commit such child, if a boy, to a training school for boys, or, if a girl, to an industrial school for girls, or the court may commit the child to any institution within the county, incorporated under the laws of this state, that may care for delinquent children, or be provided by a city or county suitable for the care of such children, or to the boys' industrial school at Lancaster, or to any state institution which may be established for the care of delinquent boys, or if a girl over the age of nine (9) years, to the girls' industrial home at Delaware, or to any state institution which may be established for the care of delinquent girls. In no case shall a child be committed to such institution beyond the age of twenty-one (21). A child committed to such institution shall be subject to the control of the board of trustees thereof, and the said board shall have power to parole such child on such condition as it may prescribe; and on the recommendation of the board of trustees the superintendent shall have power to discharge such child from custody, or the court may commit the child to the care and custody of some association that will receive it, embracing in its objects the care of neglected or dependent children, and that has been duly accredited as hereinafter provided.

Sec. 10. When in any county where a court is held, as provided in section three (3) of this act, a child under the age of seventeen (17) years is arrested without warrant, such child, instead of being taken before a justice of the peace, or judge of a police court, shall be taken directly before such juvenile court; or, if the child is taken before a justice of the peace, or judge of a police court, it shall be the duty of such justice of the peace or judge of a police court, to transfer the case to such juvenile court, and the officer having the child in charge shall take the child before that court, and in any case the court may proceed to hear and dispose of the case in the same manner as if the child had been brought before the court upon petition, as hereinafter provided. In any case the court shall require notice to be given and investigation to be made, as in other cases under this act, and may adjourn the hearing from time to time for the purpose.

Section 11. Children Under Twelve Years not to be Committed to Jail—No court or magistrate shall commit a child under twelve (12) years of age to a jail or police station, but if such child is unable to give bail it may be committed to the care of the sheriff, police officer or probation officer, who shall keep such child in some suitable place provided by the city or county outside of the enclosure of any jail or police station.

When any child shall be sentenced by a juvenile court to confinement in any institution to which adult convicts are sen-

tenced, it shall be unlawful to confine such child in the same building with such adult convicts, or to confine such child in the same yard or enclosure with such adult convicts, or to bring such child into any yard or building in which adult convicts may be present.

Section 12. Agents of Juvenile Reformatories—It shall be the duty of the superintendent of the boys' industrial school at Lancaster, and of the girls' industrial home at Delaware, and the board of managers of any other institution to which juvenile delinquents may be committed by the courts, to maintain an agent of such institution, whose duty it shall be to examine the home of children paroled from such institution for the purpose of ascertaining and reporting to said court whether they are suitable homes; to assist children paroled or discharged from such institution in finding suitable employment, and to maintain a friendly supervision over paroled inmates during the continuance of their parole; such agents shall hold office subject to the pleasure of the board making the appointment and shall receive such compensation as such board may determine out of any funds appropriated for such institution applicable thereto.

Section 13. Supervision by Board of State Charities—All associations receiving children under this act shall be subject to the same visitation, inspection and supervision by the board of state charities as are the public charitable institutions of this state, and it shall be the duty of the said board to pass annually upon the fitness of every such association as may receive, or desire to receive, children under the supervision of this act, and every such association shall annually, at such time as said board shall direct, make report thereto, showing its condition, management and competency adequately to care for such children as are, or may be committed to it, and such other facts as said board may require, and when said board is satisfied that such association is competent and has adequate facilities to care for such children, it shall issue to the association a certificate to that effect, which certificate shall continue in force for one (1) year, unless sooner revoked by said board, and no child shall be committed to any association which shall not have received such a certificate within fifteen (15) months next preceding the commitment. The court may, at any time, require from any association, receiving or desiring to receive children under the provision in this act, such reports, information and statements as the judge shall deem proper and necessary for his action, and the court shall in no case be required to commit a child to any association whose standing, conduct or care of children, or ability to care for the same, is not satisfactory to the court.

Section 14. Incorporation of Associations—No association whose objects may embrace the caring for dependent, neglected or delinquent children shall hereafter be incorporated unless the proposed articles of incorporation shall first have been submitted to the examination of the board of state charities, and the secretary of state shall not issue a certificate of incorporation unless there shall first be filed in his office the certificate of the secretary of the board of state charities that he has examined the said articles of incorporation, and that, in his judgment, the incorporators are reputable and respectable persons, that the proposed work is needed and the incorporation of such association is desirable and for the public good; amendments proposed to the articles of incorporation or association having as an object the care and disposal of dependent, neglected or delinquent children shall be submitted in like manner to the board of state charities, and the secretary of state shall not record such amendment or issue his certificate therefor unless there shall first be filed in his office the certificate of the secretary of the board of state charities that he has examined the said amendment, that

the association in question is, in his judgment, performing in good faith the work undertaken by it, and that the said amendment is, in his judgment, a proper one, and for the public good.

Section 15. Surrender of Dependent Children — Adoption — It shall be lawful for the parents, parent, guardian or other person or persons having the right to dispose of a dependent or neglected child to enter into an agreement with any association or institution incorporated under any law of this state which shall have been approved as herein provided for the purpose of aiding, caring for or placing in homes such children or for the surrender of such child to such association or institution, to be taken and cared for by such association or institution, or put into a family home.

Such agreement may contain any and all proper stipulations to that end, and may authorize the association or institution, by its attorney, or agent, to appear in any proceeding for the legal adoption of such child, and consent to its adoption, and the order of the court made upon such consent shall be binding upon the child and its parents, guardian or other person, the same as if such person were personally in court and consented thereto, whether made party to the proceeding or not.

Section 16. Foreign Corporations — No association, which is incorporated under the laws of any other state than the state of Ohio, shall place any child in any family home within the boundaries of the state of Ohio, either with or without indenture or for adoption, unless the said association shall have furnished the state board of charities with such guaranty as it may require that no child shall be brought into the state of Ohio by such society, or its agents, having any contagious or incurable disease, or having any deformity, or being of feeble mind, or of vicious character, and that said association will promptly receive and remove from the state any child brought into the state of Ohio by its agents, which shall become a public charge within the period of five (5) years, after being brought into this state. Any person who shall receive to be placed in a home, or shall place in a home, any child in behalf of any association incorporated in any other state than the state of Ohio, which shall not have complied with the requirements of this act, shall be imprisoned in the county jail not more than thirty days, or fined not less than five dollars or more than one hundred dollars (\$100.00) or both, in the discretion of the court.

Section 17. Religious Preference — The court in committing children shall place them, so far as practicable, in the care and custody of some individual holding the same religious belief as the parents of said child, or with some association which is controlled by persons of like religious faith to the parents of the said child.

Section 18. Industrial and Training Schools not Affected — Nothing in this act shall be construed to repeal any portion of the acts relating to the boys' industrial school at Lancaster or the girls' industrial home at Delaware.

Section 19. Construction of the Act — This act shall be liberally construed to the end that its purpose may be carried out to-wit: That the care, custody and discipline of a child shall approximate as nearly as may be, that which should be given by its parents, and in all cases where it can properly be done, the child be placed in an approved family home, and become a member of the family by legal adoption, or otherwise.

Section 21. In any case in which the court shall find a child neglected, dependent or delinquent, it may, in the same or subsequent proceeding upon the parents of said child, or either of them, being duly summoned or voluntarily appearing, proceed to inquire into the ability of such parent or parents, to support the child or to contribute to its support, and if the court shall find

such parent, or parents, able to support the child, or contribute thereto, the court may enter such order or decree, relating to such report [support] as the equity of the case demands, and if the decree of the court be that any such parent discipline and control a delinquent child, then the court may enforce such order by fine imposed on any such parent, not to exceed, for the first offense, twenty-five dollars (\$25.00) and for each subsequent offense one hundred dollars (\$100.00).

Section 22. Nothing herein shall be taken or held to repeal or affect the provisions of an act entitled "An act to establish a juvenile court in certain counties, and to regulate the control of delinquent and neglected children," passed April 18, 1902 (95 O. L., 785).

Sec. 23. In all cases where any child shall be a delinquent, dependent, or a neglected child, as defined by the statutes of this state, the parent or parents, or other person or persons responsible for the abandonment or by an act causing, encouraging or contributing to such delinquency, dependency or neglect, shall be guilty of a misdemeanor and upon trial and conviction thereof, shall be fined in a sum not to exceed \$1,000, or imprisonment in the county jail or workhouse for a period not to exceed one year or by both such fine and imprisonment.

Sec. 24. The court may suspend any sentence imposed, or release any person, sentenced under this act from custody upon condition that such person shall furnish a good and sufficient bond or undertaking to the people of the state of Ohio, in such penal sum, not exceeding one thousand dollars, as the court shall determine, conditioned for the payment of such amount as the court may order, not exceeding ten (10) dollars per month for each child, for the support, care and maintenance of such child while under the guardianship or in the custody of any individual or any public, private or state home, institution, association or orphanage to which the child may have been committed or entrusted under the provisions of the laws of this state concerning dependent and neglected children.

Sec. 25. The court may also suspend any sentence imposed under this act, and may permit any delinquent or dependent child to remain in the custody of any such person found guilty, upon conditions to be prescribed or imposed by the court as seem best calculated to remove the cause of such delinquency, dependency or neglect, and while such conditions are accepted and complied with by any such person such sentence may remain suspended, and such persons shall be considered on probation in said court; in case a bond is given as provided herein, the conditions prescribed by the court may be made a part of the terms and conditions of such bond.

Sec. 26. Upon the failure of any such person to comply with the terms and conditions of such bond, or of the conditions imposed by the court, such bond or the term of probation may be declared forfeited and terminated by the court, and the original sentence executed as though it had never been suspended, and the term of any jail or workhouse sentence imposed in any such case shall commence from the date of incarceration of any such person after the forfeiture of such bond or term of probation. There shall be deducted from any such period of incarceration any part of such sentence which may have already been served.

Sec. 27. A separate suit to recover the penalty of any such bond so forfeited or for the collection of any fine imposed by said court may be brought as in civil cases, which suit shall be brought by the prosecuting attorney of the county. Any moneys so recovered or paid and any money paid as fines imposed as hereinbefore provided, shall be turned over to the chief probation officer of the juvenile court, to be applied to the care and maintenance of the child or children for whose delinquency or

dependency such conviction was had, in such manner and upon such terms as the court may direct; provided, if it shall not be necessary in the opinion of the court to use such fund or any part thereof for the support and maintenance of such child, the same shall be paid into the county treasury, and become a part of the funds of such county; when any parent, guardian or other person found guilty under this act of abandoning or causing, encouraging, or contributing to or responsible for the delinquency or dependency or the neglect of any child under the age of seventeen (17) years, as defined by this act, is sentenced by the court to the county jail or workhouse, his or her earnings over and above the actual cost of his maintenance, in such workhouse or county jail, shall be turned over to the chief probation officer, to be by him used for the benefit of the person, persons or institution having the care, custody and maintenance of said child; provided that any amount so earned shall be credited upon the fine of the person thus found guilty.

Sec. 28. When any information or complaint shall be filed against any delinquent child under the provisions of this act, charging such delinquent child with the crime of manslaughter or murder in the first or second degree, the juvenile judge may order such delinquent child to enter into a recognizance, with good and sufficient surety, in such amount as he may deem reasonable, for his appearance before the court of common pleas at the next term of said court; and the same proceedings shall be had thereafter upon such complaint as are now authorized by law for the indictment, trial, judgment and sentence of any other person charged with a felony.

Sec. 29. This act shall be liberally construed, to the end that its purpose may be carried out, to-wit: That proper guardianship may be provided for in order that the child may be educated and cared for, as far as practicable in such manner as best subserves its moral and physical welfare, and as far as practicable in proper cases that the parent, parents or guardian of such child may be compelled to perform their moral and legal duty in the interest of the child. And all fees and the costs in all cases coming within the provisions of this act, together with such sums as shall be necessary for the incidental expenses of such court and its officers, and together with the cost of transportation of children to places to which they may be committed, shall be paid out of the county treasury of the county upon itemized vouchers and certified to by the judge of the juvenile court.

Sec. 30. Any court established under the provisions of an act entitled, "An act to establish a juvenile court in certain counties and to regulate the control of delinquent and neglected children," passed April 18, 1902 (96 O. L., 785) and amended April 22, 1904 (97 O. L., 621) may exercise all the additional powers herein provided.

thorized, as shall be necessary to furnish such school books free of charge to all the pupils attending the public schools; but such pupils as are already wholly or in part supplied with necessary school books shall be supplied free of charge only as other or new books are needed; and all school books furnished as herein provided, shall be considered and be the property of the district and loaned to the pupils on such terms and conditions as such board may prescribe. (91 v. 260; 87 v. 317; 74 v. 57, § 4.)

Sec. 4029-1. [Examination for entering high school.] Each board of county school examiners shall hold examinations of pupils of township, special and joint sub-districts in the subjects of orthography, reading, writing, arithmetic, English grammar and composition, geography, history of the United States including civil government, and physiology.

[Number of examinations; when and where.] Two such examinations shall be held annually, one on the third Saturday in April, and one on the second Saturday in May, at such place or places as the county board of examiners may designate:

[Preparation of questions.] The questions for all such examinations, throughout the state, shall be uniform and be prepared under the direction of the state commissioner of common schools, and sample lists shall be mailed, under seal, to the clerks of the said boards of examiners not less than ten days before each examination. Upon receipt of said lists, the said boards are authorized and required to have a sufficient number of copies of the same printed for use at the examination. Only such applicants as receive an average grade of seventy per cent., with no grade less than fifty per cent. in any branch shall be passed.

[Township commencement.] It shall be the duty of the township boards of education upon written notice, filed by a successful applicant, with the clerk of the board of education, to provide for holding a township commencement not later than the month of June, at some place within the civil township, and to appoint some suitable person to have charge of the same. At this commencement each successful applicant residing in the township school district or any special or joint sub-district having its schoolhouse located within the civil town-

[County commencement; diploma.] The board of county school examiners shall provide for the holding of a county commencement not later than August fifteenth, at such place as it may determine. At this commencement there shall be delivered an annual address, at the conclusion of which a diploma shall be presented to each successful applicant who has complied with the provisions of this act; said diploma shall entitle the holder thereof to enter any high school in the state. (89 v. 123, §§ 1, 2; 91 v. 67; 92 v. 198; 94 v. 175, § 4029-1; 95 v. 71; 95 v. 218.)

The parent should not be required to pay the tuition and then collect it from their board of education; it should be paid by one board to the other.

Sec. 4029-2. [Compensation of examiners and contingent expenses.] The compensation of county examiners shall be the same as that fixed in section 4075 of the Revised Statutes of Ohio for the examination of teachers, and each member of the said board of examiners shall be allowed the minimum fee provided for holding examinations for teachers as remuneration for his services incident to the county commencement, and such compensation and the necessary expenses incident to the examination and county commencement shall be paid out of the county treasury as provided in said section 4075; no other compensation shall be allowed county examiners for holding the county commencement. The expenses incident to the township commencement shall be paid by the township board of education from the contingent fund of the township district, and when the pupils of special districts take part in such commencements the boards of education of such districts shall pay, from their contingent funds, to the township board of education their share of such expenses, such share to be based on the proportion of pupils, from each district, taking part in such commencements; a proportional share for pupils from joint sub-districts, taking part in such commencements, shall be paid from the contingent fund of said joint sub-districts. (89 v. 123, § 4; 91 v. 67; 92 v. 198; 95 v. 72, § 4029-2; 95 v. 218.)

Sec. 4029-3. [Tuition.] The tuition of pupils holding diplomas and residing in township, special, or joint sub-districts, in which no high school is maintained, shall be paid by the board of education of the school district in which they have legal school residence, such tuition to be computed by the month and an attendance any part of the month shall create a liability for the entire month; but a board of education

maintaining a high school shall charge no more tuition than it charges for other nonresident pupils, and no board of education shall be required to pay the tuition of any pupil for more than four school years; provided the board of education shall be required to pay the tuition of all successful applicants, who have complied with the provisions of this act, residing more than three miles from the high school provided by said board, when said applicants attend a nearer high school. The tuition of pupils residing in joint sub-districts shall be paid by the boards of education, having control of such districts, from the contingent funds of said districts. A board of education not maintaining a high school may enter into an agreement with one or more boards of education maintaining such school for the schooling of all its high school pupils and when such agreement is entered into the board making the same shall be exempt from the payment of tuition at other high schools; provided the school or schools selected are located in the same civil township, or some adjoining township, as that of the board making the agreement. Where no such agreement is entered into the school to be attended can be selected by the pupil holding a diploma; provided, due notice in writing, is given to the clerk of the board of education of the name of the school to be attended and the date the attendance is to begin, said notice to be filed not less than five days previous to said beginning of attendance. Said tuition can be paid from either the tuition or contingent funds and in case the board of education deems it necessary it may levy a tax of not to exceed two mills on each dollar of taxable property in the district or joint sub-district in excess of that allowed by section 3959 of the Revised Statutes of Ohio; the proceeds of said levy shall be kept in a separate fund and applied only to the payment of such tuition. (89 v. 123, § 3; 95 v. 72; § 4029-3; 95 v. 218.)

Sec. 4029-4. [What shall constitute a high school.] No board of education shall be entitled to collect tuition under this act unless said board shall be maintaining a regularly organized high school with a course of study extending over not less than two years and consisting mainly of branches higher than those in which the pupil is examined. Should the question arise as to the standing or grade of any particular high school, the state commissioner of common schools is hereby authorized to determine the grade of such school and his finding in the case shall be final. (95 v. 73, §4029-4; 95 v. 218.)

ENUMERATION.

Sec. 4030. [Yearly enumeration of school youth.] There shall be taken in each district, annually, during the two weeks ending on the fourth Saturday of May, an enumeration of all unmarried youth, noting sex, between six and twenty-one years of age, resident within the district, and not temporarily there, designating also the number between six and eight years of age, the number between eight and fourteen years of age, the number between fourteen and sixteen years of age, the number between sixteen and twenty-one years of age, and the number residing in the Western Reserve, the Virginia Military district, the United States Military district, and in any original surveyed township or fractional township to which belongs section sixteen, or other land in lieu thereof, or any other lands for the use of public schools, or any interest in the proceeds of such lands. (93 v. 312; 87 v. 80; 85 v. 192; Rev. Stat. 1880: 71 v. 15. § 77.)

Enumeration in children's homes; see Sec. 930b, R. S.

At the annual enumeration of school youth as required by the provisions of Sec. 4030, the ages of such youth at the taking of enumeration should be returned and not as of September 1st following. Atty. Genl.

The youth enumerated must be actual residents of the district, living with parents or guardians or working to support themselves by their own labor; see Sec. 4013 and notes under same.

Sec. 4031. [Appointment of enumerators; oath and duties.] The board of education of each school district, shall, on or before the

second Saturday in May, appoint one or more persons to take the enumeration provided for in section *forty hundred and thirty* of the Revised Statutes of Ohio. Each person appointed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. When making return thereof to the clerk of the board of education, he shall accompany the same with a list of the names of all the youth enumerated, noting the age of each, and with his affidavit duly certified that he has taken and returned the enumeration accurately and truly to the best of his knowledge and belief, and that such list contains the names of all such youth so enumerated and none others. The clerk of the board of education or any officer authorized to administer oaths, may administer such oath or affirmation, take and certify such affidavit, and the clerk shall keep in his office for the period of five years such report and the list of names, and each person so taking and returning the enumeration shall be allowed by the proper board of education reasonable compensation for his services. (97 v. 365; 1883, April 19; 80 v. 192; Rev. Stat. 1880; 71 v. 15, § 77.)

Sec. 4032. [Enumeration in districts in two or more counties.] When a school district including territory attached for school purposes, is situated in two or more counties, it shall be the duty of the person or persons taking such enumeration to report the number of youth as provided in section *forty hundred and thirty* of the Revised Statutes of Ohio, residing in each county and the clerk of the board shall make returns to the auditors of the respective counties in which such youth reside as provided in section *forty hundred and thirty-five* of the Revised Statutes of Ohio. (97 v. 366; 89 v. 97; 70 v. 195, § 78.)

Sec. 4033. Repealed 90 v. 76.

Sec. 4034. Repealed 97 v. 379.

Sec. 4035. [Clerk to transmit abstract of enumeration to county auditor.] The clerk of each board shall, annually, on or before the first Saturday in July make, and transmit to the county auditor, an abstract of the enumeration by this chapter required to be returned by him, according to the form prescribed by the commissioner of common schools, with an oath or affirmation endorsed thereon that it is a correct abstract of the returns made to him under oath or affirmation; and the oath or affirmation of the clerk may be administered and certified by any member of the board of education, or by the county auditor. (97 v. 366; 1888, April 11; 85 v. 192, 193; Rev. Stat. 1880; 70 v. 195, § 79.)

Sec. 4036. [When the clerk fails, auditor to act.] If the clerk of any district fail to transmit such abstract of enumeration on or before the first Saturday in July, the auditor shall at once demand the same from such clerk; and in case the enumeration has not been taken as required

Ch. 10.

Enumeration, Treasurer and Clerk.

by this chapter, or the abstract required be not furnished without delay, the auditor shall employ competent persons to take such enumeration, who shall be subject to the legal requirements already specified, except that the return shall be made directly to the auditor, who may administer to each person employed the oath or affirmation required; and the auditor shall allow the person employed by him, a reasonable compensation, to be paid out of the general county fund, and shall proceed to recover the amount so paid in civil action before any court having competent jurisdiction, in the name of the state, against such clerk on his bond, and the amount so collected shall be paid into the school funds of the district. (97 v. 366; 1888, April 11; 85 v. 192, 193; Rev. Stat. 1880; 70 v. 195, § 80.)

The returns should now be made on or before the first Saturday in June, as the time of taking the enumeration was changed from July to May without changing the time fixed for making returns.

Sec. 4037. [When county line divides original surveyed township.] If parts of an original surveyed township or fractional township are situate in two counties, the auditor of the county in which the smallest part is situate shall, so soon as the abstracts of enumeration are received by him from the clerks of the boards of education, certify to the auditor of the county in which the largest part is situate the enumeration of youth residing in the part of the township situate in his county; if parts of such township or fractional township are situate in more than two counties, like certificates of enumeration shall be transmitted to the auditor of the county containing the greatest relative portion of such township, by the auditors of the other counties containing portions thereof; when it is uncertain which county contains the greatest relative portion of such township, such certificates shall be transmitted to the auditor of the oldest county, by the other auditor or auditors; and if the land granted by congress to such township or fractional township for the support of public schools has been sold, the auditor to whom such certificates are transmitted shall notify the auditor of state, without delay, that such enumeration has been certified to him. (70 v. 195, §§ 121, 130.)

This section has nothing whatever to do with the enumeration returned by county auditors to the state commissioner of common schools.

Sec. 4038. [When enumeration not taken, district not entitled to school funds.] If an enumeration of the youth of a district be not taken and returned in any year, such district shall not be entitled to receive any portion of the school funds distributable in that year on the basis of enumeration; and if such loss to a district occur through the failure of the clerk of the board of education of a district to perform the duty required of him under section *forty hundred and thirty-five* of the

Revised Statutes of Ohio, he shall be liable to the district for the loss, which may be recovered in an action in the name of the state; and the money so recovered shall be paid into the county treasury, and apportioned in the same manner as the school funds so lost would have been apportioned. (97 v. 366; 70 v. 195, §§ 120, 124.)

Sec. 4039. [Auditor to furnish abstract to state commissioner.]

The auditor of each county shall make and transmit to the state commissioner of common schools, on or before the third Saturday in July in each year, on blanks to be furnished by the commissioner, an abstract of the enumeration returns made to him, duly certified. (97 v. 366; 1888, April 11; 85 v. 192, 193; Rev. Stat. 1880; 70 v. 195, § 81.)

Sec. 4040. [Duty of state commissioner when enumeration excessive, etc.] When the state commissioner of common schools on examination of the enumeration returns of any district, is of opinion that the enumeration is excessive in number, or in any other way incorrect, he may require the same to be retaken and returned, and if he think it necessary he may for this purpose appoint persons to perform the service, who shall take the same oath, perform the same duties, and receive the same compensation, out of the same funds, as the person or persons who took the enumeration in the first instance, and the school fund distributable in proportion to enumeration shall be distributed upon the corrected returns. (70 v. 195, § 75.)

Sec. 4041. [Penalty for making fraudulent returns.] An officer through whose hands the enumeration required by this chapter to be returned passes, who, by percentage or otherwise, adds to or takes from the number actually enumerated, shall be deemed guilty of a misdemeanor, and, upon conviction of such offense, shall be fined in any sum not less than five nor more than one thousand dollars, or imprisoned in the county jail not less than ten nor more than thirty days, at the discretion of the court. (70 v. 175, § 75.)

TREASURER AND CLERK.

Sec. 4042. [Treasurer of school funds.] In each city, village and township school district, the treasurer of the city, village and township funds, shall be respectively the treasurer of the school funds; in each special district the board of education shall choose its own treasurer, whose term of office shall be for one year beginning on the first day of September. (97 v. 367; 1888, April 11; 85 v. 192, 193; Rev. Stat. 1880; 70 v. 24, § 44.)

The relations between the board of education and the treasurer are such that one person can not be a member of the board and at the same time act as its treasurer. In passing upon the sufficiency of the treasurer's bond, if he be a member of the board, his own vote may determine the action of the board in reference to said bond.

Ch. 10.

Enumeration, Treasurer and Clerk.

Sec. 21. The state, any county, township, municipal corporation, or school board, shall not be precluded by the illegal loan or deposit by any officer or agent of public money, funds, property, bonds, securities, or assets, belonging to it, from suing for and recovering the same; and such suit shall not be held to be an adoption or satisfaction of such illegal transaction.

Embezzlement of school funds, penalty; see sections 6841, 6846, R. S.

What is prima facie evidence of embezzlement by public officers; see Sec. 7280, R. S.

Township trustees have no authority to release a treasurer from his liability for any portion of the school fund belonging to the township. 13 O., 495.

Sec. 4043. [Bond of treasurer; additional sureties or new bond.]

Each school district treasurer shall, before entering upon the duties of his office, execute a bond, with sufficient sureties, in an amount at least equal to the amount of school funds that may come into his hands, payable to the state of Ohio, to be approved by the board of education, conditioned for the faithful disbursement, according to law, of all funds which come into his hands; and he may at any time thereafter be required to give additional sureties on his accepted bond, or to execute a new bond with sufficient sureties to the approval of the board of education whenever the said board of education deem it necessary, and if said treasurer shall fail for ten days after service of notice in writing of such requisition, to give bond or additional sureties as aforesaid as required by said board, the office shall be considered and declared vacant and shall be filed [filled] as in other cases. Every bond when so executed and approved shall be filed with the clerk of the board of education of the district, and recorded, who shall cause a certified copy thereof or the names of additional sureties, to be filed with the county auditor without delay, and such board at the time of the approval of any bond or sureties, shall require the treasurer of the school funds to produce all money, bonds or other securities in his hands as such treasurer, and the same shall be then counted by the board or a committee thereof, in the presence of the clerk of the board, who shall thereupon enter upon the records of the board, a certificate, setting forth the exact amount of money or securities so found in the hands of such treasurer, which record shall be signed by the president and clerk of the board and shall be prima facie evidence that the amount therein stated was actually in the treasury at that date. (97 v. 367; 92 v. 210; 70 v. 195, §§ 46, 82; 76 v. 16, § 1.)

Release of surety of treasurer of school fund; see Sec. 5841, R. S.

Upon release of surety new bond to be required by board of education; see Sec. 5842, R. S.

In an action against a surety on a township treasurer's school bond, conditioned for the faithful disbursement of school moneys, a judgment for defendant will not be reversed, when the pleadings and evidence show a default by the treasurer only as to "township funds" in general items, without specifying that any part thereof was school money. 16 O. S., 17.

See 13 O., 495, under Sec. 4042.

A treasurer who is his own successor must give a new bond for the term to which he is re-elected. His former bondsmen will not be liable for defaults committed within the term for which he is re-elected. Their liability ceased with the expiration of his former term of office. 7 O., 2d pt., 221.

In case the treasurer of a city district fails to give bond, his office may be declared vacant by the city council. See section 1740, R. S. Should a treasurer present his bond after

Enumeration, Treasurer and Clerk.

Ch. 10.

the time prescribed for tendering it, and should such bond be accepted, it would undoubtedly be held good. 25 O. S., 567.

Bonds must be accepted within a reasonable time. 31 O. S., 451.

A permit by a board of education to its treasurer to use public moneys in his business on interest and with security for its return is an illegal contract, and the sureties may set up the illegality. The board cannot enforce a promise whose consideration is the illegal loan. 33 O. S., 321.

A school district treasurer's bond to disburse all such funds as come to his hands, including drafts and certificates of deposit taken by him as cash, which would have been paid on presentation. 30 O. S., 635.

Sec. 4044. [Annual settlement by treasurer with county auditor.]

The treasurer shall, annually, within the first ten days of September, settle with the county auditor for the preceding school year, and for that purpose shall make a certified statement showing the amount of money received, from whom, and on what account, and the amount paid out, and for what purpose; he shall produce vouchers for all payments made; if the auditor, on examination, find the statement and vouchers to be correct, he shall give the treasurer a certificate of the fact, which shall, prima facie, be a discharge of the treasurer for the money paid; and for making such settlement he shall be entitled to receive the sum of one dollar, and also five cents per mile for traveling to and from the county seat, to be paid out of the county treasury, on the order of the county auditor. When the treasurer's term begins on the first day of September the annual settlement shall be made by the outgoing treasurer. (92 v. 58; 85 v. 192, 194; Rev. Stat. 1880; 71 v. 9, § 47.)

If it is evident to the county auditor that the school moneys have been illegally paid out, as they would be if paid to any member of a board of education or any contract with such board, or as an employee thereof, it is his duty to refuse the treasurer credit for the same. If moneys have been paid from the wrong fund, as from the school fund, when the law says it must be township fund, the auditor must not allow credit to such orders. He should insist on their correction by the board, or correct them himself by proper debit and credit. No voucher should be received by the auditor which he has reason to believe a court of law would reject. No paper is a voucher for the payment of money to A, which has not A's receipt on it, or accompanying it. An order properly made out, but merely marked "paid" by the treasurer, is not a receipt. See section 4047.

Sec. 4045. [Penalty for failure to make such settlement.]

If the treasurer of any school district willfully or negligently fail to make such annual settlement within the time prescribed in the preceding section, he shall be liable to pay a fine of fifty dollars, to be recovered in a civil action in the name of the state; which amount, when collected, shall be paid into the county treasury, and shall be applied to the use of the common schools in his district; and the county auditor shall proceed forthwith, in case of such failure, to recover the penalty, by suit against such treasurer, before any justice of the peace of his county. (71 v. 9, § 47.)

Sec. 4046. (Repealed April 11, 1888; 85 v. 192, 196.)

Ch. 10.

Enumeration, Treasurer and Clerk.

Sec. 4047. [When treasurer may receive or pay money.] No treasurer of a school district shall pay out any school money except on an order signed by the president and countersigned by the clerk of the board of education; and no money shall be paid to the treasurer of a district, other than that received from the county treasurer, except upon the order of the clerk of the board, who shall report the amount of such miscellaneous receipts to the county auditor each year, immediately preceding such treasurer's settlement with the auditor. (97 v. 367; 71 v. 15, § 83.)

A board of education has capacity to sue its treasurer for money received and not accounted for. The remedy is not limited to an action on the bond, but may be for money had and received. 51 O. S., 116.

The treasurer should not pay an order for what he believes to be an illegal object, until he can consult with other members of the board, and have the question fully investigated. A man of discretion is supposed to be chosen to this, as to other offices, that the chances for discovering errors and fraud may be multiplied.

Sec. 4047a. Repealed 97 v. 379.

Sec. 4048. [Maximum amount of funds which treasurer may hold.] The clerk of a board of education or the county auditor shall pay no money into the hands of the treasurer of a school district in excess of the amount of his bond and should said clerk or auditor violate this provision, he and his bondsmen shall be liable for any loss occasioned thereby; and before giving said treasurer any warrant or order for any school funds the auditor may require the treasurer to file with him a statement showing the amount of such funds in his possession, signed by the clerk of the board of education. (97 v. 369; 70 v. 195, § 84.)

Payment of school treasurers; see Sec. 4056., R. S.

Sec. 4049. [Treasurer to deliver money, etc., to successor.] At the expiration of his term of service each treasurer shall deliver to his successor in office all books, papers, money, and other property in his hands belonging to the district, and take duplicate receipts of his successor therefor, one of which he shall deposit with the clerk of the board of education within three days thereafter. (1888, April 11; 85 v. 192, 194; Rev. Stat. 1880: 71 v. 9, § 47.)

Penalty for failure or refusal to pay over public money; see Sec. 7200, R. S.

Sec. 4050. [Bond of clerk.] The clerk of each board of education shall execute a bond, in an amount and with surety to be approved by the board, payable to the state of Ohio, conditioned that he shall perform faithfully all the official duties required of him; which bond shall be deposited with the president of the board, and a copy thereof, certified by the president of the board, shall be filed with the county auditor. (70 v. 195, § 45.)

Township clerk is authorized to administer oaths connected with school affairs; see Sec. 1506, R. S.

Sec. 4051. [When orders of clerk for teachers' pay illegal.] It shall be unlawful for the clerk of a board to draw an order on the treasurer for the payment of a teacher for services until the teacher files with him such reports as are required by the state commissioner of common schools and the board of education, a legal certificate of qualification, or a true copy thereof, covering the entire time of the service, and a statement of the branches taught; but orders may be drawn for the payment of special teachers of drawing, painting, penmanship, music, gymnastics, or a foreign language, on presentation of a certificate to the clerk, signed by a majority of the examiners, and the filing with him of a true copy thereof, covering the time for which a special teacher has been employed, and the specialty taught. (70 v. 195, ⁸⁸ 53, 94.)

See section 4074.

The provision in the act of March 18, 1864, that no person shall be "employed" as a teacher unless he has first obtained the certificate required by law, does not render invalid a contract for employment made with the teacher before he obtains the requisite certificate, provided he obtain it before entering upon the duties of his employment. 22 O. S., 104.

See 2 C. C., 475, under Sec. 4018.

See 12 C. C., 247, under Sec. 4074.

An order drawn by the clerk of the board of education, under the statute, in favor of a third person or bearer, on the township treasurer, is not negotiable, and a purchaser takes such order subject to the same defenses that could be made against it in the hands of the payee. 22 O. S., 144.

The written acceptance of such order by the predecessor of the township treasurer, to whom it was presented for payment, imposes no greater obligation on the latter to pay the same, than he would have been under had it been presented without such acceptance. 14.

Not only the teacher, but each member of the board of education, is severally liable for the repayment of money paid under their vote and order, to a teacher who does not hold a certificate as required by law. The same rule applies to all payments made to teachers before reports required by law, by the State Commissioner of Common Schools, and by the board of education, have been made.

An assistant teacher who has not a legal certificate cannot be paid through an order drawn in favor of another teacher who had a certificate, nor can any uncertificated teacher, who is employed as a substitute, receive pay through another teacher.

The term "entire time of service," as used in this section, refers to the time of service covered by the order to be drawn, not to the entire time of employment.

Sec. 4052. [Annual statistical report of the board of education; by whom prepared.] The clerk of each board shall prepare the annual report of the receipts and expenditures of school money, and the statistical statement in reference to the schools, required of the board by section *forty hundred and fifty-seven* of the Revised Statutes of Ohio, and transmit the same to the county auditor on or before the first day of September; provided, that in each school district having a superintendent of schools, the annual report, except the receipts and expenditures of money, shall be made by the superintendent. (97 v. 368; 1888, April 11: 85 v. 192, 194; Rev. Stat. 1880; 70 v. 195, § 82.)

Penalty for not making report; see Sec. 4061, 4062.

The board of education should see that the reports required by this section are filed before allowing compensation to the clerk for his services.

Sec. 4053. [Publication of receipts and disbursements by clerk.]

The board of education of each district, except city districts, shall require the clerk of the board annually, ten days prior to the election for members of the board of education, to prepare and post at the place or places of holding such elections, or publish in some newspaper of general circulation in the district, an itemized statement of all money received and disbursed by the treasurer of the board within the school year last preceding. (97 v. 368; 70 v. 195, § 66.)

Sec. 4054. [Clerk to deliver books, etc., to successor.]

Each clerk shall, at the expiration of his term of office, deliver to his successor all books and papers in his hands relating to the affairs of his district, including certificates, and copies thereof, and reports of school statistics, filed by teachers. (70 v. 195, § 84.)

Sec. 4055. [How treasurer and clerk to keep accounts.]

The auditor of each county shall furnish to the clerk and treasurer of each school district in his county a suitable blank book, made according to the form prescribed by the bureau of inspection and supervision of public offices, in which each shall keep an account of the school funds of his district; the clerk's account shall show the amounts certified by the county auditor to be due the district, all sums paid to the treasurer from other sources on his order, and all orders drawn by him on the treasurer, and upon what funds and for what purposes drawn; the treasurer's accounts shall show the amounts received from the county treasurer, all sums received from other sources on the order of the clerk, and the amounts paid out, and from what funds and for what purposes paid; and a separate account of each fund shall be kept and each account shall be balanced at the close of the school year, and the balance in the treasurer's hands belonging to each fund shown. (97 v. 368; 70 v. 195, § 84.)

Sec. 6846. A member of the council or board of aldermen of any municipal corporation, or an officer, agent, clerk, or servant, of such corporation, or of any board or department thereof, or any officer, agent, clerk, or servant, of any board of education, who, knowingly, diverts, appropriates, or applies, any funds, or a part of any fund, raised under any law, by taxation or otherwise, to any other use or purpose than that for which it was raised or appropriated, or who, knowingly, diverts, appropriates, or applies, any money borrowed, or any bond of the corporation, or any part of the proceeds of such bond, to any other use or purpose than that for which such loan was made, or bond issued, shall be deemed guilty of embezzling the amount so diverted, appropriated, or applied, and punished accordingly.

Sec. 4056. [Compensation to treasurer and clerk.]

The board of education of each school district shall fix the compensation of its clerk and treasurer, which shall be paid from the contingent fund of the district; if the clerk and treasurer are paid annually the order for

the payment of their salaries shall not be drawn until said clerk and treasurer shall present to the board of education a certificate from the county auditor stating that all reports required by law have been filed in his office; if the clerk and treasurer are paid semi-annually, quarterly, or monthly, the last payment on their salaries previous to August 31, shall not be made until all reports required by law have been filed with the county auditor and his certificate presented to the board of education as required herein. (97 v. 368; 1888, April 11: 85 v. 192, 194; 80 v. 95; Rev. Stat. 1880; 70 v. 195, § 49.)

The compensation provided for the township clerk under this section is not to be included in the one hundred and fifty dollar limit of Sec. 1531. Attorney General.

No compensation should be allowed to clerk or treasurer until after all reports required by law are filed.

Penalty for not making report, see Secs. 4061 and 4062.

Sec. 4058. [In what form to be made, etc.] The report shall be made on blanks which shall be furnished by the commissioner of common schools to the auditor of each county, and by the auditor to each school clerk in his county; and each board of education, or officer or employe thereof, or other school officer in any district or county, shall, whenever the commissioner so requires, report to him direct upon such blanks as he shall furnish, any statements or items of information that he may deem important or necessary. (70 v. 195, § 75.)

Sec. 4059. [Reports by superintendents and teachers.] Boards of education shall require all teachers and superintendents to keep the school records in such manner that they may be enabled to report annually to the county auditor and state commissioner of common schools, as required by the provisions of this title and shall withhold the pay of such teachers and superintendents as fail to file the reports required of them; the records of each school shall, in addition to all other requirements, be so kept as to exhibit the names of all pupils enrolled therein, the studies pursued, shall indicate the character of the work done, the standing of each pupil, and shall be as near uniform throughout the state as may be practicable; said boards may require superin-

tendents and teachers to report such matters as they deem important or necessary for information in regard to the management and conduct of the schools and to make such suggestions and recommendations as they may deem advisable relative to methods of instruction, school management, or other matters of educational interest; and the board of education of each city district shall prepare and publish annually a report of the condition and administration of the schools under its charge, and include therein a complete exhibit of the financial affairs of the district. (97 v. 368; 70 v. 195, § 76.)

All blanks required by board of education, superintendents and teachers in making the reports required by law are sent to the county auditors to be distributed by them to the clerks of the boards of education; see Sec. 4058.

Sec. 4060. [Duties of county auditor as to school statistics, etc.]

The auditor of each county shall, on or before the twentieth day of September, annually, prepare, and transmit to the commissioner of common schools an abstract of all the returns of school statistics made to him from the several districts in his county, according to the form prescribed by the commissioner, and a statement of the condition of the institute fund, and such other facts relating to schools and school funds as the commissioner may require; he shall also cause to be distributed all such circulars, blanks and other papers, including school laws and documents, in the several school districts in the county, as the commissioner may lawfully require; and if the auditor neglect to prepare and return any of the abstracts or reports herein required the county commissioners shall withhold from him all compensation for his services under this title. (1888, April 11; 85 v. 192, 195; Rev. Stat. 1880; 70 v. 195, § 123; S. & C., 705.)

Sec. 4061. [Penalties against auditor and clerk.] The auditor shall also be liable on his bond for any such neglect, in a sum not less than three hundred nor more than one thousand dollars, on complaint of the commissioner of common schools; and if the clerk of the board of education of any district fail to make the annual returns of school statistics required by this title, to the county auditor, he shall be liable on his bond in a sum not less than fifty nor more than three hundred dollars, on complaint of the county auditor, or of the board of education, to be recovered in a civil action in the name of the state, and when collected to be paid into the county treasury, and applied to the use of common schools in such district. (70 v. 195, § 123; S. & S., 706.)

Sec. 4062. [When auditor to appoint person to make report.] Upon the neglect or failure of the clerk of the board of education of any district to make the reports required in this title, and by the time specified, the county auditor shall appoint some suitable person,

Reports.

resident of the district, to make such reports, who shall receive the same compensation therefor, and in the same manner, as is allowed by law for like services. (70 v. 195, § 123; S. & S., 706.)

Sec. 4063. [Further penalties against auditor.] A county auditor who willfully or negligently fails, in any year, to transmit to the commissioner of common schools the abstract of enumeration required by section *forty hundred and thirty-nine*, or to perform any other duty required of him under this title, shall be liable on his bond to the extent of twice the sum lost to the school districts of his county in consequence of such failure, which sum shall be recovered in a civil action against him, on his bond, in the name of the state, before any court of competent jurisdiction; and the money so recovered shall be paid into the county treasury, for the benefit of such districts, and apportioned in the same manner as the school funds so lost would have been apportioned. (70 v. 195, §§ 81, 124.)

Sec. 4064, [Compensation of auditor.] The commissioners of each county shall allow the county auditor, annually, a reasonable compensation for his services under this title, not to exceed five dollars for each city, village, special, and township school district in his county to be paid out of the county treasury; but before such allowance shall be made for any year the auditor shall present to the commissioners a statement, officially certified and signed by the commissioner of common schools, that he has transmitted to the commissioner all reports and returns of statistics for that year required by this title. (70 v. 195, § 125.)

STATE BOARD OF EXAMINERS.

Sec. 4065. [State board; appointment; term; vacancies.] There shall be a state board of examiners, which shall consist of five competent persons, resident of the state, to be appointed by the state commissioner of common schools; not more than three of whom shall belong to the same political party. The term of office of such examiners shall be five years; the term of one of the examiners shall expire on the 31st day of August, each year, [and when one of which shall expire on the 31st of August every year,] and when a vacancy occurs in the board, whether from expiration of the term of office, refusal to serve, or other cause, the commissioner shall fill the same by appointment for the full or unexpired term, as the case demands. (1888, April 16; 85 v. 330; 81 v. 95; Rev. Stat., 1880; 70 v. 195, § 85; S. & S., 709.)

Sec. 4066. [Power to issue three grades of life certificates; record thereof.] The board thus constituted may issue three grades of life certificates to such as are found to possess the requisite scholarship, and who exhibit satisfactory evidence of good moral character and of professional experience and ability; the certificates shall be for different grades of schools according to branches taught, and shall be valid in the schools specified therein. The clerk of the board shall keep a record

of the proceedings, showing the number, date and grade of each certificate, to whom granted, and for what branches of study, and shall report such statistics to the commissioner, annually, on or before the 31st day of August. (1888, April 16; 85 v. 330; 78 v. 39; Rev. Stat., 1880; 70 v. 195, § 86; S. & S., 709.)

The state board of examiners issues the following certificates: High school life, common school life and special life. High school life certificates are unlimited, common school life and special life are limited to the branches of study specified therein.

Sec. 4067. [Effect thereof; may be revoked for cause.] All certificates issued by such board shall be countersigned by the commissioner of common schools; and such certificates shall supersede the necessity of any and all other examinations of the persons holding them, by any board of examiners, and shall be valid in any school district in the state, unless revoked by the state board for good cause. (70 v. 195, § 87; S. & S., 709.)

Sec. 4068. [Examination fees; their disposition; compensation of members; stationery.] Each applicant for a certificate shall pay to the board of examiners a fee of five dollars; and the clerk of the board shall pay to the state treasurer, all fees received, and file with the state auditor a written statement of the amount. Each member of the board shall be entitled to receive five dollars for each day he is necessarily engaged in official service, and also six cents per mile each way for traveling from and to his place of residence, by the most direct route of public travel to and from the places of meetings of the board, to be paid out of the state treasury on the order of the state auditor; all books, blanks and stationery required by the board shall be furnished by the secretary of state. (1888, April 16; 85 v. 330; 82 v. 100; Rev. Stat., 1880; 70 v. 195, § 88; S. & S., 709.)

COUNTY EXAMINERS.

Sec. 4069. [County boards; appointment, term, and vacancies; removals; notice of appointment; disqualifications.] There shall be a county board of school examiners for each county, which shall consist of three competent persons to be appointed by the probate judge. Two of such persons shall have had at least two years' experience as teachers or superintendents, and shall have been within five years, actual teachers in the public schools. Each person so appointed shall be a legal resident of the county for which he is appointed, and, should he remove from the county during his term, his office shall be thereby vacated and his successor be appointed. No examiner shall teach in, be connected with, or be financially interested in any school which is not supported wholly or in part by the state, or be employed as an instructor in any teachers'

institute in his own county; nor shall any person be appointed to the position, or exercise the office of examiner who is agent of or is financially interested in any book publishing or book selling firm, company or business, or in any educational journal or magazine. If an examiner becomes connected with or interested in any school not under state control, or is employed in any such institute in his own county, or becomes an agent of or interested in any book company or journal, or fails to hold the necessary teacher's certificate, or removes from the county, the probate judge shall forthwith, upon being apprised of such fact, remove such examiner and appoint his successor. The term of office of such examiner shall be three years. The term of one of the examiners shall expire on the thirty-first day of August, each year; but the probate judge shall revoke the appointment of any examiner, upon satisfactory proof that he is inefficient, intemperate, negligent, guilty of immoral conduct, or that he is using his office for personal or private gain. When a vacancy occurs in the board, whether from expiration of the term of office, refusal to serve, or other cause, the probate judge shall promptly fill the same by appointment for the full or unexpired term, and said judge shall, within ten days, report the same to the state commissioner of common schools, together with the names of the other members of the board and the date of the expiration of their several terms of office. The members of county boards of examiners, as now constituted, shall serve for the full term for which they were appointed unless removed for cause as provided for in section *forty hundred and sixty-nine* as it existed previous to this enactment. (97 v. 369; 88 v. 495; 85 v. 330; Rev. Stat., 1880; 70 v. 195, § 89.)

All schools not supported, at least in part, by public funds, are termed private schools.

Sec. 4070. [Organization of county boards of examiners; reports of clerk; compensation of clerk.] The board of county school examiners shall annually in the month of September organize by choosing from its members a president, a vice-president, and a clerk; the president shall preside at all the meetings of the board, and in his absence the vice-president shall preside; the clerk shall keep a full and accurate record of the proceedings of the board, showing the number and date and character of each certificate issued, and to whom, for what term, and for what branches of study, and such other statistics relating to the examination and the proceedings of the board as the state commissioner of common schools may require, and in the form and manner he may require, and shall make a report of all such items annually on or before the first day of September; the clerk shall receive for his services as clerk four dollars for each examination of sixty applicants or

less, six dollars for each examination of more than sixty applicants and less than one hundred, eight dollars for each examination of one hundred applicants or more, to be paid out of the county treasury on the order of the county auditor, but no order shall be drawn for the month of August until the clerk produce a receipt from the state commissioner of common schools that he has filed all the reports for the year required by said commissioner. The board shall make all needful rules and regulations for the proper discharge of its duties and the conduct of its work, subject to statutory provisions and the approval of the state commissioner of common schools. (97 v. 370; 92 v. 215; 85 v. 192, 195; Rev. Stat. 1880; 70 v. 241, § 95.)

The prosecuting attorney is the legal adviser of county boards of examiners; see Sec. 1274., R. S.

Sec. 4071. [Meetings for examinations; majority's power; examination fee.] Each board shall hold public meetings for the examination of applicants for county teachers' certificates on the first Saturday of every month of the year, unless Saturday shall fall on a legal holiday, in which case, said examination shall be held on the succeeding Saturday, at such place or places, within the county as will, in the opinion of the board, best accommodate the greatest number of applicants, notice of which shall be published in two weekly newspapers of different politics printed in the county, if there are two papers thus published, if not, then a publication in one only is required. In no case shall the board hold any private examination or ante-date any certificate. A majority of the board may examine applicants and grant certificates; and as a condition of any applicant being admitted to take the examination, each such applicant shall pay to the board for the use of the county institute a fee of fifty cents. (97 v. 370; 92 v. 215; 89 v. 245; 70 v. 195, §§ 90, 91.)

It has been decided by two or more common pleas courts in Ohio, "that the examination of the candidate, and determination to grant the certificate being official acts, can only be legally performed at a session of the board duly organized, and that the whole board, as such, is to decide regarding the qualifications of each applicant to teach each branch certified to." See also case of *McCortle v. Bates*, 29 O. S., 419, as quoted in full under section 3962. All its reasoning regarding boards of education applies equally to examining boards.

Sec. 4071a. [Uniform system of examinations; preparation and distribution of examination questions.] After the first day of September, 1904, the questions for all county teachers' examinations, throughout the state, shall be prepared and printed under the direction of the state commissioner of common schools, and a sufficient number of lists shall be sent, under seal, to the clerks of the said boards of examiners not less than five days before each examination, said seal to be broken at the time of the examination at which they are to be used, and in the presence of the applicants and a majority of the members of

the examining board. Any person or persons connected with the preparation, printing, distribution, or handling of said questions, who shall, prior to the examination in each branch of study, make the same public in any manner, or give information in regard to the nature or character of the questions to any applicant for a certificate or other person, and any person or persons other than those connected with the preparation, printing, distribution, or handling of said questions who shall be found in possession of any of said questions prior to the distribution of the same for the use of applicants at any examination, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in a sum not less than fifty dollars nor more than one hundred dollars and shall be imprisoned not less than thirty days nor more than ninety days. (98 v. 228; 97 v. 371; 90 v. 300.)

Sec. 4072. [Disposition of fees.] The clerk of the board of county school examiners shall promptly collect all fees from applicants at each examination and pay the same into the county treasury quarterly, and he shall file with the county auditor a written statement of the amount, and the number of applicants, male and female, examined during the quarter; and all such money thus received shall be set apart by the auditor for the support of county teachers' institutes, to be applied as provided for in chapter thirteen of this title. (97 v. 371; passed 1886, March 25; took effect Sept. 1, 1886; 83 v. 40; Rev. Stat. 1880; 70 v. 195, § 91; S. & S., 706.)

Sec. 4073. [Granting, renewal and revocation of certificates; age limit; hearing on revocation of certificate; expenses.] The county board of examiners may grant teachers' certificates for one, two, three, five, and eight years from the day of the examination; and said certificates shall be valid in all village, township, and special school districts of the county wherein they are issued, but in all school districts situated in two or more counties teachers' certificates obtained in either county shall be valid in such districts. All teachers' certificates granted for one, two or three years shall be regarded as provisional certificates and shall be issued only in compliance with such reasonable regulations and standards and upon such ratios as the board may adopt, but no such certificate shall be renewed except upon examination; provided, that when any teacher holding a two year certificate and having for the last five years preceding been continuously engaged in teaching in the same county, said teacher shall be entitled to have his or her certificate renewed by passing an examination in theory and practice; all certificates granted for five years, or eight years, shall be regarded as professional certificates and shall be renewable without examination at the discretion of the examining board, if for three years preceding the date of the application the holders thereof shall have been engaged in teaching, not less than twelve

months of such time being spent in the same district and the board of examiners being satisfied as to the moral character and the professional attainments of the holders thereof. No certificate shall be issued to any person who is less than eighteen years of age; and if at any time the recipient of a certificate be found intemperate, immoral, incompetent, or negligent, the examiners, or any two of them, may revoke the certificate; but such revocation shall not prevent a teacher from receiving pay for services previously rendered; but before any hearing is had by a board of examiners on the question of the revocation of a teacher's certificate, the charges against the teacher shall be reduced to writing and placed upon the records of the board, and the teacher shall be notified in writing as to the nature of the charges and the time set for the hearing, such notice to be served personally or at his residence, and the teacher shall be entitled to produce witnesses and defend himself; the examining board shall have power to send for witnesses and examine them on oath or affirmation touching the matter under investigation, and said oath or affirmation may be administered by any member of the board of examiners. The fees and the per diem of examiners for conducting such investigation at three dollars a day each and other expenses of such trial shall be certified to the county auditor by the clerk and president of the examining board, and be paid out of the county treasury upon the order of the auditor. (97 v. 371; 93 v. 115; 92 v. 121; 85 v. 330, 331; 81 v. 55; 79 v. 83; Rev. Stat. 1880; 70 v. 195, § 92; S. & S., 707.)

No applicant who is not eighteen years of age at the time of the examination can receive a legal certificate.

The revocation of a teacher's certificate by the county school examiners for intemperance and immorality is not reviewable by the courts. Hence that board will not be compelled by mandamus to sign a bill of exceptions setting out the evidence on the trial to revoke. 1 N. P., 151.

The revocation of a certificate is not strictly a judicial proceeding. The law which clothes the boards of examiners with discretionary power, will protect them in the proper use of it. They cannot, of course, be mulcted in damages nor removed from office, for refusing to grant a certificate, nor for revoking a certificate, in the exercise of this discretion. If malice or other undue motive enter into the transaction, however, the candidate has his remedy in the courts, and the probate judge may remove any member for such cause, as a malfeasance in office—an immorality—one of the causes enumerated in the law.

Notice of revocation should at least be given to the boards of education concerned. A person cannot draw pay after his certificate is revoked.

A certificate cannot be antedated. See Sec. 4071.

A certificate issued by a board of examiners in one county is not valid in the other counties of the state.

An official trust cannot be delegated. See III Central Law Journal, p. 472. The board has no authority, therefore, to appoint a substitute to perform the duties of any of its members. A certificate depending on the signature of such substitute for its validity, is worthless. As all citizens are bound to know the law, so candidates and school authorities are bound to know who are legal, or, at least, *de facto* public officers.

Sec. 4074. [Certificates of different grades; prerequisites to employment; branches of study; value of certain life certificates.] From and after the first day of September, 1904, three kinds of teachers' certificates only shall be issued by county boards of school examiners; said

kinds of teachers' certificates shall be styled respectively "Teacher's Elementary School Certificate," which shall be valid for all branches of study in schools below high school rank, "Teacher's High School Certificate," which shall be valid for all branches of study in recognized high schools and for superintendents, and "Teacher's Special Certificate," which shall be valid in schools of all grades, but only for the branch or branches of study named therein. From and after the first day of September, 1905, no person shall be employed or enter upon the performance of his duties as a teacher in any elementary school supported wholly or in part by the state in any village, township, or special school district who has not obtained from a board of school examiners having competent jurisdiction a certificate of good moral character and that he or she is qualified to teach orthography, reading, writing, arithmetic, English grammar and composition, geography, history of the United States, including civil government, physiology including narcotics, literature, and that he or she possesses an adequate knowledge of the theory and practice of teaching; and no person shall be employed or enter upon the performance of his duties as a teacher in any recognized high school supported wholly or in part by the state in any village, township, or special school district, or act as superintendent of school in such district, who has not obtained from a board of examiners having competent jurisdiction a certificate of good moral character and that he or she is qualified to teach literature, general history, algebra, physics, physiology including narcotics, and, in addition thereto, four branches elected from the following branches of study: Latin, German, rhetoric, civil government, geometry, physical geography, botany, and chemistry; and that he or she possesses an adequate knowledge of the theory and practice of teaching; and no person shall be employed and enter upon the performance of his duties as a special teacher of music, drawing, painting, penmanship, gymnastics, German, French, the commercial and industrial branches, or any one of them, in any elementary or high school supported wholly or in part by the state in any village, township or special school district, who has not obtained from the board of examiners having competent jurisdiction a certificate of good moral character and that he or she is qualified to teach the special branch or branches of study, and in addition thereto, that he or she possesses an adequate knowledge of the theory and practice of teaching; provided, that county boards of school examiners are authorized to recognize or renew, at their discretion, in the appropriate kind and for the same length of time any certificate or certificates, held by teachers who may apply for such recognition or renewal prior to the first day of September, 1905, and provided, further, that no person holding a common school certificate issued by the board of state examiners shall be required to hold any other certificate to teach in the elementary schools of the

state, nor shall any holder of said common school life certificate be required by any board to be examined in any of the branches covered by said certificate in order to be granted the teachers' high school certificate authorized herein. 97 v. 372; 92 v. 36; 85 v. 330, 331; 85 v. 93; 79 v. 70; Rev. Stat. 1880; 71 v. 102, § 93; S. & S. 707.)

See Sec. 4051.

For instruction as to the effect of alcoholic drinks and narcotics on the human system, in the public schools, see Sec. 4020-23.

Qualifications, etc., of teachers of day schools for deaf children; see act following Sec. 3901.

The above section forbidding the employment of a teacher who has no certificate was not intended to guard against a contract but against incompetency; hence, if the teacher gets his certificate after the contract, but before entering on his duties, it is sufficient; the latter is the employment. 22 O. S., 194.

In Illinois, a certificate was not obtained till the middle of the term. A new contract was entered into at that time to pay the teacher double wages for the rest of the term. This was considered an attempt to do indirectly what there was no power to do directly; and therefore the contract was held void. 71 Ill., 532.

A person began teaching under a contract. He taught three weeks; then obtained a certificate and made a written contract to run three months from the time he began teaching. Held, that he was entitled to wages after certificate was obtained, but to no pay for the previous three weeks. 20 Minn., 72.

No money can be legally drawn for teaching a day without a certificate, and to receive public money illegally is a crime under Secs. 6841 and 6846.

The board of education at G., at a regular meeting, tendered C. the election as superintendent of a school in which branches other than those enumerated in the certificate issued to C. by the board of school examiners, were taught. C. accepted the employment tendered, and entered upon its duties. Held, that this constituted a valid contract, and in the absence of proof, other teachers being employed in the school, no presumption arises that C. actually taught branches not enumerated in his certificate. 12 C. C., 247.

As to penalty for bribing or attempting to bribe an officer, see Sec. 6900.

Teachers in schools at children's homes and in kindergarten schools, supported by public funds, must hold certificates.

Sec. 4075. [Compensation and expenses of board.] Each member of the county board of school examiners shall be entitled to receive ten dollars for each examination of sixty applicants or less, fourteen dollars for each examination of more than sixty applicants and less than one hundred, eighteen dollars for each examination of one hundred applicants or more, to be paid out of the county treasury on the order of the county auditor; all books, blanks and stationery required by the board shall be furnished by the county auditor; the board may contract for the use of suitable rooms in which to conduct examinations, for the printing of examination questions, may procure fuel and light, and employ janitors, to take charge of the rooms and keep them in order, and the expenses so incurred, together with the cost of advertising required by section *forty hundred and seventy-one*, shall be paid out of the county treasury on orders of the county auditor, who shall issue such orders upon the certificate of the president of the board, countersigned by the clerk. (97 v. 373; 92 v. 216; 83 v. 40; Rev. Stat. 1880; 70 v. 241, § 95; S. & S. 707.)

Sec. 4076. [Annual report of clerk and his bond.] The clerk of the board shall prepare, and forward to the state commissioner of

common schools, on or before the first day of September in each year, a statement of the number of examinations held by the board, the number of applicants examined, the total number of certificates granted, and the number for each term mentioned in section *forty hundred and seventy-three*, the amount of fees received and paid to the county treasurer, the amount received from the county treasury by the members of the board for their services, and such other statistics and information in relation to the duties of the board as said commissioner may require; and he shall deposit with the county auditor a bond, with surety to be approved by the auditor, in the sum of three hundred dollars, that he will pay into the county treasury, quarterly, the examination fees received by the board, and make the statistical returns required by this chapter. (97 v. 373; 1888, April 11; 85 v. 192, 195; Rev. Stat. 1880; 70 v. 241, § 95; S. & S. 707.)

Blanks for reports are sent to the county auditors for distribution.

CITY EXAMINERS.

Sec. 4077. [Boards of examiners in city districts; appointment and removal; filling of vacancy; village boards of examiners abolished.] There shall be a city board of school examiners for each city school district, to be appointed by the board of education of the district; such board shall consist of three persons, and the majority of the persons appointed shall have had at least two years' practical experience in teaching in the public schools and all persons appointed shall be otherwise competent for the position and residents of the district for which they are appointed; the term of office of such examiners shall be three years; the term of one-third of the examiners shall expire on the thirty-first day of August each year; but the board of education may revoke any appointment upon satisfactory proof that the appointee is inefficient, intemperate, negligent, or guilty of immoral conduct; when a vacancy occurs in the board, whether from expiration of term of office, refusal to serve, or other cause, the board of education shall fill the same by appointment for the full or unexpired term, as the case demands; and within ten days after an appointment, the clerk of the board of education shall report to the state commissioner of common schools the name of the appointee, and whether the appointment is for a full or an unexpired term; provided, that in city school districts that now have a board of city school examiners consisting of three members, the members of the same shall serve for the full term for which they were appointed; when the board does not consist of three members the same is hereby abolished and a new board shall be appointed, the members to serve for one, two and three years from the thirty-first day of August succeeding the passage of this act. All village boards of examiners are hereby abolished, but cer-

tificates issued by said boards shall continue in force within the village school district, for the full time for which they were issued. (97 v. 374; 88 v. 280; 85 v. 330, 332; Rev. Stat. 1880; 70 v. 195, § 97; 71 v. 107, § 96.)

Sec. 4078. [Standard of qualification for teachers; examination of schools; law governing board in examining teachers; special examiners; their oath; duty of school superintendents.] Each city board of school examiners shall determine the standard of qualification for teachers, and may examine any school in the district when such examination is deemed necessary to ascertain a teacher's qualifications, but in the examination of applicants and the granting of certificates the board shall be governed by the provisions of section *forty hundred and seventy-four*, and to secure a thorough examination of applicants in difficult branches, or special studies, the board may secure the assistance, temporarily, of persons of sufficient knowledge in such branches or studies, who shall promise on oath or affirmation, to be administered by the clerk of the board of examiners, to perform the duties of examiner faithfully and impartially, and superintendents of schools shall give to the board all necessary information in reference to branches and special studies to be taught, and the branches of study and grades of school which teachers will be required to teach. Sec. 4079. No certificate shall be issued to any person who is less than eighteen years of age; and if at any time the recipient of a certificate to be found intemperate, immoral, incompetent, or negligent, the examiners, or any two of them, may revoke the certificate; but such revocation shall not prevent a teacher from receiving pay for services previously rendered; and before any hearing is had by a board of examiners on the question of the revocation of a teacher's certificate, the charges against the teacher shall be reduced to writing and placed upon the records of the board, and the teacher shall be notified in writing as to the nature of the charges and the time set for the hearing, such notice to be served either personally or at his residence, and the teacher shall be entitled to produce witnesses and defend himself; the examining board shall have power to send for witnesses and examine them on oath touching the matter under investigation, and said oath or affirmation may be administered by any member of the board of examiners. (97 v. 375; 1888, April 16; 85 v. 330, 333; 78 v. 87; 77 v. 6; Rev. Stat. 1880; 70 v. 195, § 100; 72 v. 114, § 99.)

Sec. 4085. tion, if such there be. All such manuscripts shall be kept on file for sixty days by the members of the examining board propounding the questions, and if within the sixty days any applicant after receiving his returns from the examination has cause to and does believe that he has been discriminated against and his manuscripts unfairly graded, it shall be his right to review his manuscripts with the member or members of the board having the same in charge, and if after such inspection and review of the manuscripts, he is still of the opinion that said board will not correct the error, if any, and issue his certificate, he shall have the right to appeal his case to the state commissioner of common schools for final review. Such appeal shall be in the form of an affidavit setting forth the facts as he believes them, accompanied by a fee of one dollar to cover the expenses incident to said appeal, and requesting that the matter be inquired into; thereupon the said commissioner shall require the clerk of said board to procure and forward said manuscripts, together with a full explanation of the reasons for the board's action, and if upon his examination of all the facts, together with the manuscripts, he find that said applicant was denied a certificate when he should have been granted one and has been discriminated against by the board, he shall order the board forthwith to issue a certificate of the date of the teachers' examination attended by said applicant and indicate the length of time said certificate shall be valid, but if upon inspection of the manuscripts and reviewing the facts submitted he shall conclude that no injustice has been done, he shall so notify the applicant and the clerk of the board of examiners. (97 v. 377.)

4087. Payment of institute fund to committee.
4088. Report of secretary; his compensation.
4089. Forfeiture of committee's bond.
4090. When school commissioner may hold institute.

SECTION.

4091. Teachers may dismiss school to attend institute; compensation for time, when allowed.
4092. Institutes for city districts; number of days; payment of expenses; appropriation by board of education.
4093. Repealed.
4094. Number of days institute must continue; reports.

Sec. 4086. [Organization of county teachers' institute; elections, term, duties and bond of officers.] A teachers' institute may be organized in any county, by the association of not less than thirty practical teachers of the common schools residing therein, who shall declare their intention in writing to attend such institute, the purpose of which shall be the improvement of such teachers in their profession; such institute shall elect annually, by ballot, a president, secretary, and one member of an executive committee, said member of the executive committee to serve for a term of three years; provided, that at the first annual election held after the organization of any institute, there shall be elected three members of the executive committee, the one receiving the highest number of votes to serve for three years; the one receiving the next highest number of votes to serve two years; and the one receiving the next highest number of votes to serve one year. The president and secretary of the institute shall be ex-officio members of the executive committee and shall act as chairman and secretary of said committee. Any vacancy in the office of president, secretary, or member of the executive committee caused by death, resignation, removal from the county or other cause, may be filled by the executive committee, the person elected to fill such vacancy to serve until the next annual meeting of the institute. It shall be the duty of this executive committee to manage the affairs of the institute; which committee shall enter into a bond, payable to the state of Ohio, with sufficient surety, to be approved by the county auditor in double the amount of the institute fund in the county treasury, for the benefit of the institute fund of the county, and conditioned that the committee shall account faithfully for the money which will come into its possession, and make the report to the commissioner of common schools, required by section *four thousand and eighty-eight*, and such election of officers shall be held during the session of such institute and at time fixed by the executive committee thereof, of which election at least three days' notice shall be given the members of such institute

by posting conspicuously in a room, where such institute is held, a notice of the time and place of holding such election and of the officers to be voted for at such election. (95 v. 237; 92 v. 10; 84 v. 230; Rev. Stat. 1880; 70 v. 195, § 112.)

Since the president and secretary of the institute are ex-officio members of the executive committee, the other members of the committee alone cannot lawfully organize the committee. The president of the institute is chairman of the committee and the secretary of the institute is secretary of the committee.

Sec. 20-1. The commissioners of the several counties of the state may receive bequests, donations and gifts of real and personal property and money to promote and advance the cause of education in their respective counties;a part may be used to defray the expenses of the teachers' institute, each year.

The purpose of a teachers' institute being the improvement of the teachers entitled to its privileges in their profession, it clearly follows that the instruction given therein should be mainly upon methods of teaching and the management of schools.

Sec. 4087. [Payment of institute fund to committee.] The declaration and bond mentioned in section *forty hundred and eighty-six* shall be filed with the county auditor, whereupon the auditor shall give to the institute committee an order on the county treasurer for the amount of the institute fund in the treasury; and any portion of said fund not disbursed by the committee shall be returned to the county treasury, on the certificate of the county auditor. (70 v. 195, § 112; S. & S. 709.)

Sec. 4088. [Report of secretary; his compensation.] The secretary shall, within five days after the adjournment of the institute, report to the state commissioner of common schools the number of teachers in attendance at the institute, the names of instructors and lecturers attending said institute, the amount of money received and disbursed by the committee and such other information relating to the institute as the commissioner may require; the secretary may be allowed compensation not to exceed ten dollars for making such report and for his services as secretary, to be paid out of the institute fund of the county, but no other compensation shall be allowed any officer or member of the executive committee; on failure to make such report, the secretary shall forfeit and pay to the state the sum of fifty dollars. (95 v. 238; 1888, April 11; 85 v. 192, 196; Rev. Stat. 1880; 70 v. 195, § 112; S. & S. 709.)

Blanks for reports are sent to the county auditor for distribution.

Sec. 4089. [Forfeiture of committee's bond.] Upon the forfeiture of the committee's bond, the prosecuting attorney of the county shall prosecute an action thereon, in the name of the state, and collect any money which the committee may have failed to disburse according to law, and any penalty to which the committee may be liable under this chapter, and pay the same into the county treasury to the credit of the institute fund. (70 v. 195, § 112.)

Sec. 4090. [When school commissioner may hold institute.]

Ch 13.

Teachers' Institutes.

When a teachers' institute has not been held within two years in any county, the commissioner of common schools may hold or cause to be held therein such institute; and the management thereof and all proceedings in relation thereto, shall be the same as hereinbefore provided, except that the written declaration required shall not be necessary. (70 v. 195, § 114.)

Sec. 4091. [Teachers may dismiss school to attend institute; compensation for time, when allowed.] All teachers of the public schools within any county in which a county institute is held may dismiss their schools for one week for the purpose of attending such institute, and when such institute is held while the schools are in session the boards of education of all school districts are required to pay the teachers of their respective districts their regular salary for the week they attend the institute upon the teachers presenting a certificate of full regular daily attendance at said institute signed by the president and secretary thereof; the same to be paid as an addition to the first month's salary after said institute by the board of education by which said teacher is then employed, or in case he is unemployed at the time of the institute, then by the board next employing said teacher, provided the term of said employment begins within three months after said institute closes. (97 v. 377; 70 v. 195, § 117.)

The circuit court dissolved an injunction granted by the common pleas court restraining a board of education from paying the teachers for attendance at an institute while the schools were not in session. The case is now before the supreme court for hearing. (Aug. 1, 1906.)

Section 4091 makes provision for the payment of all teachers who attend teachers' institutes, provided that at the time of said attendance they hold a teacher's certificate, and their term of employment begins within three months after said institute closes. Whether the institute is held during the session of school or in vacation is immaterial. Atty. Gen.

Sec. 4092. [Institutes for city districts; number of days; payment of expenses; appropriation by board of education.] The board of education of each city school district may provide for holding an institute yearly, for the improvement of the teachers of the common schools therein; and general meetings of the teachers of any such city district held upon not less than four days in any year, whether consecutive days or not, for the purpose of instruction, shall be deemed to constitute a teachers' institute for said city district within the meaning of this section; the expenses of such institute shall be paid from the institute fund provided for by section *forty hundred and eighty-four*; and in addition to this fund the board of education of any district may expend annually, for the instruction of the teachers of said district in an institute or in such other manner as it may prescribe, a sum not to exceed five hundred dollars, the same to be paid from its contingent fund; if the board of any district do not provide for such institute in any year, it shall cause the institute fund in the hands of the district treasurer

for the year to be paid to the treasurer of the county wherein the district is situated, who shall place the same to the credit of the county institute fund, and the teachers of the schools of such district shall be entitled, in such case, to the advantages of the county institute, subject to the provisions of the preceding section; and the clerk of the board shall make the report of the institute required by section *forty hundred and ninety-four*. (97 v. 378; 90 v. 131; 70 v. 195, § 118.)

Sec. 4093. Repealed 97 v. 379.

Sec. 4094. [Number of days institutes must continue; reports.] All institutes held under the provisions of this chapter shall continue at least four days; and a report of the institute held in pursuance of the provisions of section *forty hundred and ninety-two* shall be made to the state commissioner of common schools within five days after the adjournment thereof, which shall state the number of teachers in attendance, the names of the instructors and lecturers, the total expenses of the institute, and the portion thereof paid from institute funds, and such other information relating to the institute as the commissioner may require. (97 v. 378; 1888, April 11; 85 v. 192, 196; Rev. Stat., 1880; 70 v. 195, §§ 113, 115, 118.)

All public sales of said lands shall be by auction, at the front door of the court house of the county in which these lands so offered lie, after having been advertised five consecutive weeks in a newspaper published and generally circulated in such county; such notices of sale shall contain a sufficient description of the premises to clearly identify the same, with a statement of the terms of payment and the amount of appraisal, and all such public sales shall be made at such times as said trustees shall deem expedient; and in case such land or any tract thereof shall not sell for the amount of the appraisal at such public sale,

then upon the same being again offered as aforesaid at public sale, the same may be sold for any sum not less than three-fourths of the appraisement; provided, that no trustee of said college or appraiser of said land shall be the purchaser of any of said lands at any such sale or sales, either directly or indirectly. The said trustees shall cause all contracts for the sale of said lands to be printed or written in a book or books, stating the consideration and terms of all sales, which said contracts shall be signed in duplicate by the said trustees or any authorized agent of theirs, and by the purchaser or purchasers, one copy of which shall be preserved in said book, and the other shall be delivered to the purchaser at the time the same shall be signed; and every purchaser shall execute his promissory note or notes, with interest, payable as aforesaid, for all deferred payments, which notes shall be non-negotiable, and payable to said college at such place or places as may be directed by said trustees; and upon full payment being made by the purchaser, his heirs or assigns, for any such land, every such person shall be entitled to receive a conveyance therefor in fee simple by deed of said trustees, executed by the president of the board, under the corporate seal of said college; and all lands disposed of under the provisions of this act, shall be returned by said trustees to the auditor of the counties in which they are situate, and by them be placed on the duplicate for taxation. (70 v. 107.)

[Statement to be made and filed.] Before any such institution shall be authorized to acquire and hold such additional property, the trustees thereof, at a regular meeting of their board, or at a special meeting called for that purpose, shall, from time to time, make and sign a statement specifying the amount of such additional property which they seek to acquire and hold, and shall set forth therein the purposes to which it is to be devoted, which statements shall be entered at large upon the record book of the trustees and be filed in the office of the secretary of state. Sec. 3737. [Trustees to be divided into classes.] At a meeting of such board held after a vacancy occurs therein it shall fill such vacancy, or if more than one vacancy has occurred, then one of them, by appointing the president of the university or college a trustee, and the president of such university or college shall, ex-officio, be a trustee perpetually thereafter; the board shall also, at such meeting, divide its number, excluding the said president, and including all vacancies except the one he is so appointed to fill, into classes, corresponding in number to the number of conferences or other religious bodies at the time patronizing such university or college, such classes to have in each an equal number of trustees, as near as may be; and the board shall assign one of such classes to each of the conferences or other religious bodies, and thereafter each may fill any and all vacancies in the class so assigned to it. (65 v. 188, § 2; S. & S. 106.)

Sec. 3738. [Term of office of trustees; how vacancies filled.] When the classes of trustees are formed, as provided in the preceding section, the term of office of one of the trustees in each of the classes, to be selected by lot in open session of the board of trustees, shall expire each year, and the persons thereafter elected as trustees shall act as such for a term of years equal in number to the number of trustees in any class, except as hereinafter provided; but the term of office of a trustee shall not expire during any meeting of the board which does not continue for more than two weeks; and vacancies which occur in any class of trustees otherwise than by the expiration of term of office shall be filled only for the remainder of the term. (65 v. 188, § 3; 70 v. 157, § 1; S. & S., 107.)

Sec. 3739. And such board of trustees composed according to the foregoing provisions and the provisions of section *thirty-seven hundred*

and forty-seven of this chapter, without regard to the number of members so composing it, may increase its own numbers by the election of trustees at large, not exceeding the number of conferences or other religious bodies co-operating with or patronizing such university or college, and may divide such trustees at large into classes, at its discretion. (89 v. 119; 65 v. 188, § 4; S. & S., 107.)

Sec. 3740. [When the number in a class is to be reduced.] If the number of such patronizing conferences or other religious bodies at any time exceeds six, the representation of each shall be reduced by lot, in open session of the board of trustees, to a class of three trustees, if they exceed that number, who shall thereafter be elected to serve as trustees for the term of six years, and in that case the term of office of one trustee in each class shall expire every second year. (65 v. 188, § 5; S. & S., 107.)

Sec. 3741. [A conference may become a patron by consent of other bodies.] Any conference or other religious body, not patronizing any particular university or college, may become such patronizing conference or religious body, by and with the consent of the conferences or other religious bodies at the time patronizing such university or college. (65 v. 188, § 6; S. & S., 107.)

Sec. 3742. [Patronizing bodies may appoint visitors.] Each conference or other religious body patronizing any particular university or college may, annually, appoint two visitors, and the board of trustees of a college or university may provide, at the time of its organization, by resolution adopted and entered on its records, for the appointment of two visitors by each conference or other religious body patronizing such college or university; and such visitors shall attend the meetings of the board of trustees of such university or college, and, with the trustees, constitute a joint board for the appointment and removal of all officers, professors, and instructors of the university or college. (73 v. 163, § 7; S. & S., 107.)

Sec. 3743. [When the right of representation shall cease.] If a conference or other religious body patronizing any university or college, and having a representation in its board of trustees, cease to exist, or cease to patronize such university or college, the right of such conference or other religious body to such representation shall cease, and its board of trustees shall be thereby and to that extent reduced in numbers. (65 v. 188, § 8; 73 v. 163; S. & S., 107.)

therein shall be deprived of such representation as provided in the preceding section, the board shall declare, and cause to be entered in the record of its proceedings, that the conditions and contingencies hereinbefore provided for in that behalf have taken place. (65 v. 188, § 9; S. & S., 107.)

Sec. 3745. [Quorum; how constituted.] Eleven trustees shall constitute a quorum of the board of any such university or college, whatever the number of trustees constituting the board is or may become, if the number is more than twenty; and if the number is twenty or less, a majority thereof shall constitute a quorum. (65 v. 188, § 10; S. & S., 108.)

[Certain corporations may have benefit of subsequent provisions.] The board of trustees of any university or college which has accepted or hereafter accepts the provisions of the ten preceding sections, may accept the provisions of the three succeeding sections by resolution adopted at any regular meeting of the board, and entered upon the record of its proceedings, and thereafter the board, and the university or college, shall be subject to (the) provisions thereof. (69 v. 71, § 1.)

Sec. 3747. [Alumni may elect trustees and appoint visitors.] After such acceptance by the board of any university or college, the alumni thereof (composing the alumnaal association thereof) may elect as members of the board of trustees of such college or university members of such alumnaal association, in numbers equaling the numbers of the conferences co-operating with or patronizing such university or college, and may divide such alumnaal trustees into classes, and perpetuate the same; and such alumnaal may, at the same time elect as visitors members of their association equaling in numbers one-half of the numbers of the conferences or other religious bodies co-operating with or patronizing such university or college, and such visitors shall have the same powers and duties as visitors appointed by any conference or other religious body aforesaid; provided, that when women are members of the alumnaal association so electing, they shall be eligible as visitors; provided, further, that the board of trustees shall be judge of the validity of the election and the returns thereof, of trustees and visitors elected under this section, (89 v. 120; 81 v. 174; Rev. Ten members of the board shall constitute a quorum, and all vacancies which occur in any class of trustees otherwise than by expiration of the term of office, shall be filled only for the remainder of the term; provided, that any such university or other institution of learning, having heretofore accepted the provisions of original sections 3751 and 3752, may increase its board of trustees by electing or appointing two additional members in each of the classes of trustees herein provided for.
